## Audit Committee

24 April 2024

---

**Subject:** Annual Governance Statements 2020 – 21 & 2021 - 22

### Commissioner Review

Commissioners note that this is an unacceptably delayed statement. The necessary addendums and clarifications demonstrate that the governance of the authority for the years in question were inadmissible. Significant work is required to provide an accurate and legitimate Annual Governance Statement for the 2022 – 23 period.
