4. Details of association of the above premises with serious crime, serious disorder or both:
(Please read guidance note 2)

King Of Clubs is a licensed premises situated at Hill Street, Birmingham. B5 4AH. The premises license holder is Md76 Ltd and the designated premises supervisor is Ms Angela Nelson.

The premises is licensed to sell alcohol for consumption on the premises for 24 hours on Saturdays although it has an operating condition to stop sales of alcohol at 0400 hours unless agreed for the time to be later with the Police..

At approximately 0356 hours Sunday 3rd November 2024 the premises were open and conducting licensable activity.

At this time an incident occurred whereby a male was slashed to the face twice causing cuts to his face. [REDACTED] The injured person was hospitalised where he received treatment for his injuries. A flick knife has been recovered from inside the premises.

This matter is a wounding with intent contrary to section 18 of The Offences Against The Person Act 1861 which is a serious crime by virtue of the maximum sentence on conviction being life imprisonment.

West Midlands Police have serious concerns for the promotion of the licensing objectives at this premises. A knife has been taken into the premises and used to cause a serious offence. Staff and operating conditions are in place which should mean that this is not possible to do. [REDACTED]

This is such a serious incident and breach of the licensing objectives that West Midlands Police would request that the premises license is suspended and the Designated Premises Supervisor is removed.

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: King Of Clubs. Hill Street. Birmingham. B5 4AH.

Premise Licence Number: 5135.

Premise Licence Holder: Md76 Ltd.

Designated Premise Supervisor: Ms Angela Nelson.

I am a Superintendent in West Midlands Police.

I am giving this certificate because I am of the opinion that the summary review procedure is necessary to ensure the licensing objectives are promoted expeditiously. Given the seriousness of the trigger incident on 3rd November 2024, which involved a wounding with a weapon and the inadequacy of measures taken by the operators on the night of the incident which include inadequate implementation of the search condition on the premises licence, in my opinion immediate steps are required that can best be achieved through the summary review procedures. Other steps available under the Licensing Act 2003, including a standard review application, cannot lead to the imposition of immediately effective steps to promote the licensing objectives and so these are inadequate. I view this application as a proportionate and necessary response to the serious incident at the venue.

In coming to my opinion I have had regard to the facts of the incident and current investigation, the track record of the premises, the terms of section 53A of the Licensing Act 2003 and Chapter 12 ("Summary Reviews") of the Guidance issued under section 182 of the Licensing Act 2003 (December 2022 revision).

BIRMINGHAM CITY COUNCIL

LICENSING SUB COMMITTEE - C

WEDNESDAY 6 NOVEMBER 2024

KING OF THE CLUBS, HILL STREET, BIRMINGHAM B5 4AH

That having considered the application made and certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 for an expedited review of the premises licence held by MD76 Limited in respect of King of the Clubs, Hill Street, Birmingham B5 4AH, this Sub-Committee determines that the licence be suspended pending a review of the licence, such a review to be held within 28 days of receiving the Chief Officer of Police's application.

The Sub-Committee's reason for imposing the interim step of suspension is due to the concerns which were expressed by West Midlands Police in relation to matters pertaining to serious crime, which had come to light as outlined in the Superintendent's certificate and application. Those documents were in the Committee Report. The Sub-Committee determined that the cause of the serious crime was the responsibility of the company, as premises licence holder for the premises.

West Midlands Police attended the meeting. The designated premises supervisor, Ms Angela Nelson, also attended the meeting to address the Sub-Committee, accompanied by the director of the licence holder company. Ms Nelson confirmed to the Chair that she had been given authority to represent the licence holder company. The Sub-Committee noted this.

The meeting was conducted in private session after the Sub-Committee considered an application made by West Midlands Police under regulation 14(2) of the Licensing Act 2003 (Hearings) Regulations 2005. The Police explained that the matter was an ongoing police investigation regarding an incident of serious crime, namely an offence under s18 of the Offences against the Person Act 1861.

The Police asked for the proceedings to be conducted in private because if the evidence were to be heard in public it could prejudice the investigation. The designated premises supervisor Ms Nelson, representing the licence holder, confirmed that the licence holder did not object. The Sub-Committee therefore conducted the meeting in private session.

Members heard the submissions of West Midlands Police, namely that the certificate, which had been issued by a Superintendent under s53A of the Act, related to an allegation of serious crime which had originated at the premises. The details were as per the documents in the Committee Report. The incident warranted the use of the s53A power, and the matter had been brought before the Sub-Committee for an Expedited Review hearing.

The Police confirmed that there had been a wounding, and thereafter a flick knife had been recovered; accordingly the Police had serious concerns about what had unfolded on the night. Their recommendation to the Sub-Committee was simply to suspend the licence pending the full Summary Review hearing. They did not request that the designated premises supervisor should be removed, as she was known to be reliable, and indeed at the time of the incident she had been dealing with an emergency unrelated to the incident. The Sub-Committee noted this.

A suspension would assist with the ongoing investigation, and would also guard against the risks of further serious crime, pending the full Summary Review hearing in 28 days' time.

The licence holder company, via the designated premises supervisor who had confirmed that she had been authorised to represent the licence holder, then addressed the Sub-Committee to explain that the premises had no history of problems at all. Moreover, Ms Nelson personally had 30 years' experience in the licensed trade, and had never had any similar incident in her career. The Sub-Committee noted this.

Ms Nelson explained what the premises' arrangements had been on the night, and assured the Members that the premises prioritised the licensing objectives. The Police confirmed that Ms Nelson had describe the events properly, but advised the Sub-Committee that on the night the search regime at the premises had failed. A weapon had found its way into the premises, after there had been a failure to locate it on entry; for that reason, the Police recommended a suspension of the licence pending the full Summary Review hearing.

Having heard all of the evidence, the Members were mindful of the Guidance issued by the Secretary of State under s182 of the Act, which advised them to only impose those steps which were necessary to guard against the risks of further serious crime and/or serious disorder.

The Sub Committee determined that the causes of the serious crime were not yet established, as an investigation was under way – but the Members were not prepared to take any risks whatsoever regarding the potential for further serious crime. Any instance of knife violence in licensed premises was extremely serious, and a clear risk to the prevention of crime and disorder objective.

It was therefore necessary and reasonable to impose the interim step of suspension of the licence, to address the immediate problems with the premises, in particular the likelihood of serious crime, and to promote the prevention of crime and disorder objective in the Act. The Sub-Committee was mindful that the Guidance issued by the Secretary of State deemed the Police to be the experts in dealing with crime and disorder; the Police had advised the Sub-Committee that a suspension was the correct course.

In reaching its decision, the Members considered the representations made by Ms Nelson, who represented the licence holder company, and accepted that she was a responsible person who was respected by the Police. Accordingly, when considering the other options open to them, the Members agreed with the Police that it would not be proportionate to remove Ms Nelson as the designated premises supervisor.

The Members gave consideration to the modification of the conditions of the licence, and exclusion of the sale of alcohol by retail from the scope of the licence, but did not consider that these would adequately cover the risks, given the seriousness of what had been described in the Superintendent's certificate and application. The Police had given a firm recommendation, and the Members, having had regard to the representations of the parties, agreed that a suspension of the licence was necessary to address the totality of issues brought to their attention.

The correct way forward was therefore to suspend the licence pending the full Summary Review hearing; this was both necessary and reasonable to address the immediate problems with the premises, namely the potential for further serious crime.

In reaching this decision, the Sub-Committee has given due consideration to the application made and certificate issued by a Superintendent of West Midlands Police, the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office under s182 of the Act, the written submissions made, and the submissions made at the hearing by West Midlands Police and by the designated premises supervisor who confirmed that she was authorised to represent the licence holder company.

All parties are advised that the premises licence holder may make representations against the interim steps taken by the Licensing Authority. On receipt of such representations, the Licensing Authority must hold a hearing within 48 hours excluding non-working days.

All parties are advised that there is no right of appeal to a Magistrates' Court against the Licensing Authority's decision at this stage.

BIRMINGHAM CITY COUNCIL

LICENSING SUB COMMITTEE - B

19 NOVEMBER 2024

KING OF THE CLUBS, HILL STREET, BIRMINGHAM B5 4AH

That, having considered the representations made on behalf of MD76 Limited in respect of King of the Clubs, Hill Street, Birmingham, B5 4AH in respect of the interim steps imposed on the 6 November 2024, this Sub-Committee hereby determines that:

- the interim step of suspension of the licence is lifted, and
- all those conditions agreed between West Midlands Police and the licence holder in advance of the meeting shall be adopted as an interim step

pending the determination of the full Summary Review hearing.

The licence holder company was represented at the meeting by the designated premises supervisor, who was accompanied by the director of the company. West Midlands Police also attended the meeting.

The meeting was conducted in private session after the Sub-Committee considered an application made by West Midlands Police under regulation 14(2) of the Licensing Act 2003 (Hearings) Regulations 2005. The Police explained that they wished the meeting to be conducted in private due to the ongoing Police enquiry, and the fact that if information were to be released, it could prejudice the investigation. Those from the premises confirmed that they did not object to this course. The Sub-Committee therefore conducted the meeting in private session.

Once the meeting went into private session, the designated premises supervisor addressed the Sub-Committee to confirm that she had many years of experience in the trade and had never had such an incident at any licensed premises she had managed. She had been cooperating with the Police since the incident. The Sub-Committee noted this.

She confirmed that a stringent suite of conditions had been agreed with Police, and made detailed submissions regarding the work that had been done to implement all the requirements. There was a renewed focus on the search regime, and all staff were to be retrained to make sure that they were aware of the importance of health & safety, dispersal and security.

The company director confirmed that the premises had been happy to agree all of the Police recommendations. The premises would continue to liaise with Police, and indeed had a dedicated officer to do this. The promotion of the licensing objectives would be the priority.

The Police then addressed the Sub-Committee to confirm that the proposed conditions were a proportionate and appropriate way forward. The Police therefore urged the Sub-Committee to adopt the conditions.

When deliberating, the Sub-Committee carefully considered the incident on the night in question, as detailed in the application for review, and explored the representations made both by West Midlands Police and by those representing the premises licence holder.

In reaching its decision, the Sub-Committee considered the application made by the premises licence holder and was satisfied that the proposed conditions were all in order, such that the interim step of suspension could be lifted. The premises had been cooperative with Police, and the agreed conditions would ensure there was little likelihood of a further serious crime incident in the interim period (pending the full Summary Review).

In reaching this decision, the Sub-Committee has given due consideration to the application made and certificate issued by a Superintendent of West Midlands Police, the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office under s182 of the Act, all the written submissions made, and the submissions made at the hearing by those representing the licence holder company, and by West Midlands Police.

All parties are advised that there is no right of appeal to a Magistrates' Court against the decision of the Licensing Authority at this stage.

Hello,

I have just seen the notice posted outside King of Clubs on Hill Street, and read the corresponding document below. I wasn't previously aware of this violent incident, and hope the victim recovers.

I have complained repeatedly about a noise issue, both from King of Clubs and from

.
Firstly, the beating sound from King of Clubs music is audible in my bedroom every Saturday night until 4 a.m. This makes it rather hard to sleep.

(I have been away for the past two weekends, so I can't say if this has changed.)

Kind regards,

Annex 1 – Mandatory Conditions

No supply of alcohol may be made under the premises licence (a) at a time when there is no designated premises supervisor in respect of the premises licence, or (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.

Every retail sale or supply of alcohol made under this licence must be made or authorised by a person who holds a personal licence.

The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises. In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises— (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to— (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or (ii) drink as much alcohol as possible (whether within a time limit or otherwise); (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective; (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective; (d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner; (e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol. The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either— (a) a holographic mark, or (b) an ultraviolet feature.

The responsible person must ensure that— (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures— (i) beer or cider: ½ pint; (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and (iii) still wine in a glass: 125 ml; (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.”

- (1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price. (2) In this condition:— (a) “permitted price” is the price found by applying the formula $P = D + (D \times V)$, where— (i) P is the permitted price, (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol; (b) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979; (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence— (i) the holder of the premises licence, (ii) the designated premises supervisor (if any) in respect of such a licence, or (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence; (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and (e) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994. (3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny. (4) Where the permitted price on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Each individual assigned to carrying out a security activity must be licensed by the Security Industry Agency.

The admission of children under the age of 18 to film exhibitions permitted under the terms of this licence shall be restricted in accordance with any recommendation made: (a) By the British Board of Film Classification (BBFC), where the film has been classified by that Board, or (b) By the Licensing Authority where no classification certificate has been granted by the BBFC, or, where the licensing authority has notified the licence holder that section 20(3)(b) (s74(3)(b) for clubs) of the Licensing Act 2003 applies to the film.

If the premises use any new promoter for any external event then for the first event the Designated Premises Supervisor will inform West Midlands Police Licensing Department at least 28 Days before the first event with a risk assessment for the event. Recommendations made to the Designated Premises Supervisor that satisfy the four licensing objectives will become conditions for that event on the premises license.
