1 EXECUTIVE SUMMARY

1.1 This report provides an update to the Review of Licensing and Public Protection Fees and Charges 2024/25 report dated 17 January 2024 in relation to the fees and charges for civil registrations.

2 COMMISSIONERS' REVIEW

2.1 This section, as confirmed by the Lead Commissioner, is not required for reports submitted to Licensing and Public Protection Committee.

3 RECOMMENDATIONS

That the Committee:

3.1 Note the contents of this report which is for information only.

4 KEY INFORMATION

Context

- 4.1 There are a number of fees and charges applied by the Register Office that are governed by statute and were not reviewed in the report to the LPPC in January 2024
- 4.2 The General Register Office (GRO) has been conducting a review of statutory fees.
- 4.3 On 7th May 2024 the General Register Office issued a Circular to all civil registration Districts, to give notification that The Registration of Births, Deaths, Marriages and Civil Partnerships (Fees and Records) (Amendment) Regulations 2024 had been laid before Parliament and would come into force on 28th May 2024, (Appendix A).
- 4.4 The Regulations will increase several civil registration fees as set out in Appendix B - Circular Annex A, which lists the current fees and the new fees as of 28 May 2024.

5 IMPACT AND IMPLICATIONS

Finance

Using 2023-24 figures as a baseline it is estimated that the fee increases will generate approximately £160k additional income for the Service during 2024-25 from the equivalent range of statutory registration services.

- 5.2 With the opening of the new maternity and critical care units at the Midland Metropolitan University Hospital in Sandwell, expected to commence operating in November 2024, there is likely to be a reduction in the number of birth and death registrations by Birmingham Register Office. It is anticipated that the new hospital will manage around 800-900 deaths and approximately 3000 4000 births.
- 5.3 If this reduction in registrations does occur as predicted, then there is likely to be a reduction in income of around £80,000 per annum. Therefore, the net increase in income in a full year is only expected to be £120,000 for 2025/26 onwards.

Legal

The fees are statutory and are set by legislation so there is a legal requirement to implement them in accordance with the Registration of Births, Deaths, Marriages and Civil Partnerships (Fees and Records)(Amendment) Regulations 2024

Equalities

5.5 This is a statutory fee and there are no specific implications identified.

General Register Office

PO Letter 04/2024

7 May 2024

Dear Proper Officer,

Please read in conjunction with Circular 7/2024.

Revised Civil Registration Fees

On 7 May 2024, The Registration of Births, Deaths, Marriages and Civil Partnerships (Fees and Records) (Amendment) Regulations 2024 were laid in Parliament and will come into force on 28 May 2024. The Regulations will increase some civil registration fees.

The full list of fee increases for the local registration service is set out in an annex to this letter. The fees reflect inflationary increases and move some fees, such as for certificates, to recover full costs. The same increase has been applied to fees for services provided by GRO. For services relating to marriages and civil partnerships, additional increases have been applied to reflect that those fees have not been increased for some time.

Whilst information to the public (including publicity materials) will be provided at the time of the fee changes, advance notice is being provided to local authorities to allow sufficient lead time to update websites and any financial systems for 28 May 2024.

A detailed **Q and A** is enclosed with this letter and Circular in case of enquiries by the public in advance of this date. Any press or media queries should be directed to the Home Office, Press Office tel: 0300 123 3535

Yours faithfully,

LRS Circular and PO letter Q&A - Revised fees May 2024

Q1. When are fees increasing?

The revised fees will be implemented from 00:01am on 28 May 2024

Q2. Why are fees increasing?

Revised fee levels will enable the Local Registration Service (LRS) to reflect the increased cost in registration services they provide.

Q3. What will the statutory fees be?

A full list of LRS fees is set out in an annex to this document.

Q4. Why are some fees increasing more than others?

Some fees relating to marriage and civil partnership services provided by the LRS have not seen an increase since 2010. The additional increase to fees for these services will move them closer to levels to recover the full costs of providing them.

Q5. When will customers be told about the fee changes?

The public will be made aware of the changes on 28 May 2024

Q6. Why the delay in-between publicising the fee increases to the public?

It is practice to fully inform customers at the time of actual price changes, once the new fees come into force. There will be appropriate publication of the new fees in due course.

Q7. What if we receive any queries from customers before Go live date?

You can advise the customer of the fee changes, which will apply from 28 May 2024. If you receive enquiries from the media or press, then please direct them to Home Office Press Office tel: 0300 123 3535

Q8. Are fees increasing at GRO?

Yes. Fees for services provided by GRO will increase by the same level as those for the LRS.

Q9 Are licence fees taken on behalf of the Registrar General also increasing?

Yes, details of the fee are set out in Regulation 3A of the amending regulations and set out in **Table 1** below. These fees will continue to form part of the end of year reconciliation process.

Table 1

Category	Revised fee	Retained	Transmitted to GRO
Α	£99	£35	£64
В	£83	£31	£52
С	£66	£22	£44
Registrar General's Licence	£18		

Q10 How have the fees been calculated?

Fees increases have taken into account recent inflationary increases in costs. They are informed by the annual income and expenditure tool returns from the LRS.

Q11 What do we do if a fee has been charged pre-increase in advance of a service to be provided after the regulations come into force?

Fees should not usually be charged in advance of a service provided. However, in circumstances such as an application made for a certificate being made prior to the fee increase but only produced after 28 May, the current £11/£35 fee should be charged. A new Regulation 8 provides for this transitional protection.

Q12 Why is there a fee for the short death certificates as it is not yet available to issue?

The regulations provide for fees to be charged for short death certificates as and when they are introduced as part of the Death Certification Reforms. This provision negates the need to provide for further fee regulations at that time.

For revised GRO certificate fee enquires in advance of 28 May 2024, please direct the public to telephone GRO on 0300 123 1837. For enquires after 28 May 2024, revised GRO fees will be on GOV.UK.
