3. Ward Action Planning 2022 - 2026

All wards have been asked to review their ward plans and develop a new (or revised) Ward Action Plan for 2022 – 2026. To do this priorities, goals and actions need to be identified to better enable residents, organisations and councillors to work together to achieve local solutions.

At this meeting we will be looking at setting ward priorities across a range of themes such as (but not only) ways to increase volunteering for litter picking and other groups, road safety, improving parks, easing parking problems and community safety.

Your views and ideas are needed!
