**REPORT**

\* To be completed for all late reports, ie. which cannot be despatched with the agenda papers ie. 5 clear working days' notice before meeting.

**Reasons for Lateness**

The Clean Air Zone programme is extremely complex and has involved a great deal of ongoing iterative dialogue with Government. This has resulted in late revisions to the economic and financial work which have been required to be reflected in the detailed modelling.

Further there is a need for detailed due diligence in order to ensure the final documents are as robust and accurate as possible prior to submission to Cabinet and Government.
