1 **Executive Summary**

- 1.1 This report seeks authority for the sale of the Council Car Park at Staniforth Street, Birmingham by the grant of a new lease, at a premium.
- 1.2 The subject property has a site area of 3642.17 sqm approximately and is shown edged bold black on the attached plan at Appendix 1.

2 **Recommendations:**

- 2.1 Authorises the Assistant Director of Investment & Valuation to conclude an unconditional sale of the Council owned Car Park at Staniforth Street, Birmingham as shown edged bold black on the attached plan at Appendix 1, and extending to 3642.17 sqm by the grant of a new 255 year lease to the Purchaser as detailed in Exempt Appendix 2.
- 2.2 Notes that the purchaser will also pay a contribution towards the Council's surveying and legal costs, as detailed in Exempt Appendix 2.
- 2.3 Authorises the Assistant Director of Investment and Valuation to revert to the under bidders in the event of a failure to complete and proceed to completion.
- 2.4 Authorises the City Solicitor to prepare, negotiate, execute, and complete all relevant legal documentation to give effect to the above.

3 **Background**

- 3.1 The land is situated within a locality of student residential and commercial uses in a prime location in the city centre in close proximity to Birmingham Snow Hill Station and Colmore Business District.
- 3.2 The land is currently let out to a car park operator and to a construction contractor as a site compound.
- 3.3 Following the appointment of marketing agents, Jones Lang Lasalle the property was offered for sale to the open unrestricted market by informal tender with a closing date of 27th March 2024. The outcome of this tender process is set out in further detail in the Exempt Appendix 2, 3 and 4.
- 3.4 Tenders were invited on either an unconditional or conditional (subject to planning only) basis, and detailed planning guidance was produced to support and inform the process.
- 3.5 The outcome of the tender process, tenders received and recommendations for sale are detailed at Exempt Appendix 2, 3 and 4 and in Jones Lang Lasalle's Disposal Strategy and Recommendation Report at Exempt Appendix 3, which also includes an estimate of value of the Property, pre-sale.
- 3.6 The proposed sale represents best consideration and has been validated by Jones Lang Lasalle and the Assistant Director of Investment & Valuations, based upon

analysis of the bidders' proposals. The offer represents the least risk to the Council in terms of deliverability and overall conditionality.

4 Options Considered and Recommended Proposal

- 4.1 **Option 1 - Do Nothing.** The Council is under no obligation to proceed with the proposal and would suffer no reputational consequences if it did not proceed. It would not, however, be in line with the aims of the Property Strategy or the external advice obtained to support delivery of the Strategy. The negotiated capital receipt would not be realised at this time and would not be available to fund the City Council's Financial Recovery Plan and there would be no guarantee of a future opportunity.
- 4.2 **Option 2 – Property Retained for Reuse and / or Development by the Council.** The property prior to being offered for sale on the open market, has been considered for potential internal reuse, and / or development by the Council to support its business priorities, with no interest expressed or identified.
- 4.3 **Option 3 – Proceed with Agreed Transaction.** It is recommended to proceed with the transaction outlined in this report, in line with the aims of the Property Strategy and the external advice obtained to support delivery of the Strategy, to deliver a capital receipt to fund the City Council's Financial Recovery Plan.

5. Consultation

- 5.1 The transaction is recommended by the Council's external agent Jones Lang Lasalle as detailed in the Disposal Strategy and Recommendation Report at Exempt Appendix 3.
- 5.2 The Newtown ward member has been notified of the proposed sale of this property.

6. Risk Management

- 6.1 To meet the expectations of the prevailing property market, the Council has committed to deliver this sale in accordance with delivery milestones set out in the particulars of sale. Failure to meet these milestones would result in a potential loss of the capital receipt.

7. Compliance Issues:

7.1 How are the recommended decisions consistent with the City Council's priorities, plans and strategies?

The decisions recommended in this report will facilitate the development of the Site:

- 7.1.1 The proposed sale transaction and generation of a capital receipt supports the Financial Recovery Plan by generating resources and thus helping to achieve a balanced budget.

7.1.2 It is consistent with the City Council Financial Plan 2020-2024 and Financial Plan 2021-2025 as the additional income helps the Council to meet the aspirations to be:

- Prosperous: through continued economic growth, tackling unemployment, attracting inward investment and infrastructure. The scheme will deliver on actions within the Council Plan to concentrate on significant areas of opportunity, by facilitating jobs and training opportunities in an area of deprivation within East Birmingham, using the City Council's property assets to accelerate regeneration and investment.
- Inclusive: through empowered citizens, supporting young people to fulfil potential, and promoting diversity, opportunities, and culture.
- Safe: through tackling anti-social behaviour & hate crime, housing provision and addressing homelessness, and improving living environments, civic pride & culture.
- Healthy: through tackling health inequalities, encouraging and enabling physical activity and healthy living, quality of care, and helping to support mental health.
- Green: by improving the cleanliness of our city and its streets, improving the environment and air quality, carbon reduction and enabling an inclusive green transition.
