practice  
boundaries  
Reg. list: 39,352**

# Network Contract DES

**Funding for additional roles as an integral part of an expanded multidisciplinary team and to deliver PCN services (including Extended Hours Access from Jul-19):**

- **CD Role (required)**
- **Additional Roles to deliver Service Specifications (not mandatory):**
  - Clinical Pharmacists
  - Social Prescribing Link Workers
  - Physician Associates
  - First Contact Physiotherapists
  - First Contact Paramedics
  - Occupational therapists
  - Dieticians
  - Podiatrists
  - Health and wellbeing coaches
  - Care coordinators
  - Mental health practitioners (incl. IAPT)

# SWBCCG Support for PCNs

- **Mar-18; investment to support formation and Workforce Strategy development;**
- **Monthly CDs and PCN leads meetings;**
- **PCN leadership development (summer 2018);**
- **Two legal advice sessions;**
- **Support to release time for practices to work as PCN-based Action Learning Sets under the NHS England Releasing Time for Care Programme;**
- **PCN-focused Protected Learning Time event (April 2019);**
- **Bespoke organisational development sessions for individual PCNs;**
- **50p per patient invested in 2019-20 into a PCN Maturity Local Improvement Scheme (LIS);**
- **Investment made available to free up additional clinical or non-clinical leadership capacity and to support networks to implement PCN-specific schemes to increase collaborative working.**

## PCNs – Next

- **New investment over the next 5 years, further investments outlined in Update to contract agreement (Feb-20)**
- **Primary Care Networks will provide flexible options for GPs and wider primary care teams**
- **Expanded neighbourhood teams will comprise a range of staff such as GPs, pharmacists, district nurses, community geriatricians, dementia workers and AHPs such as physiotherapists and podiatrists/chiropractors, joined by social care and the voluntary sector**
- **Service Specifications (Apr-20 onwards)**
- **Extended Hours (by Apr-21)**

## **3 Service Specifications from 2020**

- 1. Structured medicines review and optimisation**
- 2. Enhanced health in care homes**
- 3. Supporting early cancer diagnosis**

**Additional service specifications expected to follow in subsequent years**

The background is a solid teal color. On the left side, there are several overlapping, organic, wave-like shapes in a lighter shade of teal. These shapes are fluid and non-geometric, creating a layered effect. The word "Questions?" is positioned in the upper right area of the image.

Questions?
