

Birmingham City Council

Report to Cabinet

14 May 2024

Subject: Non-key Decision Planned Procurement Activities (June 2024 – August 2024)

Commissioner Review

RoleMapper software is critical to the redefinition of roles as part of resolving BCC's equal pay issues. The contract is for 1 year, plus a further year if required. The equal pay issues must be rapidly and accurately resolved therefore, Commissioners expect the procurement to be rapidly completed and correctly processed. Commissioners support this Cabinet submission.
