1 Purpose

- 1.1 This report sets out the proposed work programme for the Neighbourhoods Overview and Scrutiny Committee for 2023-24.
- 1.2 Following the findings and recommendations from the independent Governance Review of Birmingham City Council and specifically recommendation 5, the Committee has reframed its work programme to be aligned to Council's improvement and recovery priorities.
- 1.3 Appendix 1 outlines the topics identified, aims and objectives and the preferred method of scrutiny to achieve these objectives. Appendix 1 also lists topics previously identified by the Committee. In light of the reframing of this work programme, these topics will be deferred for future consideration at the right time.
- 1.4 Members are also asked to consider moving the date of the next scheduled committee meeting from 10 April 2024 to 2pm on 17 April 2024, to avoid a clash with Eid al Fitr.

2 Recommendations

- 2.1 That the Committee:
 - Notes the information set out in Appendix 1 and identifies if any further topics need to be added that are aligned to the Council's improvement and recovery priorities.
 - Agrees, subject to further input from the Chair and Deputy Chair, the issues that the Committee will consider in April 2024, the proposed aims and objectives and the preferred method of scrutiny.
 - Notes, subject to further input from the Chair and Deputy Chair outside of the meeting, its proposed work programme will be submitted to Co-

ordinating OSC to enable work to be planned and co-ordinated throughout the year.

- Agrees the date of the next meeting be moved from 10 April to 17 April 2024.

3 Background

3.1 The [statutory guidance for local government overview and scrutiny](#) sets out the role it can play in holding an authority's decision makers to account. This makes it fundamentally important to the successful functioning of local democracy.

3.2 Effective Overview and Scrutiny should:

- Provide constructive 'critical friend' challenge.
- Amplify the voices and concerns of the public.
- Be led by independent people who take responsibility for their role.
- Drive improvements in public services.

3.3 The role and functions of Overview and Scrutiny Committees are outlined in [The City Council's Constitution | Birmingham City Council](#) They will:

- Make reports and/or recommendations to the full Council, the Executive and/or other organisations in connection with the discharge of the functions specified in their terms of reference.
- Consider any matter covered in their terms of reference that may affect or be likely to have an effect on the citizens of Birmingham; relevant to the Council's strategic objectives; relevant to major issues faced by officers in managing a function of the Council; and likely to make contribution to moving the Council forward and achieving key performance targets.

3.4 Effective scrutiny needs to add value. A well planned and timely work programme enables Overview and Scrutiny Committees to be involved at the right time and in the right way, and ensure their involvement is meaningful and can influence the outcome.

3.5 Members often have a number of topics suggested to them and are therefore required to **prioritise** matters for consideration. The Scrutiny Framework sets out the following factors to be considered. Additional criteria to be applied to work programme priorities by the Governance Stabilisation Plan are set out in paragraph 4:

- Public interest: concerns of local people should influence the issues chosen.
- Ability to change: priority should be given to issues that the Committee can realistically influence.
- Performance: priority should be given to areas in which the Council and Partners are not performing well.
- Extent: priority should be given to issues that are relevant to all or a large part of the city.

- Replication: work programme must take account of what else is happening to avoid duplication.

Looking Ahead

- 3.6 Since June 2023, Overview and Scrutiny Committees have identified a ‘menu’ of issues (including policy development, policy review, issues of accountability and statutory functions). Each Committee has regularly reviewed their ‘menu’ and decided which issues needed to be examined further, and how that work would be undertaken.

Scrutiny Methods

- 3.7 There are a range of ways to undertake scrutiny. The approach for 2023-24 enables flexible scrutiny and outlines a shift from monthly formal meetings to a combination of approaches. The Committee will choose the most effective scrutiny method to achieve the desired aims and objectives for each topic.
- 3.8 Based on Statutory Guidance published in 2019, different scrutiny methods include (but are not limited to):
- A single item, or items, on a committee agenda – this method fits more closely with the “overview” aspect of the Scrutiny function and provides limited opportunity for effective scrutiny. It is most appropriate for specific issues where the committee wants to maintain a watching brief.
 - A single item meeting, either as the committee or a more limited number of Members. It has the capacity to enhance the previous option by taking evidence from a number of witnesses.
 - A task and finish day - provided that these are properly focused, they ensure Councillors can swiftly reach conclusions and make recommendations and are effective even for complex topics.
 - A task and finish review – this is an enhancement of the previous option being held over four or six meetings spread over a limited number of months.

Neighbourhoods Overview and Scrutiny Committee

- 3.9 The Committee’s Terms of Reference is to fulfil its functions as they relate to any policies, services and activities concerning:
- The collection and removal of waste from residential and other properties within the city.
 - Pest control.
 - Street cleansing, litter prevention, fly tipping/placarding removal and enforcement, graffiti removal, scrap yard and motor salvage operator enforcement.
 - Parks and allotments.

- Local events held in parks.
- Cemeteries and crematoria, mortuary and Coroners Court services, Register Office services.
- Local Development Plans, Neighbourhood Plans, Development briefs, localisation.
- Commonwealth Games Legacy framework.

3.10 This Committee shall be the Crime and Disorder Committee (Police and Justice Act 2006) as referred to in the [Council Constitution](#). The [Crime and Disorder \(Overview and Scrutiny\) Regulations 2009](#) provides information to Local Authorities about how this function should be carried out. In fulfilling this function, the Committee will fulfil its functions as it relates to:

- Community safety, anti-social behaviour, fear of crime, support for victims of crime.
- Relationships with the Police and Crime Commissioner and West Midlands Police.
- Youth offending.
- Domestic abuse.

3.11 The Committee is chaired by Cllr Shabrana Hussain, and its membership comprises Cllrs. Gurdial Singh Atwal, Marcus Bernasconi, Kerry Brewer, Marje Bridle, Ray Goodwin, Izzy Knowles, and Darius Sandhu.

4 The Governance Review – Reframing the Work Programme 2023-24

4.1 The Co-ordinating Overview and Scrutiny Committee on 15 December 2023 acknowledged the recommendations in the Governance Review of Birmingham City Council agreed by Cabinet on 12 December 2023. Recommendation 5 stated the need to reframe scrutiny work programmes on the Council's improvement and recovery priorities, and that alignment of work programmes should focus on:

- a) Having an active part in the 2024/25 budget development process.
- b) The safe and effective delivery of key services supporting vulnerable people.
- c) Critical performance issues emerging "by exception".
- d) Equality and equity issues arising from the development of the 24/25 Budget, the Emergency Budget (to be identified by exception), and other priority scrutiny activity relating to the Budget.
- e) Culture, behaviour change and organisational development.

4.2 On 10 January 2024, the committee met informally to consider the developing Improvement and Recovery Plan and the findings and recommendations of the Governance Review. The committee reviewed its work programme for February – April and reframed it to ensure it aligns with the issues set out above.

- 4.3 Appendix 1 sets out the updated work programme and provides information on topics which have now been deferred by the Committee as a result of these discussions.
- 4.4 The Committee may decide to add further items to the work programme during the course of the year. When considering this, the Committee is advised to consider where it can best add value through scrutiny aligning to the Council's priorities and improvement journey, and how it can prioritise topics for consideration based on the Scrutiny Framework referred to in paragraphs 3.5 and 4.1.
- 4.5 The Council's latest [Forward Plan](#) may assist Members in identifying future topics. The following reports are of particular relevance to this Overview and Scrutiny Committee:

ID Number	Title	Proposed Date of Decision
	None at present.	

- 4.6 Overview and Scrutiny Chairs are advised to maintain regular engagement with Cabinet Members to enable flexibility to be built into the Overview and Scrutiny work programme, so as to respond to the Council's policy priorities in a timely way.

5 Any Finance Implications

- 5.1 There are no financial implications arising from the recommendations set out in this report.

6 Any Legal Implications

- 6.1 There are no legal implications arising from the recommendations set out in this report.

7 Any Equalities Implications

- 7.1 The Council has a Public Sector Equality Duty under the Equality Act (2010) to have due regard to the need to:
- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act.
 - advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
 - foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
- 7.2 The protected characteristics and groups outlined in the Equality Act are Age; Disability; Gender Reassignment; Marriage and Civil Partnership; Pregnancy and Maternity; Race; Religion and Belief; Sex, and Sexual Orientation.
- 7.3 The Committee should ensure that it addresses these duties by considering them during work programme development, the scoping of work, evidence gathering and

making recommendations. This should include considering how policy issues impact on different groups within the community, particularly those that share a relevant protected characteristic; whether the impact on particular groups is fair and proportionate; whether there is equality of access to services and fair representation of all groups within Birmingham; and whether any positive opportunities to advance equality of opportunity and/or good relations between people are being realised.

- 7.4 The Committee should ensure that equalities comments, and any recommendations, are based on evidence. This should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
