### 2 Priority Issues and Items to be Scheduled

- 2.1 The following were highlighted at the informal meeting on 8<sup>th</sup> July 2020 as potential priorities to be followed up through the work programme:
- (a) There is an opportunity for the committee to track the participation of women in sport – a possible place to start would be to invite key women who have achieved in the sporting arena to provide their input to the committee.
  - (b) To continue the work on community engagement already begun, community representatives including possibly representatives from Commonwealth countries could be invited to talk to the committee (remotely) about how we can work together to promote the CWG.
  - (c) Engage with small voluntary and arts organisations on what they would like to see happen/how they can get involved.
  - (d) There is also an opportunity for committee members to be involved in and influence and shape the £2m ward funding, by working to input to the 'co-design' process to come up with ideas and suggestions about what criteria would work best locally and how to maximise the legacy benefits to the local community.
- 2.2 The following have been followed up through the work programme:
- (e) Invite Martin Green, who is in charge of the cultural programme to a future committee meeting to discuss the cultural programme with members. This is programmed for 7<sup>th</sup> October 2020.
  - (f) Maximising the benefits for businesses is another strand of work. There is an opportunity for

Birmingham businesses to benefit from the trade and tourism investment being developed by the West Midlands Growth Company. Neil Rami, Chief Executive of the WMGC attended the 2<sup>nd</sup> September 2020 meeting to address the committee about the investment programme.
