## Appendix 1: The Tracking Process

In making its assessment, the Committee may wish to consider:

- What progress/ key actions have been made against each recommendation?
- Are these actions pertinent to the measures required in the recommendation?
- Have the actions been undertaken within the time scale allocated?
- Are there any matters in the recommendation where progress is outstanding?
- Is the Committee satisfied that sufficient progress has been made and that the recommendation has been achieved?

Category	Criteria
<b>1: Achieved</b>	The evidence provided shows that the recommendation has been fully implemented within the timescale specified.
<b>2: Not Achieved (Obstacle)</b>	The evidence provided shows that the recommendation has not been fully achieved, but all possible action has been taken. Outstanding actions are prevented by obstacles beyond the control of the Council (such as passage of enabling legislation).
<b>3: Not Achieved</b>	The evidence provided shows that the recommendation has not been fully achieved, but there has been significant progress made towards full achievement. <b>An anticipated date by which the recommendation is expected to become achieved must be advised.</b>
<b>4: In Progress</b>	It is not appropriate to monitor achievement of the recommendation at this time because the timescale specified has not yet expired.
<b>5: Achieved (outcomes to be monitored)</b>	The evidence provided shows that the recommendation has been fully implemented within the timescale specified. However, the outcome has not yet materialised, or "work on the ground" has yet to be seen.  Reporting on the recommendation as part of the tracking process ceases. However, a report back on the outcome or continuing implementation will be reported back to the Committee as determined by the members in consultation with the Cabinet Member.

### Evidence of Progress (and Anticipated Completion Date if 'Not Achieved')

A Draft Policy Statement on Working with Birmingham's Neighbourhoods was reported to Cabinet on 6.3.18.

The Policy Statement seeks to address those issues raised in the Overview and Scrutiny report Partnership Working: BCC and Parish/Town Councils.

Consultation and engagement with local areas/communities on the proposed policy stamen as well as the potential for new parish, town or neighbourhood councils and on possible local devolution deals is now planned for Summer 2018.

This means that some of the deadlines set will be moved back slightly to allow for consultation.
