17 Apr 19 (Learning, Culture & Physical Activity O&S Committee)	Cabinet Member for Education, Skills and Culture	Information on the LGBTQI Youth Group and if there are links into the No Outsiders Programme.	<p>E-mailed Members on 9 Sep 2019: Out Central is now in its 3rd year as a partnership between Birmingham Youth Service and BAYC based at Birmingham Association of youth clubs .</p> <p>The group has continued to thrive and grow over the last 3 years and now has a membership of around 35 young people and a weekly attendance of anything between 15 -25. This year they have taken part in numerous focus groups and workshops and been on many trips and played plenty of games in the new out central Youth room.</p> <p>The group continues to reach some of the most isolated young people in Birmingham and as result the out central staff team often deal with quite complex issues and spend many hours carrying out valuable one-to-one interventions and follow ups.</p> <p>Over the summer they hosted weekly coffee mornings for the 16 + members, as the staff have been concerned that for some time that during the holidays this group would not leave the house/ bed rooms between Youth Club sessions, and this coffee mornings got them out of the house a least one more time in the week, however the coffee mornings had more impact than they hoped, and members arranged other meetings with each other independently over the holidays.</p>
