# Community Fund – parameters

The fund is available from April 2021, ringfenced to Birmingham residents and must...

To support and engage Birmingham citizens to feel part of the Games

To make sure that the opportunity is spread across the city

To make sure that the projects delivered through the fund support and showcase our diverse communities

To make sure the projects delivered celebrate Birmingham

To deliver benefits and legacy for the city that aligns with city priorities

An element to be delivered via Wards on a 'per councillor' basis

Not money to be spent on 'hard' infrastructure

Create feelings of connectivity & positivity – mass participation

# Community Fund

Creative  
Communities
