Health Protection		

<b>3. Recommendation</b>
<p>3.1 Board members are asked to help promote the survey and encourage participation, which remains open until the 31<sup>st</sup> July. The link to the survey is:</p> <p><a href="https://www.birminghambeheard.org.uk/place/new-survey/">https://www.birminghambeheard.org.uk/place/new-survey/</a></p>

<b>4. Report Body</b>	
4.1	The PowerPoint presentation summarises the findings from the 5 <sup>th</sup> extract of the survey responses to the COVID-19 Impact survey. The survey aims to capture the impact of COVID-19 on individuals health and wellbeing. Data is extracted on a fortnightly basis which will allow for cohort analysis of findings as well cumulative analysis.
4.2	Please note, this report is for information and will be replaced at the meeting with the most current data for presentation. It will follow the same format.

<b>5. Compliance Issues</b>	
<b>5.1</b>	<b><i>HWBB Forum Responsibility and Board Update</i></b>
	The COVID-19 Impact survey will help the Board and it's Forums to understand the impact of COVID-19 on citizens lives and inform the planning for the next wave and addressing these inequalities through the work plans.
<b>5.2</b>	<b><i>Management Responsibility</i></b>
	The Impact Survey is led through the BCC Public Health Division

<b>6. Risk Analysis</b>			
<b>Identified Risk</b>	<b>Likelihood</b>	<b>Impact</b>	<b>Actions to Manage Risk</b>
Lack of engagement from specific geographic or communities of identity	Medium	High	In addition to the main survey there are tailored surveys being undertaken through community partners e.g. Chinese Community Centre, as well as engagement through elected members and other community partners to increase participation.

The following people have been involved in the preparation of this board paper:  
 Dr Justin Varney, Director of Public Health  
 BCC Public Health Division
