

# Birmingham City Council Health and Wellbeing Board

Date 28 November 2023

---

**Subject:** Health and Wellbeing Board Agenda (28 Nov, 2023)

## Commissioner Review

Commissioners are content without commenting on most reports. However, on the Childrens and Young person's report, Commissioners will seek assurance from the Council that this report does not imply any increase in resource commitment from BCC above current budgets and does not fix spending levels at an unaffordable point.
