### 1 Executive Summary

- 1.1 This report provides details of the planned procurement activity for the period December 2023 – February 2024 which are key decisions and all contract award decisions made under Chief Officer's delegation during the previous quarter. Planned procurement activities reported previously are not repeated in this report.

- 1.2 The report enables Cabinet to identify whether any reports for procurement activities should be brought to this meeting for specific executive decision, otherwise they will be dealt with under Chief Officer delegations up to the value of £10m, unless TUPE applies to current Council staff.
- 1.3 Appendix 5 informs Cabinet of the contract award decisions made under Chief Officers delegation during the period July 2023 – September 2023.

## **2 Recommendations**

- 2.1 To approve the planned procurement activities as set out in Appendix 1 and approve Chief Officer delegations, set out in the Constitution, for the subsequent decisions around procurement strategy.
- 2.2 Notes the contract award decisions made under Chief Officers delegation during the period July 2023 – September 2023 as detailed in Appendix 5.

## **3 Background**

- 3.1 The report approved by Council Business Management Committee on 16 February 2016 set out the case for introducing this process.
- 3.2 At the 12<sup>th</sup> July 2022 meeting of Council changes to procurement governance were agreed which gives Chief Officers the delegated authority to approve procurement contracts up to the value of £10m for key decisions over the life of the contract. Where it is likely that the award of a contract will result in staff employed by the Council transferring to the successful contract under TUPE, the contract award decision has to be made by Cabinet.
- 3.3 In line with the Procurement and Contract Governance Rules that form part of the Council's Constitution, this report acts as the process to consult with and take soundings from Cabinet Members and the Resources Overview & Scrutiny Committee.
- 3.4 This report sets out the planned procurement activity over the next few months where the contract value is between the procurement threshold £177,897.50 (excluding VAT) and £10m (excluding VAT) for key decisions. This will give members visibility of all procurement activity within these thresholds and the opportunity to identify whether any procurement reports should be brought to Cabinet for approval even though they are below the £10m delegation threshold.
- 3.5 It should be noted that the procurement threshold has changed from £189,330 to £177,897.50 (excluding VAT) and applies from 1st January 2022 for a period of 2 years.
- 3.6 Individual procurements may be referred to Cabinet for an executive decision at the request of Cabinet, a Cabinet Member or the Chair of Resources Overview & Scrutiny Committee where there are sensitivities or requirements that necessitate a decision being made by Cabinet.
- 3.7 Procurements below £10m contract value that are not listed on this or subsequent monthly reports can only be delegated to Chief Officers if specific approval is sought from Cabinet. Procurements above £10m contract value will still require

an individual report to Cabinet in order for the award decision to be delegated to Chief Officers if appropriate.

- 3.8 A briefing note with details for each item to be procured is listed in Appendix 2. The financial information for each item is detailed in Appendix 3 – Exempt Information.

## **4 Options considered and Recommended Proposal**

- 4.1 The options considered are:

- To identify specific individual procurements as listed in appendix 1 for further consideration, along with clear reason(s) for such additional consideration, to Cabinet around the procurement strategy and contract award .
- To approve the planned procurement activities for all the projects listed in appendix 1 and approve Chief Officer delegations as set out in the Constitution, for the subsequent decisions around procurement strategy and contract awards.– this is the recommended option.

## **5 Consultation / Engagement**

- 5.1 This report to Cabinet is copied to Cabinet Members, Cabinet Support Officers and to Resources Overview & Scrutiny Committee and therefore is the process for consulting with relevant cabinet and scrutiny members. At the point of submitting this report Cabinet Members/ Resources Overview & Scrutiny Committee Chair have not indicated that any of the planned procurement activity needs to be brought back to Cabinet for executive decision.
- 5.2 Approval has been sought from the relevant Spend Control Board prior to inclusion on the PPAR.

## **6 Risk Management**

- 6.1 Members should note that in respect of any procurement projects which are sought to be referred back to Cabinet for further considerations these may impact on timescales around the delivery of those projects.
- 6.2 Details of Risk Management, Community Cohesion and Equality Act requirements will be set out in the individual reports.

## **7 Compliance Issues:**

### **7.1 How are the recommended decisions consistent with the City Council's priorities, plans and strategies?**

- 7.1.1 Details of how the contracts listed in Appendix 1 and Appendix 2 support relevant Council policies, plans or strategies, will be set out in the individual reports.

### **7.2 Legal Implications**

7.2.1 Members are reminded that as a Local Authority the Council has specific duties under public sector procurement, specifically the Public Contract Regulations 2015.

7.2.2 Specific details of any implications related to public sector procurement Regulations are set out- in the individual reports appended to this report.

### **7.3 Financial Implications**

7.3.1 Specific details of how decisions will be carried out within existing finances and resources will be set out in the individual reports.

7.3.2 Any cashable savings generated as a result of the procurement exercises are detailed in Appendix 2 to the delivery of procurement related savings and be removed from Directorate where identified in addition to the existing service area savings target as set out in the Medium-Term Financial Plan (MFTP) in line with the principles to treatment of identified savings against third party contracts as agreed by CLT on 24th January 2022.

### **7.4 Procurement Implications (if required)**

7.4.1 As noted under the Legal Implications the Council has a duty to ensure that public sector procurement activity is in line with public sector legislation, specifically the Public Contracts Regulations 2015.

7.4.2 For each of the individual projects the specific procurement implications associated to the legislation are set out and detailed in the appendices.

### **7.5 Human Resources Implications (if required)**

7.5.1 None.

### **7.6 Public Sector Equality Duty**

7.6.1 Details of Risk Management, Community Cohesion and Equality Act requirements will be set out in the individual reports which should also give consideration to application of Equality Impact Assessments in line with Council Policy.

## **APPENDIX 2**

### **BRIEFING NOTE ON PLANNED PROCUREMENT ACTIVITIES** **CABINET – 14<sup>th</sup> November 2023**

<b>Title of Contract</b>	<b>Corporate Mobile Phone Services</b>
<b>Contact Officers</b>	<b>Director / Assistant Director:</b> Cheryl Doran, CIO & Assistant Director, Digital and Technology Services <b>Client Officers:</b> Karen Tay, Networks Operations Manager <b>Procurement Officer:</b> TBC - IT Category Manager
<b>Relevant Portfolio</b>	<b>Councillor Cllr Saima Suleman – Cabinet Member for Digital, Culture, Heritage and Tourism</b>
Briefly describe the service required.	<p>There are currently over 7500 mobile phones across the estate (7000 of which are smart devices) supporting the wider council operations for which the current contract expires on 27th February 2024.</p> <p>A project is being commissioned through the DTS Digital Strategy Cabinet Report to reduce this foot print to a maximum of 5,000 to focus on providing mobile phones to only front line/ support works to reduce wider costs. While this is the upper end of the estimate a greater level of reduction will be targeted to further reduce cost.</p> <p>The new Microsoft Teams Based Telephony solution that has been implemented at the start of this year will be expanded to cater for telephony needs of non-front line/ support workers in conjunction with a Bring Your Own Device (BYOD) model.</p> <p>The new contract/ contracts will provide hardware (to replace handsets as they become end of life to address security vulnerabilities) and data/ voice services along with associated Enterprise Support, while providing the ability to deliver a 'Lone Worker' solution to assist with the safeguarding of staff in certain roles.</p>
What is the proposed procurement route?	The route to market will be via a compliant regional or national framework agreement. The final outcome of soft market testing will drive (if we procure) both the data and hardware contracts separately or a single procurement may cover both areas based on value for money.
What are the existing arrangements? Is there an existing contract? If so, when does that expire?	There is currently a contract with VMO2 for the provision of both hardware and data services that expires in February 2024.
Will any savings be generated?	Yes – savings already forecast for in the Technology Roadmap Critical Investment Cabinet report of £325k per annum against the DTS 3rd Party Budget.
Has the In-House Preferred Test been carried out?	Yes – this service cannot be delivered in-house.
How will this service assist the council's commitments to Route to Zero?	No top line savings would be forecast for this exercise.
How do these activities assist the Council with Everybody's Battle; Everybody's Business (EBEB)?	Not applicable as this relates to underlying technical infrastructure.
Is the council under a statutory duty to provide this service? If not, what is the justification for providing it?	There is not a statutory duty to provide this service. However, the infrastructure that this service provides supports wider operational delivery of statutory services and the use of mobiles by services will be assessed as part of the project.
Approval via Spend Control Board.	Approval for this requirement was obtained from Section 151 Board on 2 <sup>nd</sup> October 2023.
What budget is the funding from for this service?	The funding for this service comes from two sources.

	<ol style="list-style-type: none"> <li>1) The capital implementation costs as sought in Technology Roadmap Critical Investment paper to cabinet being presented in October Cabinet.</li> <li>2) The ongoing revenue for the existing service from the DTS 3<sup>rd</sup> Party budget.</li> </ol>
Proposed start date and duration of the new contract	The proposed start date is December 2023 for up to 5 years with appropriate break points to allow for regular pricing and value-for-money reviews. This is likely to be a 2+1+1+1 and will be assessed as part of the procurement activities to drive best value.
