### 1 Executive Summary

- 1.1 This report summarises the recommendations of the Independent Remuneration Panel following the annual review of the City Councillors' Allowances Scheme and sets out the proposed motion to be considered by the City Council.
- 1.2 A full copy of the Independent Remuneration Panel's Annual Report is attached.

### 2 Recommendations

- 2.1 That the Council's Business Management Committee:

- Receives the annual report of the Independent Remuneration Panel;
- Recommends the following motion to the City Council:

The recommendations made by the Independent Remuneration Panel on Page 5 of its Annual Report be accepted and implemented with effect from 25 May 2021.

### 3 Background

- 3.1 An Independent Remuneration Panel (IRP) was established by the City Council at its meeting on 2nd July 2001. There are now eight members of the panel made up of four Citizen Representatives; two appointed and two co-opted members. An allowance is paid to each panel member.

- 3.2 The 2020/21 Annual Report of the IRP is attached to this report. Committee is reminded that the council must have full regard to the recommendations within the report.
- 3.3 The Panel has worked consistently within the requirements of the Local Government Act 2000 and the accompanying Statutory Guidance and Regulations on Councillors' allowances.

#### **4 2020/21 Report and Recommendations**

- 4.1 In 2019 the City Council accepted the Panel's recommendation to bring the Basic Allowance (BA) back in line with the Annual Survey of Household Earnings (ASHE) comparator. Previously, allowances paid to Councillors had fallen behind those rates of the comparator used at the time. In this year's report, the Panel noted the very different context of the 2020/21 but remained focussed on the need to make recommendations on the allowances paid to Birmingham City Councillors.
- 4.2 The Panel is recommending that the City Council increases the BA to £18,681. This represents an increase of 4.2% which is half of the difference between the current rate of BA and the ASHE rate for 2020, with the expectation that the Panel shall recommend a full catch-up for the municipal year commencing 2022. The Panel also recommends the same increase is applied to Special Responsibility Allowances (SRA). The Panel believes this a fair and equitable approach to setting the BA and SRAs in 2021 which incorporates the City Council's commitment to the catch-up element, whilst acknowledging the unprecedented economic and social circumstances faced by residents, communities and the City Council.
- 4.3 The report also notes several issues raised by Councillors which although falling outside the Panel's remit are recorded here as having relevance but are for others to follow up.
- 4.4 A member of the Panel will attend and present the report at Committee, and at Council, if required.
