Does the report contain confidential or exempt information? ☐ Yes ☒ No

If relevant, state which appendix is exempt, and provide exempt information paragraph number or reason if confidential :

### 1 Executive Summary

- 1.1 During the Public Consultation for the A34 Perry Barr Highway scheme, petitions 2142 and 2156 were received containing a total of 7,078 signatures. Due to the size of the petition, Business Management Committee decided that the petition was to be debated at a meeting of full Council.

### 2 Motion

- 2.1 Council notes the petitions 2142 and 2156 submitted in support of the A34 Flyover. Pending the re-consideration of the Full Business Case for the scheme by Cabinet, following a call-in by the Sustainability and Transport Overview & Scrutiny Committee, the Council recommends that these petitions are discharged.

### 3 Background

- 3.1 Cabinet report dated 15 October 2019, A34 Perry Barr Highway Improvement Scheme – Full Business Case (FBC).
