MINUTES

- 43 The Minutes of the meeting held on 15 October 2015, having been circulated to Members, were confirmed and signed as a correct record, subject to the following amendments:
- a) Gary Ladbrooke, Integrated Services Head, to be shown as present and Alison Harwood's title to be shown as Acting Director for Regeneration and Enforcement;
 - b) The spelling of Councillor Mackey's surname to be corrected on page 29, Minute No. 35;
 - c) That Minute No. 34 be amended at the end of the first paragraph on page 25 by adding the sentence: "Councillor Cartwright expressed concern at the effects of budget cuts on the West Midlands Police in relation to terrorism."
-

PRIORITY REPORT OF CABINET MEMBER FOR INCLUSION AND COMMUNITY SAFETY

The following report of the Cabinet Member was submitted:-

(See document No. 1)

Councillor Shafique Shah, Cabinet Member for Inclusion and Community Safety, drew attention to the following email that he had circulated today to Members regarding the recent attacks in Paris and Beirut, which was tabled:-

(See document No. 2)

He advised that meetings had been held at local mosques with all Faiths and Police representatives to discuss the current situation. The position taken had been that it was business as normal, but that people needed to be vigilant. He expressed condolences to families of the victims. A statement had been sent to all local schools on 16 November 2015 containing a message of reassurance. The Chairman agreed that the violence should be condemned.

In response to questions from Members, the following were among the points made:

1. He acknowledged a comment that role models were needed for young people and highlighted that schools had pupils from all backgrounds, which made it important to work together.
2. He confirmed that he was committed to maintaining the use of CCTV cameras in the City and agreed that a combined approach between organisations should be taken.

**Neighbourhood & Community Services Overview and Scrutiny Committee –
19 November 2015**

3. While some cameras were in the process of being removed, he acknowledged the need for a rationale and that no more should be removed until a clear, integrated model was established.
4. With regard to nervousness within the local Muslim communities and discrimination being experienced by young people, he advised that all Muslim groups within the City had condemned the violence and terrorism.
5. Work was being undertaken with the West Midlands Police Force and Faith leaders, arranging meetings to engage with different communities and listen to their concerns. He advised that Overview and Scrutiny Committee Members would be welcome to attend those meetings.
6. He acknowledged that young people were facing discrimination and bullying because of their faith, as well as their ethnicity, and pointed out that there were not only physical threats, but also dangers in relation to the internet on which awareness needed to be raised.
7. Mashuq Ally, Assistant Director, Equalities, Community Safety and Cohesion, advised that the City Council was working with voluntary organisations to support young people and that a variety of projects had been initiated.
8. The Cabinet Member confirmed that the briefing had been widely circulated, including Youth Centres and Business Improvement Districts and that he would consult with local Councillors before removing CCTV cameras.
9. He accepted concern that Syrian refugees coming to Birmingham should be welcomed and encouraged to integrate. It was taking time to bring them to the City because of background checks and screening that was being undertaken.
10. Work was being undertaken with partner organisations to ensure that refugees' physical and mental needs were catered for when they arrived. The main partners were The Children's Society, Barnados and the University of Birmingham.

The Chairman concluded by thanking Councillor Shah for attending the meeting.

44

RESOLVED:-

That the report and tabled email be noted.

**PROGRESS REPORT ON IMPLEMENTATION: WORKING WITH
COMMUNITIES TO PREVENT RELATIONSHIP VOILENCE**

The following report of the Cabinet Member for Inclusion and Community Safety was submitted:-

Neighbourhood & Community Services Overview and Scrutiny Committee –
19 November 2015

(See document No. 3)

The Chairman welcomed Councillor Mariam Khan, Councillor Sharon Thompson and Mashuq Ally, Assistant Director, Equalities, Community Safety and Cohesion, to the meeting for this item.

With regard to Recommendation 1, Mashuq Ally advised that work was in progress on compiling contact information. Officers had become aware of additional work taking place and that was being added into the details. It was hoped that the faith communities event would be held in January 2016. He undertook to share the Domestic Violence Review timeline with Members after the meeting. Emphasis was needed on integrated work, not working in 'silos', with Members and officers actively working together.

He acknowledged concern that abusers wrecked the confidence of their victims and confirmed that officers were working hard to provide a safe environment to enable victims to come forward. He believed that good progress was being made and advised that work was ongoing to bring perpetrators to account. Councillor Cartwright expressed concern for children affected and suggested that the issue should be raised with District Committees.

It was agreed that Recommendation 1 be assessed as '3' – Not Achieved (Progress Made).

On Recommendations 2 and 3, Mashuq Ally reported that Theme 12 of the School Improvement Plan related to educating children regarding domestic violence and working to prevent it. He noted concern that Service providers, particularly for youth services, should be involved as well as schools and that young people may not view relationship violence as being domestic violence. He noted also the concern that it was important to provide a safe place for discussion and support away from school and family settings. He undertook to take those comments away and ensure that they were addressed. He highlighted projects in progress and advised that he intended to report further to the Committee.

It was noted that the Cabinet Member for Inclusion and Community Safety had advised Members that work was in progress on a statement highlighting safeguarding issues. Concern was expressed that safeguarding work in schools required considerable effort and that teachers needed support to enable to undertake that work effectively. Formal and informal work was needed to enable engagement with all children and young people. Mashuq Ally took those comments on board and advised that during the previous 18 months there had been considerable focus on the teachers' role in safeguarding. With regard to intervention work, he undertook to provide information to Members after the meeting and advised that more and more schools were becoming involved in the programme. A lot more work needed to be done with parents and he would work closely with colleagues in School Improvement.

It was agreed that Recommendations 2 and 3 be assessed as '3' – Not Achieved (Progress Made).

**Neighbourhood & Community Services Overview and Scrutiny Committee –
19 November 2015**

With regard to Recommendation 4, Mashuq Ally advised that a Child Poverty Commission inquiry was taking place at the present time. He advised that “DHR Team” referred to the Domestic Homicide Review Team, which studied Coroner reports and criminal reviews. Members recognised that there had been much progress and that there would always be more to act upon. Mashuq Ally suggested that a new date of March 2016 be agreed as a target for further progress.

It was agreed that Recommendation 4 be assessed as ‘3’ – Not Achieved (Progress Made), with a new target date of March 2016 for further progress.

The Chairman concluded by thanking Councillor Khan, Councillor Thompson and Mashuq Ally for attending the meeting for this item.

45

RESOLVED:-

That the report be noted and the progress against Recommendations be agreed as set out above.

REVIEW OF BIRMINGHAM’S DOMESTIC VIOLENCE STRATEGY 2015

Mashuq Ally, Assistant Director, Equalities, Community Safety and Cohesion, presented the following report and additional paper circulated prior to the meeting:-

(See document No. 4)

Mashuq Ally was accompanied to the meeting by Sam Monnox, Domestic Homicide Review Co-ordinator, who advised that her team ensured that the findings from incidents of domestic homicide and domestic violence were taken on board and acted upon. There were issues around the knowledge and skills of the workforce, which was important in making early interventions. It was a very complex area and there was a need for advice, support and training. Consideration was being given to a framework of workforce development, with joint commissioning. She emphasised the need to have an understanding of coercive control and to have empathy with victims. Mashuq Ally drew attention to key lines of inquiry and progress made. However, it might be necessary to revise the timescale for the work from February to March 2016.

Members welcomed the work undertaken. Councillor Jenkins drew attention to the need to recognise the situation of young people, not just children, affected by domestic violence. She highlighted the problem of gang involvement and how both boys and girls could be victims, which needed to be explored. She referred also to the growing number of boys that were being exploited and were subject to violence. There was a need for multi-agency work and consideration needed to be given to schools’ approach to parents.

Neighbourhood & Community Services Overview and Scrutiny Committee –
19 November 2015

In response to questions from Members, Sam Monnox referred to the Birmingham Safeguarding Board Section 11 audit and the schools domestic violence Section 175 audit. She advised that schools were required to have a domestic violence policy and that the audits informed the Domestic Violence Strategy. She drew attention to the role that the media could play in teenage relationships and advised that consideration was being given to launching a public awareness campaign regarding coercive control. Mashuq Ally advised that the relevant stakeholders were the groups providing advice and support. He noted a request from the Chairman for information regarding the number of multi-agency works in the MASH and undertook to provide that information after the meeting.

46 **RESOLVED:-**

That the report be noted.

NEIGHBOURHOOD AND COMMUNITY SERVICES O&S COMMITTEE
WORK PROGRAMME

The following paper was received:-

(See document No. 5)

The Chairman stated that the next meeting would involve the Neighbourhood Challenge Inquiry.

47 **RESOLVED:-**

That the work programme be noted.

DATES OF MEETINGS

48 It was noted that the Committee meets on the following Thursdays at 1400 hours in the Council House:-

17 December (Room 6)	21 January (Room 6)
18 February (Room 6)	17 March (Room 2)
21 April (Room 6)	

REQUEST(S) FOR CALL IN/COUNCILLOR CALL FOR ACTION/PETITIONS
RECEIVED (IF ANY)

49 The Chairman advised that there had been no requests for call in/councillor call for action/petitions received.

OTHER URGENT BUSINESS

50 No other urgent business was raised.

AUTHORITY TO CHAIRMAN AND OFFICERS

51 **RESOLVED:-**

That in an urgent situation between meetings the Chair, jointly with the relevant Chief Officer, has authority to act on behalf of the Committee.

The meeting ended at 1550 hours.

.....
CHAIRMAN

Neighbourhood Challenge Inquiry

1 Why do a Neighbourhood Challenge Inquiry?

- 1.1 The Constitution, agreed by City Council in May 2015, set out the new duty on District Committees to undertake a “Neighbourhood Challenge”.
- 1.2 Members agreed at their June meeting to undertake a Neighbourhood Challenge Inquiry to see how Districts are progressing with these. This is with a view to establishing what topics are being looked at, what type of issues/problems are being faced, how the districts are avoiding duplication and potential overlaps, both amongst the different districts and between the work of the districts and scrutiny, which local service providers are taking part, whether better partnership working and service integration is being promoted, whether the work is resulting in service improvements and what the other potential outcomes are from this new duty.

2 What work is happening in the Districts?

- 2.1 Below provides a summary of what is happening within the 10 Districts:

District	Description of Neighbourhood Challenge	Current position	Issues
Edgbaston	Health and Well Being Disability Club in Edgbaston	Action based inquiry on how a health and wellbeing disability club can be created using the Harborne Pool and Fitness Centre. Evidence is currently being gathered.	None currently
	Jobs and Skills – focus on local apprenticeships and traineeships targeted at young people not in Education, Employment or Training	Evidence is currently being gathered.	None currently
Erdington	Clean and Green	Key Lines of enquiry (appendix 1) agreed with Councillors and District Committee on 24 Nov 2015. A follow on session is scheduled to take place in December/January 2015. Evidence gathering ongoing.	None
Hall Green	Road Safety and “Twenty is Plenty” Co-produced partnership and behaviour change with residents	Challenge will focus on drawing evidence from residents. Report to be concluded in current municipal year	None
Hodge Hill	Youth Unemployment	No detailed work has commenced but key questions to be identified and the January 2016 District Committee will be	None

District	Description of Neighbourhood Challenge	Current position	Issues
		used to gather evidence.	
Ladywood	To establish the impact that high concentrations of private rented accommodation, HMOs and hostel accommodation have on local communities within the Ladywood District, and explore how this might be better controlled / managed in future.	Key Lines of Enquiry have been agreed (appendix 2). First evidence gathering session and inquiry session held with a further session scheduled for January 2016.	None currently
Northfield	Anti-Social Behaviour	Evidence gathering since September including meetings with key stakeholders (e.g. Police Chief Inspector; chief Executive HEART). District Convention on 22 January 2016 will explore the Neighbourhood Challenge further. Report to District Committee in March 2016.	Ensuring structures/buy in to implement recommendations. As we know with our extensive partnership working experience, engagement with some stakeholders can be difficult to achieve.
Perry Barr	To examine and put in place a series of short and medium term action plan objectives to address (i) barriers with communication, engagement and coordination between education, jobs, skills, training and volunteering providers (ii) To identify and ensure key target 'hard to reach' groups are accessing the multitude of education, jobs, skills, training and volunteering opportunities available in the district.	Challenge agreed, District Jobs and Skills board have commenced with action planning.	Too early in the planning stage to highlight key issues. However the potential loss of the support of our Jobs and Skills contact officer from the employment team will impact greatly on delivery of district jobs and skills plan and the neighbourhood challenge as it has a jobs and skills focus.
Selly Oak	Does the impact of the regeneration currently happening in Selly Oak reach those residents in the District living in Brandwood and Billesley in relation to jobs and skills opportunities.	Agreed at District Committee in Sept. Planning meeting held 11 November 2015 with key stakeholders. Next meeting 8 December 2015.	Keys issue – connectivity both in terms of transport links from across one side of District to another and communication and co-ordination of interventions.
Sutton Coldfield	To identify the services currently available in 3 key areas of the Health agenda, being Obesity, Falls (prevention) and Dementia	Evidence gathering around the 3 key areas ongoing First meeting to be held on 3 February 2016 to agree process/KLOEs going forward. Draft Framework to be agreed (appendix 3).	None currently
Yardley	Youth Employment. Needs clarity about extent of	Evidence gathering underway Meeting with BEP to support this	Access into schools

District	Description of Neighbourhood Challenge	Current position	Issues
	what this really means, does it need to be more focused? i.e. Careers Advice/Job Fairs ? Young people to be able to make informed choices	being arranged. Linked to Jobs and Skills Plan.	

3 How will the Inquiry be done?

- 3.1 Members will be able to explore this further at today's meeting. Cllr Josh Jones, Chair of Erdington District Committee and Gary Ladbrooke, District Head for Sutton Coldfield and Yardley District will be in attendance to discuss their Neighbourhood Challenges.
- 3.2 After this discussion Members need to agree whether they require further evidence gathering and if so, the key lines of enquiry they wish to explore and who they wish to be invited to give evidence.
- 3.3 On the 9th February 2016 the Corporate Resources O&S Committee will be having an evidence gathering session on the new District and Ward Structures. The outcomes of the Neighbourhood Challenge inquiry will complement this and the intention is to take a joint report to City Council on the 5th April 2016 for discussion.

4 What is a Neighbourhood Challenge?

- 4.1 The Constitution, agreed by City Council in May 2015, set out the new duty on **District Committees** to undertake a "Neighbourhood Challenge".
- 4.2 As set out in the constitution, functions delegated to district committees (Executive Members for District) for a Neighbourhood Challenge is:

To advise or make representations to the Council, the Executive or an Overview and Scrutiny Committee on all matters affecting community interests, including the exercise of a "Neighbourhood Challenge" function, working in conjunction with Cabinet Members to provide improved accountability in council and other public services within the district

A duty of "Neighbourhood Challenge" – to investigate, review and gather data on the performance of all local public services, working in a collaborative but challenging way with all service providers and seeking out and promoting new ways of improving services, in conjunction with relevant Cabinet Member(s) as appropriate, including:-

- Approval of grants from the Local Innovation Fund (from April 2016)

- **Bidding for external funding to support neighbourhood and service Improvement**

4.3 In addition as per the constitution the Cabinet Member for Neighbourhood Management and Homes

‘will work with Executive Members for Districts to support their “neighbourhood challenge” role – with the aim of improving the performance of all council services at a local level and promoting partnership working and service integration across the whole public sector on:

Tenant engagement in social housing	Tenant engagement in the management and development of social housing and Housing Liaison Boards.
Neighbourhood Management	Wider council and public sector integration at the local level.
Cleaner Neighbourhoods	Street cleansing, advising the Cabinet Member for Sustainability on neighbourhood issues. Enforcement of legislation relating to litter prevention, fly-posting, placarding, graffiti and fly-tipping.
Pest Control	Provision of the pest control service.
Local Parks and Allotments	Provision, maintenance and usage of local facilities.

5 What isn't a neighbourhood Challenge?

5.1 A Neighbourhood Challenge will not be:

- An alternative to an existing Council complaints system;
- A means to resolve individual casework issues.

Appendix 1

ERDINGTON DISTRICT COMMITTEE - NEIGHBOURHOOD CHALLENGE 2015/16

Topic: Clean & green issues (including wheelie bins)

Key Questions for Challenge Exercise:

1.	<u>Parks & Open Spaces</u>	<u>Who can provide evidence?</u>
a)	Can we evidence standards of cleanliness in Erdington District's parks and open spaces compared to the city average and if possible other local authorities?	BCC parks
b)	What resources (financial & human) are expended on the above? How does that compare to the city average and other local authorities	BCC GM Contractor
c)	Despite limited resources how can we improve standards and improve Erdington resident perceptions of the service?	BCC Fleet & Waste
2.	<u>The District as a place to live, work and shop</u>	BCC Housing Veollia
a)	Can we evidence standards of cleanliness in Erdington District compared to other districts and local authorities in respect to our: <ul style="list-style-type: none"> • Streets • Local shopping centres • Local car parks • Industrial units • Housing owned land 	Env Quality Surveys
b)	What resources (financial & human) are expended on the above in Erdington District and how does that compare to the city average and if possible to other local authorities?	Env Health Officers
c)	Despite limited resources how can we improve standards and improve Erdington resident perceptions of the service?	Ward Committees HLBs
3.	<u>Refuse Collection & Recycling</u>	Residents groups KRT
a)	What are the current recycling rates across Erdington District for: <ul style="list-style-type: none"> • Paper/cardboard • Multi materials • Garden / green waste <p>Have these rates improved (or not) since the introduction of wheelie bins?</p>	WLCA
b)	What are the current levels of residual waste disposal (landfill) for Erdington District and have the levels improved (or not) since the introduction of wheelie bins?	CVCHA / Pioneer Forest Schools / KFC
c)	What resources (financial & human) are expended on the above in Erdington District and how does that compare to the city average and other local authorities?	Other third sector
d)	What are the current levels of Erdington residents satisfaction with the refuse collection service and has this improved (or not) since the introduction of wheelie bins	Friends of groups
e)	How can we further raise standards on recycling and improve Erdington residents perceptions of refuse collection service?	BOSF
		Place managers
		Schools Resident survey

Appendix 2

Ladywood District Committee Neighbourhood Challenge: Project Brief Private Rented Sector Project

1. Lead Member

As agreed at the Ladywood District Committee meeting on 21 July 2015, the Committee's lead member for Housing matters is Councillor Carl Rice.

2. Purpose

To establish the impact that high concentrations of private rented accommodation, HMOs and hostel accommodation have on local communities within the Ladywood District, and explore how this might be better controlled/managed in future

3. Outcome

A shared understanding amongst local stakeholders about the issues created by specific housing tenures and the powers available to the City Council to control the patterns of housing tenure in an area; and a commitment amongst relevant agencies to work in a co-ordinated manner to manage/respond to the impact in local neighbourhoods.

	Key Lines of Enquiry	Who Can Provide	How/When
1	To review the patterns of housing tenure and type in the District, and identify how they may differ from the rest of the City and other urban areas	BCC Housing Strategy	District Committee 10 November
2	To understand the powers and mechanisms available to the Council to manage and control the number or concentration of a) private rented accommodations b) Houses in Multiple Occupation (HMOs) or c) hostel type accommodation in any given area, and consider whether these are being deployed to best effect within Ladywood District And To consider what means are available to the Council and other stakeholders to secure more balanced patterns of tenure in localities	BCC Private Rented Sector Housing Planning & Regulation Homeless Team	District Committee 10 November
3	To understand the views and concerns of local residents with regard to the impact of private rented accommodation, HMOs and hostel accommodation and To establish in which specific streets/neighbourhoods within the District there is perceived to be a particular problem	Residents Ward Councillors	General Call for Evidence to known Residents Associations and Forums Ward Forum Discussions Autumn 2015 District Committee 14 January 2016
4	To establish if there is evidence to support the perception that there is a correlation between	Neighbourhood Policing Teams	District Committee 14 January 2016

	Key Lines of Enquiry	Who Can Provide	How/When
	different types of housing and specific social/community issues such as anti-social behaviour or the condition of shared public space	BCC Regulatory Services BCC Private Rented Sector	
5	To establish with local stakeholders and partner organisations if there are common concerns arising from concentrations of particular types of housing, and what opportunities there may be for more co-ordinated responses to these	Registered Social Landlords Private Landlord Forum Representative Neighbourhood Policing Teams Homeless Support (BCC and Third Sector) Registered Providers & Third Sector "Supporting People" BCC O&S Report "Homeless Health" 7 July 2015	General Call for Evidence District Committee 14 January 2016 Review of Case Study (Soho)
6	To establish whether there are any policies or procedures that could be adopted by the Council that could improve the position and/or if the Council should be recommended to make representations to national government for new/additional powers	Cabinet Member University	14 January 2016

Connect...

With the people around you. With family, friends, colleagues and neighbours. At home, work, school or in your local community. Think of these as the cornerstones of your life and invest time in developing them. Building these connections will support and enrich you every day.

Be active...

Go for a walk or run. Step outside. Cycle. Play a game. Garden. Dance. Exercising makes you feel good. Most importantly, discover a physical activity you enjoy and that suits your level of mobility and fitness.

Take notice...

Be curious. Catch sight of the beautiful. Remark on the unusual. Notice the changing seasons. Savour the moment, whether you are walking to work, eating lunch or talking to friends. Be aware of the world around you and what you are feeling. Reflecting on your experiences will help you appreciate what matters to you.

Keep learning...

Try something new. Rediscover an old interest. Sign up for that course. Take on a different responsibility at work. Fix a bike. Learn to play an instrument or how to cook your favourite food. Set a challenge you enjoy achieving. Learning new things will make you more confident as well as being fun.

Give...

Do something nice for a friend, or a stranger. Thank someone. Smile. Volunteer your time. Join a community group. Look out, as well as in. Seeing yourself, and your happiness, as linked to the wider community can be incredibly rewarding and creates connections with the people around you.

Sutton Coldfield District Health and Wellbeing Strategy 2015/16

Vision

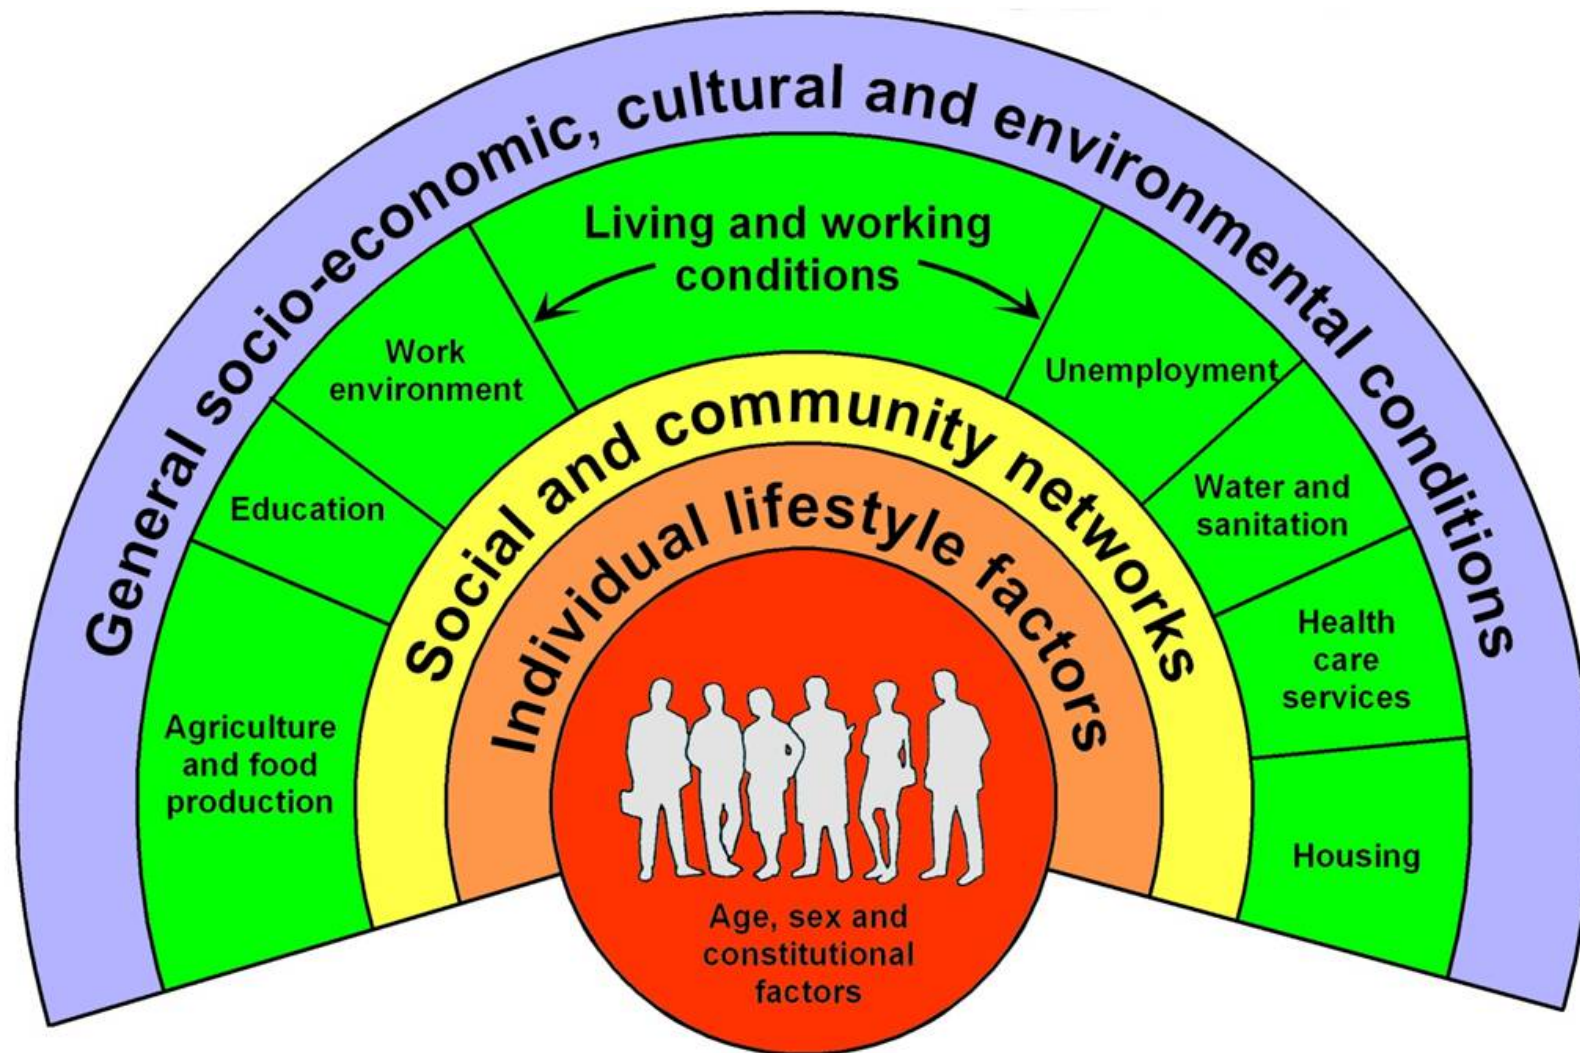

Sutton Coldfield district is a district that will focus on providing its residents with equitable access to and uptake of opportunities that are provided by the integrated health and social care system of Birmingham, it will ensure that local co-production provides services specific to local needs. The district will also focus on ensuring that the most vulnerable individuals and groups are a priority.

Priorities: Excess Weight; Falls Prevention; Dementia; Healthy Weight

Aims

- Improve the resilience of our communities and people, recognising that the wider and social determinants are key
- Improve the uptake of citywide health and wellbeing services; improve the health and wellbeing of our most vulnerable residents

Themes	Objective	Outcome	Sample Actions	Measure	Target
<p>The overarching priority for this strategy is to identify and create opportunities that allow residents to:</p> <p>Start Well</p> <p>Live Well</p> <p>and Age Well.</p>	<p>A health theme group which uses its overview and scrutiny functions, and can routinely use its abilities to identify opportunities, provide solutions and create sustainably with specific reference to improving the health and wellbeing of the residents of Sutton Coldfield</p>	<ul style="list-style-type: none"> • Improve mechanisms for 'getting things done'. • Common approaches • Support people to start well, live well, and age well. • Increase the awareness of the wider and social determinants of health • Being a champion for co-production between services 	<ul style="list-style-type: none"> • Develop a set of milestones and a dashboard for monitoring performance • Review the opportunities for interventions within Sutton Coldfield district • Invite other thematic groups to share their work to consider joined up approaches and co-production • Hold a health summit for Sutton Coldfield district to bring together stakeholders 	<ul style="list-style-type: none"> • Strategic group utilising overview and scrutiny functions established • Clearly defined plan and milestones for achieving the objectives • Opportunities for common approaches identified • Common approaches established 	<ul style="list-style-type: none"> • Established • Milestones achieved • Approaches in place • Annual summit
	<p>To create a district which uses the five-ways-to-wellbeing to provide opportunities for being connected, being active, taking notice, keeping learning, and giving.</p> <p>Create a dementia friendly district</p>	<ul style="list-style-type: none"> • Improving common approaches to promoting positive mental wellbeing and reducing mental ill health • Support people of all ages to improve their mental wellbeing and reduce mental ill health 	<ul style="list-style-type: none"> • Mapping organisations, priorities and groups • Hold a five-ways-to-wellbeing workshop • Implement the guidance for promoting the five-ways-to-wellbeing • Transformation of approach to working with partners and providers 	<ul style="list-style-type: none"> • Opportunities for common approaches identified • Clearly defined approach to implementing the five-ways-to-wellbeing • Common approaches established 	<ul style="list-style-type: none"> • Established and maintained • Established and rolled out • Established and maintained
	<p>To work with partners to develop ways to maximise the uptake of lifestyle services, especially with reference to reducing falls and excess weight.</p>	<ul style="list-style-type: none"> • Improve access to treatment and prevention services • Improve opportunities for prevention • Improve awareness of, and access to lifestyle services • Improve co-production of localised services 	<ul style="list-style-type: none"> • Stakeholder workshop • Systematic approach to accessing treatment services • Identify opportunities for increasing access to, & uptake of the NHS Healthcheck • Responding to planning applications 	<ul style="list-style-type: none"> • Opportunities for common approaches identified • Common approaches established • Routine approach 	<ul style="list-style-type: none"> • Established and maintained • Established and maintained • Established and maintained

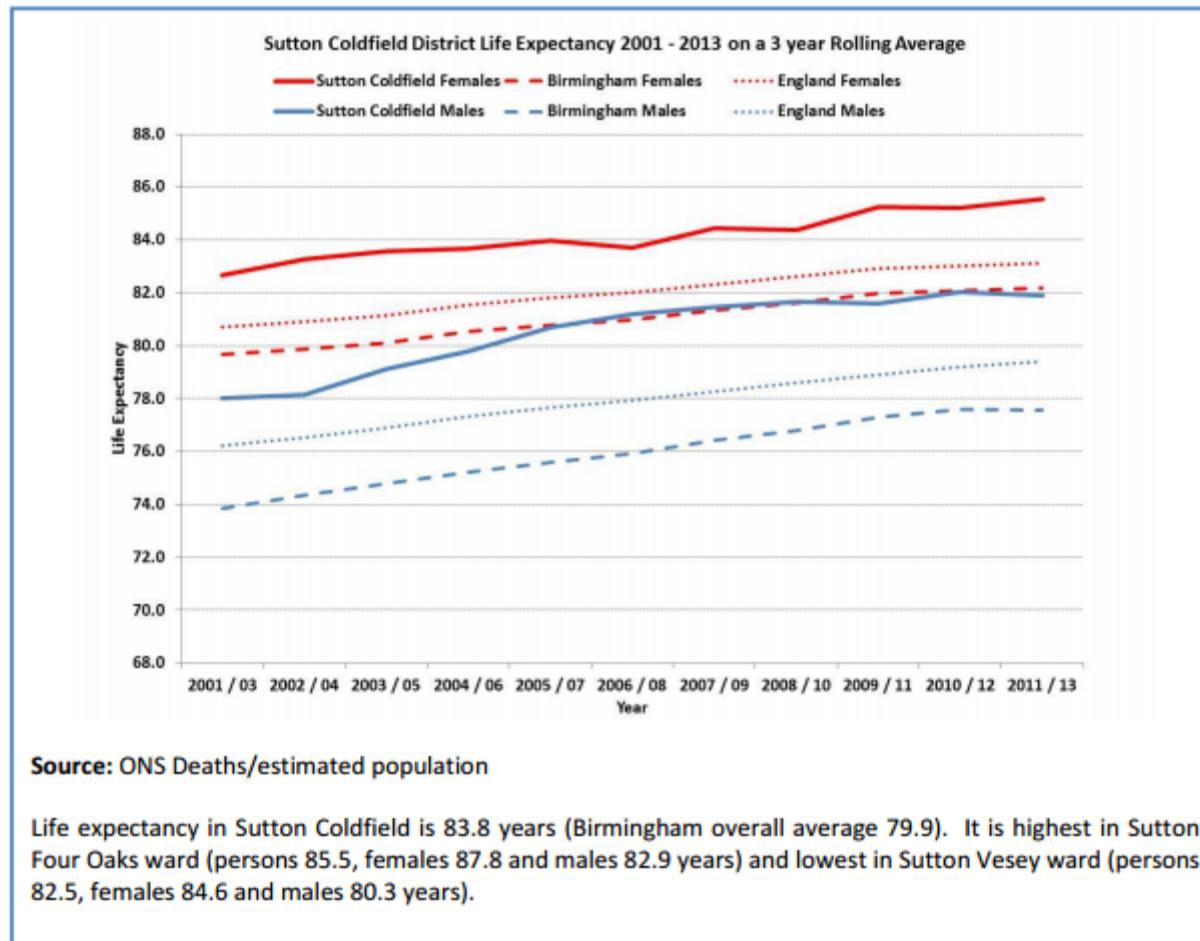

Source: Dahlgren and Whitehead, 1991

This is a strategy that will focus on the wider and social determinants of health. As you can see from the diagram above, the determinants of health are inextricably linked to one-another. It is not as simple as having a balanced and nutritious diet and being physically active. Access to employment, healthy environments, good quality housing, a good education and health-care services are all part of the bigger picture.

The overarching drivers for this strategy are simple: the main driver is an established health theme group for Sutton Coldfield District. This will be a *'doing group'*, one that uses its overview and scrutiny function and engagement with experts in the field of health and wellbeing to bring services and opportunities to Sutton to create better health outcomes for all. A solid relationship with our falls prevention and dementia commissioners and providers to consider prevention and treatment services is necessary, as is a commitment to creating a thriving district based on the principles of the five-ways-to-wellbeing.

LIFE EXPECTANCY

Page 21 of 50
Here is the link to the full Sutton Coldfield Health Profile:

<http://birminghampublichealth.co.uk/page.php?pid=248&mid=216>

YEARS OF LIFE LOST

Overall Birmingham has a lower life expectancy than the average for England. The major causes of this gap, in terms of years of life lost up to the age of 75, have been identified for a city as a whole. The impact of each of these on individual districts has also been calculated. These have been displayed below in a "Scarf Chart". This shows the percentage that each of these conditions makes to the difference between both the district and the overall average for England. The corresponding chart for the city compared to England is also shown. In the table, a positive figure indicates that more years of life have been lost than would be expected, a negative figure indicates that less have been lost. Negative figures do not appear in the chart itself.

Crude prevalence of diabetes, mental health conditions, dementia and depression, Quality Outcomes Framework

The spine chart to the left is a graphical interpretation of the position of Erdington district according to important health indicators. The chart shows Sutton Coldfield's value (shown by a coloured circle) against the spread of values for all Birmingham districts (the grey horizontal bars) compared to a benchmark of either the England or Birmingham average (the central black line). The circle for Sutton Coldfield is coloured red for those indicators where Sutton's value is significantly worse than the benchmark, green for indicators where Sutton Coldfield is significantly better than the benchmark and amber where it is similar to the benchmark. In addition, some indicators are coloured light or dark blue. These are indicators where a value judgement cannot be made about whether a high value is good or bad. For example a high diabetes prevalence may indicate poor levels of health in the case of high numbers of people with diabetes; alternatively, it could indicate good performance in primary care if GPs are good at identifying and recording cases of diabetes.

Five Ways to Wellbeing

What are the “*Five-Ways-to-Wellbeing?*”

The Five Ways to Wellbeing are a set of evidence-based public mental health messages aimed at improving the mental health and wellbeing of the whole population. They were developed by NEF as the result of a commission by Foresight, the UK government’s futures think-tank, as part of the Foresight Project on Mental Capital and Wellbeing.

The ***Five Ways to Wellbeing*** are a set of evidence-based actions which promote people’s wellbeing. They are: **Connect, Be Active, Take Notice, Keep Learning** and **Give**. These activities are simple things individuals can do in their everyday lives.

The Five Ways to Wellbeing were developed by the New Economics Foundation (NEF) from evidence gathered in the UK government’s Foresight Project on Mental Capital and Wellbeing. The Project, published in 2008, drew on state-of-the-art research about mental capital and mental wellbeing through life. It asked NEF to develop the Five Ways to Wellbeing to communicate its key findings.

The Five Ways have been used by health organisations, schools and community projects across the UK and around the world to help people take action to improve their wellbeing. They’ve been used in lots of different ways, for example to get people to start thinking about wellbeing, to develop organisational strategy, to measure impact, to assess need, for staff development, and to help people to incorporate more wellbeing-promoting activities into their lives.

Five Ways to Wellbeing

Connect...

With the people around you. With family, friends, colleagues and neighbours. At home, work, school or in your local community. Think of these as the cornerstones of your life and invest time in developing them. Building these connections will support and enrich you every day.

Be active...

Go for a walk or run. Step outside. Cycle. Play a game. Garden. Dance. Exercising makes you feel good. Most importantly, discover a physical activity you enjoy and that suits your level of mobility and fitness.

Take notice...

Be curious. Catch sight of the beautiful. Remark on the unusual. Notice the changing seasons. Savour the moment, whether you are walking to work, eating lunch or talking to friends. Be aware of the world around you and what you are feeling. Reflecting on your experiences will help you appreciate what matters to you.

Keep learning...

Try something new. Rediscover an old interest. Sign up for that course. Take on a different responsibility at work. Fix a bike. Learn to play an instrument or how to cook your favourite food. Set a challenge you enjoy achieving. Learning new things will make you more confident as well as being fun.

Give...

Do something nice for a friend, or a stranger. Thank someone. Smile. Volunteer your time. Join a community group. Look out, as well as in. Seeing yourself, and your happiness, as linked to the wider community can be incredibly rewarding and creates connections with the people around you.

Life expectancy

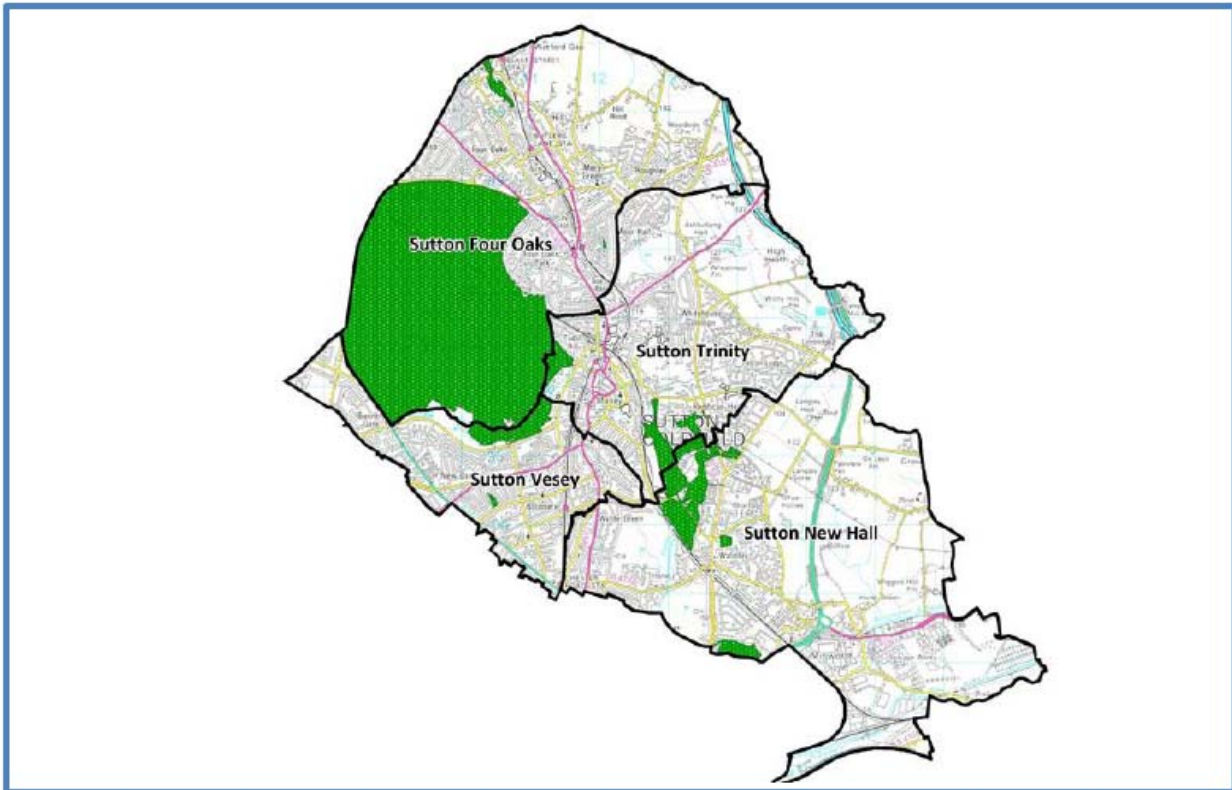

Rate at birth
(2007/09)
Birmingham
Mean: 79

Within only **eight stops** you can
shave nine years off the average
life expectancy of a citizen.

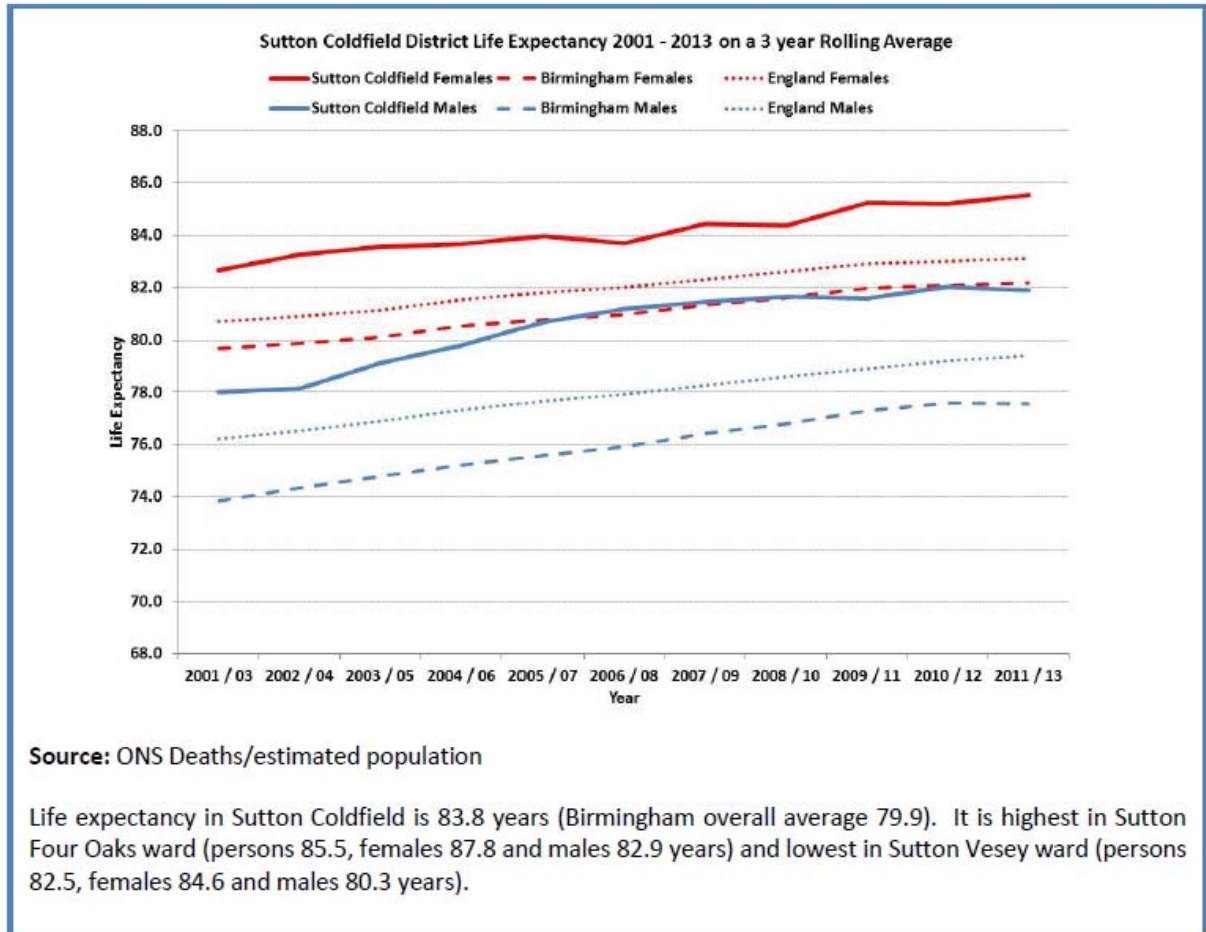

This is a **great opportunity** to challenge the way in which we currently do things, but only if we are willing to change, willing to think differently, and willing to work towards and implement sustainable solutions

**Key information:**

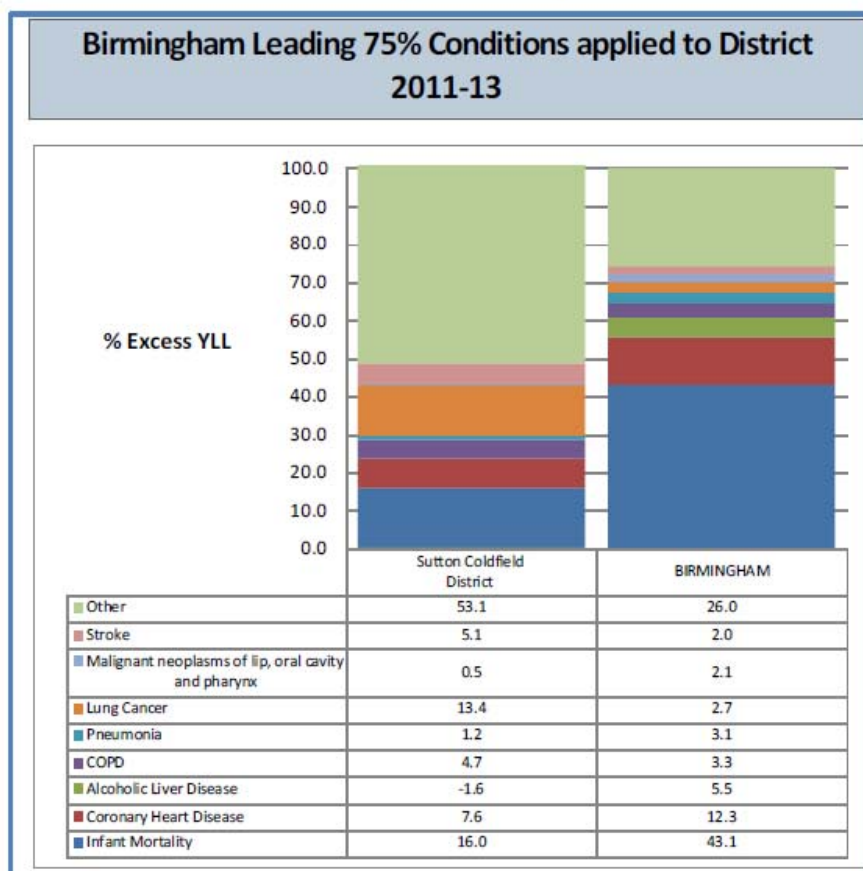

- In 2013 the estimated population of Sutton Coldfield district was 94,679 people; this represents 8.9% of Birmingham's population. 78.8% of the district's population are under 65 (87% Birmingham, 82% England).
- 1.8% of Sutton Coldfield's population fall within the most deprived 20% of areas in England.
- Life expectancy for Sutton Coldfield district males was 81.9 years (Birmingham 77.6, England 79.4) and females were 3.6 higher at 85.5 years (Birmingham 82.2, England 83.1).
- During 2011/13 Sutton Coldfield district's under 75 death rate was 22% lower than the rate for England (Birmingham was 23% higher than England).
- Unlike all other districts, infant mortality is lower than the national rate at 1.8 per 1,000 live births during 2011/13; this compares to 4.0 nationally and 7.4 for Birmingham
- The 2011 census showed that 11.3% of the district's population is made up of BME groups (42.1% Birmingham, 15% England).

LIFE EXPECTANCY

YEARS OF LIFE LOST

Overall Birmingham has a lower life expectancy than the average for England. The major causes of this gap, in terms of years of life lost up to the age of 75, have been identified for a city as a whole. The impact of each of these on individual districts has also been calculated. These have been displayed below in a “Scarf Chart”. This shows the percentage that each of these conditions makes to the difference between both the district and the overall average for England. The corresponding chart for the city compared to England is also shown. In the table, a positive figure indicates that more years of life have been lost than would be expected, a negative figure indicates that less have been lost. Negative figures do not appear in the chart itself.

*Indicators have no polarity - it cannot be determined whether a high value indicates good or poor performance
 **Any differences between numbers on wards and districts are due to 'rounding' by DWP

Key Priority A for Sutton Coldfield district: EXCESS WEIGHT (Child Health)

Excess weight (overweight and obesity) in children often leads to excess weight in adults, and this is recognised as a major determinant of premature mortality and avoidable ill health.

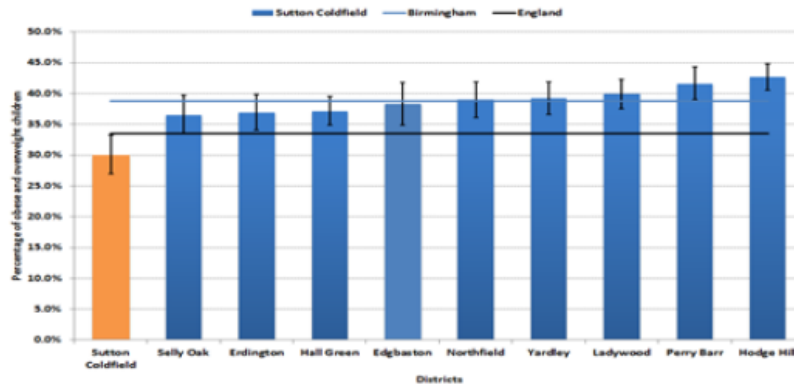

Key evidence: NICE Clinical Guidance 43: Obesity (2010)

Figure 1: Excess Weight in Reception broken down by district (district is highlighted in orange and the black bold horizontal line represents the Birmingham average for 2013/14)

Source: National Child Measure Programme

Figure 3: Child excess weight, Reception and Year 6 : trend 2010/11 to 2013/14

Source: National Child Measurement Programme

Figure 4: Birmingham ward map of excess weight by Reception and Year 6 2013/14

Key Priority B for Sutton Coldfield district: OLDER ADULT HEALTH AND WELL BEING

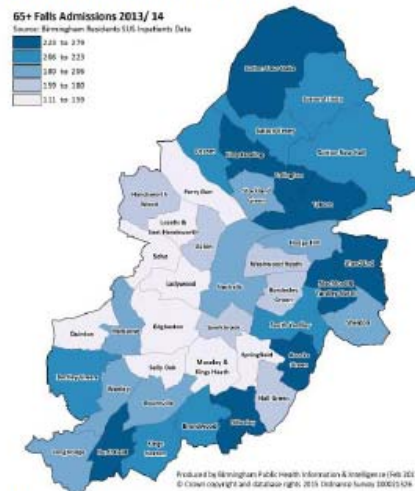

30% of people over 65 years old and 50% of those over 80 fall at least once a year, costing the NHS and estimated £2.3 billion annually.

Example Actions:

- Establish and promote a falls prevention service (e.g. Home hazard service)
- Work with stakeholders to ensure fall prevention information reaches people who are at risk of falling, and their carers
- Consider funding a falls prevention co-ordinator/champion

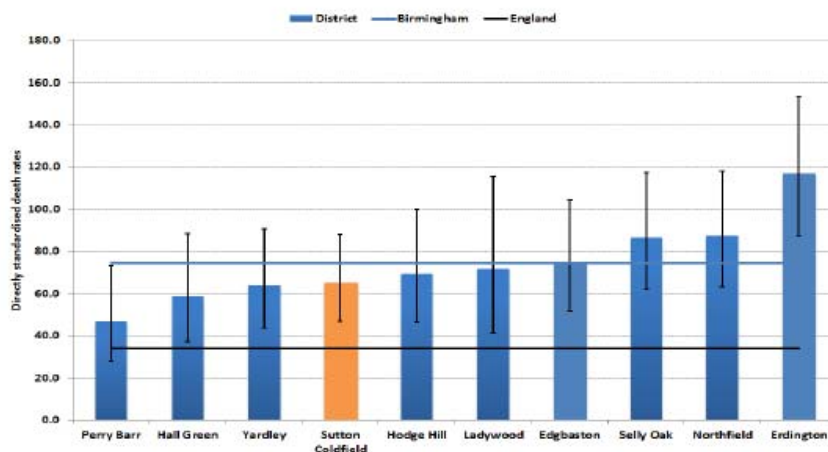

Key evidence: NICE Clinical Guidance 161: Falls: assessment and prevention of falls in older people (2013)

Figure 5: Admissions rates per 100,000 for falls (65+) 2013/14

Source: SUS Midlands and Lancashire CSU

Figure 6: Directly standardised death rates per 100,000 from accidental falls (65+) 2011/13 (district in orange)

Key Priority C for Sutton Coldfield district: DEMENTIA PREVENTION AND MANAGEMENT

Almost two thirds of people with dementia say they are suffering from feelings of depression, loneliness or anxiety. Economically the condition cost the UK an estimated £23 billion a year.

Example actions:

- Support local awareness-raising campaigns in schools, libraries, community organisations, and building on existing National Awareness Raising Programmes.
- Work with stakeholders to reduce vascular and other modifiable risk factors for dementia in middle-aged and older people (for example – smoking, excessive alcohol consumption, obesity, diabetes, hypertension and raised cholesterol)
- Work with stakeholders to ensure that local care homes are compliant with all health and care regulation and are fit for purpose in delivering high quality personalised services to people with dementia.

Key evidence: NICE CG42 Supporting people with dementia and their carers in health and social care

Figure 10: Prevalence of Dementia 2013/14 (district in orange)

Source: Quality Outcomes Framework 2013/14

QOF disease prevalence data is collected for GP practices only. Prevalence percentages and 95% confidence intervals for districts are estimated by calculating weighted averages according to the geographical distribution of the whole practice population.

POVERTY

8.5% of Sutton Coldfield's children were living in poverty during 2012. This was compared to a Birmingham average of 29.9% and 19.2% for England. Ladywood district (38.3%) had the highest percentage in Birmingham during 2012 (Department of Works and Pensions, 2012).

PRIMARY CARE

All practices fall within Birmingham Cross City CCG.

HOUSING

74.3% of private sector dwellings in Sutton Coldfield passed the decent homes standard (2010 Private Sector Stock Condition Survey). And 12.7% of households are in fuel poverty (2010 Department of Energy and Climate Change).

ECONOMIC

Unemployment levels are 1.2% (6.5% Birmingham average); highest levels are in Sutton Trinity (1.6%). (BCC/ONS/NOMIS – January 2015). Sutton Coldfield is the most affluent district in the city with high levels of household income and low levels of unemployment.

SATISFACTION

94.3% of people living in Sutton Coldfield are either fairly or very satisfied with living in the local area (Birmingham average 86.5%), (Birmingham opinion survey Nov 2013 to Oct 2014).

EQUALITY AND SOCIAL INCLUSION – Theme 12

Dr Mashuq Ally, Assistant Director, Equalities, Community Safety & Cohesion

Razia Butt, Schools Resilience Adviser

Social Inclusion Process

Seven recommendations of Giving Hope, Changing Lives

1. *Support families and children out of poverty*
2. *Embrace super diversity*
3. *Protect the most vulnerable*
4. *Connect people and places*
5. *Create a city that values children and young people*
6. *Empower people to shape their neighbourhood*
7. *Address safety, isolation and loneliness*

EQUALITY AND SOCIAL INCLUSION – Theme 12

Birmingham’s approach to community cohesion means working towards a society in which strong and positive relationships exist and continue to be developed in schools, in the workplace and in the wider community.

This is achieved through shared values:

- valuing democracy
- rule of law
- individual liberty
- valuing diversity; tolerance and mutual respect
- promotion of equal opportunities and challenging discrimination

- Overarching **Curriculum Statement** to include Birmingham School Values, legislation, the voice of the child, entitlements for all our children
- **Participation** of children and young people at centre
- **Equalities and Cohesion** Toolkit
- **UNICEF** Rights Respecting School Award
- Matrix of resources including assemblies, lesson plans, **Education Trip Adviser** where resources are reviewed and recommended by Birmingham schools

Working Together to Safeguard Children

March 2015

HM Government

Working together to safeguard children

A guide to inter-agency working to
safeguard and promote the welfare of
children

March 2015

- **Safeguarding is everyone's responsibility.**
- No single professional can have a full picture of a child's needs and circumstances and if children and families are to receive the right help at the right time,
- **Everyone** who comes into contact with them has a role to play in identifying concerns, sharing information and taking action.

Equality Duty

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all protected characteristics between people who share a protected characteristic and people who do not share it

Challenges

Risk aversion following Paris attacks

Increase in hate crime

Risk of radicalisation

Opportunities

Equalities and Cohesion across directorates

Prevent Duty

Safeguarding

Teaching Schools

Neighbourhood and Community Services Overview and Scrutiny Committee Work Programme 2015/2016

Chair:	Cllr Zafar Iqbal
Committee Members:	Cllrs Gurdial Singh Atwal, Andy Cartwright, Roger Harmer, Kath Hartley, Kerry Jenkins, John Lines, Ewan Mackey, David Pears, Eva Phillips, Sybil Spence and Elaine Williams.
Officer Support	Scrutiny Team: Rose Kiely (303 1730) and Amanda Simcox (675 8444) Committee Manager: Marie Reynolds (464 4104)

1 Meeting Schedule

Date / Start at 2pm	What	Attendees/ Officer Contact
25 June 2015 Committee Room 6	Informal meeting: Work Programme Discussion	Emma Williamson Mashuq Ally, AD Equalities, Community Safety & Cohesion Joyce Springer-Amadedon Chris Jordan
30 July 2015 Committee Room 6	Introduction to portfolio: <ul style="list-style-type: none"> Place Directorate – to include: <ul style="list-style-type: none"> Private rented sector Lifespan of tower blocks Community Safety & Cohesion 	Rob James, Director, Housing Transformation Joyce Springer-Amadedon, Equality & Community Engagement Manager
17 September 2015 Committee Room 6	<ul style="list-style-type: none"> Tracking: Working with Housing Associations Cabinet Member for Neighbourhood Management and Homes 	Jonathon Driffill, Chair of BSHP, Rob James & Anne-Marie Powell Cllr John Cotton/Marcia Wynter
15 October 2015 Committee Room 2	<ul style="list-style-type: none"> Birmingham: where the world meets - Tracking Report recommendation 1 & 8; and: <ul style="list-style-type: none"> Rec 9: Cabinet Member for Skills, Learning and Culture to report back on the Birmingham Heritage Week (10 – 17 Sept) Prevent Programme The operational roll out of wheeled bins (in particular Sutton Coldfield) 	Alison Harwood & Mashuq Ally Cllr Penny Holbrook / Jon Lawton Mashuq Ally Penny Smith, Programme Director & Matt Kelly, Assistant Director FWM (Ops)

Date / Start at 2pm	What	Attendees/ Officer Contact
19 November 2015 Committee Room 1	<ul style="list-style-type: none"> • Cabinet Member for Inclusion and Community Safety • Tracking: Working with Communities to Prevent Relationship Violence • Update on the Review of the Domestic Violence Strategy 	Cllr Shafique Shah / Marcia Wynter Cllr Mariam Khan & Mashuq Ally Mashuq Ally & Sam Monnox
17 December 2015 Committee Room 6	<ul style="list-style-type: none"> • Neighbourhood Challenge Inquiry: District Chair for Erdington in attendance • Progress on Equalities and Social Inclusion. To include a presentation / information on the work being done in schools 	Cllr Josh Jones & Gary Ladbrooke Mashuq Ally, AD Equalities, Community Safety & Cohesion

2 Outstanding Tracking Reports

Inquiry	Member who led the Inquiry	Recommendations Outstanding	Date
Birmingham: Where the world meets	Cllr Waseem Zaffar	Recommendations 1, 8 and 9.	Completed 15 Oct 2015
Working with Communities to Prevent Relationship Violence	Cllr Mariam Khan	Recommendations 1 (encourage community led preventative approach) 2 (Review DV Strategy) and 3 (encourage schools and educational establishments to take a 'whole school approach' to children and young people developing positive relationships and providing guidance).	17 Mar 2016
Working with Housing Associations	Cllr Majid Mahmood	Recommendations 1, 4, 5, 6, 7, 8 and 9.	Completed 17 Sep 2015
Health of Birmingham's Third Sector	Cllr Majid Mahmood	Recommendation 1: A thorough and detailed mapping exercise of all third sector provision is undertaken. To be provided: A final report giving an overview (to familiarise the NCS Committee) of how the approach to Rec 1 has been revised over the years as resources have fallen (an approach agreed to by the PCP&TS Committee) together with the detail/analysis.	21 Jan 2016

3 Inquiry Schedule

Inquiry – Neighbourhood Challenge¹

Date	Item
17 December 2015 / January 2016	Committee Agree Terms of Reference & Evidence Gathering
9 February 2016	Corporate Resources O&S Committee's Evidence Gathering Session re: the new District and Ward Structures
18 February 2016	Neighbourhood and Community Services O&S Committee's Evidence Gathering Session (if further evidence is needed)

¹ Neighbourhood Challenge – to investigate, review and gather data on the performance of all local public services, working in a collaborative but challenging way with all services providers and seeking out and promoting new ways of improving services.

w/c 29 February 2016	Committee agree the draft report and send to the Executive for comments (8 day rule)
17 March 2016	Committee agree the final report
5 April 2016 (deadline for send out is 22 March 2016)	City Council

4 Other Meetings

Call in Meetings

None scheduled

Petitions

None scheduled

Councillor Call for Action requests

None scheduled

Neighbourhood Challenge

None scheduled

It is suggested that the Committee approve Thursday at 1400 as a suitable day and time each week for any additional meetings required to consider 'requests for call in' which may be lodged in respect of Executive decisions etc.

5 Forward Plan for Cabinet Decisions

The following decisions, extracted from the Cabinet Office Forward Plan of Decisions, are likely to be relevant to the Neighbourhood and Community Services O&S Committee's remit.

ID Number	Title	Cabinet Member	Proposed Date of Decision
000729/2015	The Way Forward for Advice and Information Services	Inclusion and Community Safety	26 Jan 16
000542/2015	Policy for the Use of Private Rented Sector to Meet Housing Needs	Health & Social Care	16 Feb 16
