REPORT

*** To be completed for all late reports, ie. which cannot be despatched with the agenda papers ie. 5 clear working days' notice before meeting.**

Reasons for Lateness

The cabinet papers relating to the CAZ charging order included confirmation that the launch date for the CAZ was to be postponed, which is due to Government delays in the delivery of key digital systems required to make the zone operational and enforceable. It was important to manage this announcement with a wide group of stakeholders as well as the other impacted city – Leeds.

Reasons for Urgency

The CAZ Charging Order is to be published in June 2019
