Charity of Harriet Louisa Loxton

Report of the Trustees for the Year Ended 31 March 2017

Structure, Governance and Management

Governing document

The Trust is governed by a Scheme approved by the Charity Commission on 16 October 1989 and is a registered charity, number 702446.

Recruitment and appointment of trustees

The Trustees who served during the year, and since the year end, are set out in the reference and administrative details on page two. There is no limit on the minimum or maximum number of Trustees.

Trustee Meetings

Three representatives from the sole trustee (Birmingham City Council) are necessary to form a quorum. Issues are decided by a simple majority of those present and voting, provided at least two representatives vote in favour of the resolution.

Objectives and Activities

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. In particular the trustees have considered how planned activities will contribute to the aims and objectives set.

The objects of the trust are to apply the income from the fund "for the purpose of relieving in cases of need, persons who by reason of age, infirmity or any other circumstance, are in need of care and attention which is not otherwise available to them by providing or paying for items, services and facilities which are calculated to meet that need".

Achievements and Performance

Total receipts for the year were £48,766 (2016: £27,926) comprising solely of investment income.

Charitable expenditure decreased to £34,944 (2016: £35,100). Grants of £15,784 were awarded at the end of 2016/17 (2016: £22,240).

Financial Review

Reserves and Grant Making Policy

The Trust Deed requires the capital and income of the Trust to be applied to meet the purposes of the charity, but permits the trustees to invest any part not required for the time being.

Investment Policy

The investment objective is therefore primarily to provide security of capital for such time until the funds are required.

Investments may therefore include Government gilts, with their maturity value in mind. In addition, where sums are expected to be invested for say five years or more, a limited exposure to equities may be appropriate. This will be via pooled investment vehicles only. All investment is subject to the Trustee Act 2000.

Risk Management

The Trustees keep under review the major strategic and operational risks which the Charity faces and are satisfied that systems have been established in order to minimise the possible effects of such risks on the Charity.
