

	<u>Agenda Item: 6</u>
Report to:	Local Covid Outbreak Engagement Board
Date:	28/04/2021
TITLE:	LOCAL OUTBREAK MANAGEMENT PLAN
Organisation:	Birmingham City Council
Presenting Officer:	Justin Varney

Report Type:	For approval
---------------------	---------------------

1. Purpose:
1.1 To seek approval for the revised Local Outbreak Management Plan.

2. Recommendation:
2.1 For the Board to approve the updates to the plan

3. Report Body:
<p>3.1 The Board approved the refreshed Local Outbreak Management Plan at the last meeting, this was then submitted to the Regional DHSC team who asked for some additional annexes to be appended to the LOMP.</p> <p>3.2 The additional annexes include a more detailed surge escalation plan, non-pharmaceutical interventions, scenario planning approach, contact tracing and risk register which expand on the content of the LOMP in more detail.</p> <p>3.3 The Board is asked to note the additional annexes which have been approved by DHSC and approve the updates to the Local Outbreak Management Plan and its Annexes,</p>

4. Risk Analysis: No additional risks have been identified

Annexes
1. Updated Local Outbreak Management Plan & Annexes
