

**Young Active Travel Trust: Grant Funding
APPLICATION FORM**

Please email the completed form to connected@birmingham.gov.uk

Name of School(s)	Kings Rise Academy
Name of Head Teacher(s)	Louise Noonan ^{PP} <i>CARY BYRNE (VICE PRINCIPAL)</i>
Project Title	Role Play Road Safety Equipment
Type of Applicant	School
Name of Lead Applicant	Chiquina Gidden
Email address	chiquinagidden@kingsrise.org
Telephone number	0121 464 4635
BCC / External School	External School
(If BCC) Fund Centre 'R' Code	N/a

Signature of Head Teacher <i>(for a group of schools, only one signature is required)</i>	
Name	<i>CARY BYRNE</i>
Date	<i>18/11/22</i>

Signature of Lead Applicant	
Name	<i>CHIQUINA GIDDEN</i>
Date	<i>18/11/22</i>

About Your Project

1. Please describe the project you are asking for grant funding to undertake.

Please refer to the guidance notes for information about what sort of projects will be given priority.

At Kings Rise we would love the opportunity to have road safety measures to help and aid children and parents who walk to school. There have been a lot of problems in the last few years where issues have been raised as children have not completely understood the rules of the road. We at Kings Rise believe that if we can train the children safely in school on our grounds it will have a huge impact on how they apply this outside of school.

2. What you will spend the grant funding on?

Funding would be used on role play equipment that teachers, parents and children can use to familiarise themselves and associate with what they see outside of the school.

3. What benefits do you expect to result from the project?

I would expect more children walking safely to school and using the local crossing facilities.

4. What positive legacy will the project have on the school or wider community and what will happen when the grant funding stops?

There will be more people walking to school in the hope that less cars will be used on school journeys leading to less congestion outside school and its local residents.

5. How does this project connect with your Modeshift STARS Travel Plan?

Please note funding is only available to schools who have committed to developing school travel plans through the on-line Modeshift STARS programme; or schools who will commit to registering on Modeshift STARS and achieving bronze level within 12 months (from date of award of grant).

Through the school travel surveys I have identified that pupils would prefer to walk to school rather than travel by car. This funding will enable us to teach the children how to use crossing facilities safely.

6. Estimated project start date

Spring term 2023

7. Estimated project completion date

Summer term 2025

8. Approximately how many pupils will be involved in this project?

300

9. Estimated total cost of the project

£1000

10. Amount of Grant funding sought

£1000

Evaluation

11. Please explain how you intend to evaluate the impact of the project and how you will measure success?

The school will regularly update the school travel plan and identify school travel survey results to show that more children are walking to school rather than travel in cars.

Grant applications will be assessed and presented for determination to the Trusts and Charities Committee, as sole corporate trustee of the Young Active Travel Trust.

Details of your application may be referred to in publicly available committee reports, along with subsequent feedback or evaluations of any schemes funded by the Trust. Please indicate below your acceptance:
