I am PCSO 31487 Sarqib of the West Midlands Police. I am currently stationed at Stechford police station.

This statement relates to a multi – agency visit to the Jilabi Restaurant, 2065 Coventry Road, Sheldon Birmingham.

The following agencies were also represented during the visit.

- UK Immigration,

At approximately 20:00hrs on Friday 23rd November 2018 in company with PS 6278 Edwards, 22225 Hussain, 22990 Pritchard, 22699 Roscorla, 4990 Watton, 22428 Ali, 31489 Wynne, and 31102 Read, West Midlands fire safety officers  and , Birmingham city council licensing  and Immigration officers 

Upon arrival at the Jilabi and in company with 22990 Pritchard, 22699 Roscorla and 31489 Wynne I immediately made my way to the rear of the premises. As the other officers entered the premises through the front door, I saw 5 males attempting to flee via the rear exit. These males were contained and guided back into the premises.

As a result of the visit and following immigration and police national computer checks the following three males were arrested for immigration offences,

Whilst at the premises I spoke briefly to an unknown IC1 couple whom were customers dining in the restaurant. I explained the reasons we were at the premises. It was during this interaction I saw that both were drinking alcohol on the second floor of the Jilabi restaurant.

I am aware that other immigration offences are now being investigated, as a number of individuals during the process of immigration checks being completed raised concerns in relation to immigration status.

A Mr [REDACTED] date of birth [REDACTED]/1997 ([REDACTED]) as detailed within PCSO Read's Pocket note book entry was cross referenced against the immigration data base and found to be currently under a judicial review in terms of immigration status.

Immigration officers advised that under guidelines and regulations of the immigration legislation Mr [REDACTED] (DOB [REDACTED]/1997) had to be seen visually working at the location in order to detain him for further investigations. No officers visually observed Mr [REDACTED] (DOB [REDACTED]/1997) working at the location as an employee, the individual was to be escorted out of the premises as advised by immigration officers.

I escorted Mr [REDACTED] (DOB [REDACTED]/1997) out at approximately 20:44 Hrs, at this stage the deputy manager an unknown individual to me a IC4 male communicated verbally " [REDACTED] everything ok" Mr [REDACTED] (DOB [REDACTED]/1997) replied yes the deputy manager verbally communicated " Table 19 please" Mr [REDACTED] (Dob [REDACTED]/1997) replied " I don't work here I am a customer".

Entry was gained by Police officers and subsequently following their request I entered the premises via the front door with IO Smith.

Upon entry to the premises I observed a large number of what appeared to be both staff serving customers and customers within the establishment.

Police officers gathered staff from within the premises and then requested Immigration staff conduct necessary checks on them to confirm their identities.

Following our checks we identified three males as having no right to live or work in the UK, all of whom were Bangladeshi Nationals.

Details are below:

 DOB  1978, 7 Year overstayer with no right to work.

 DOB  1985, 4 Year overstayer with no right to work.

UK Immigration,

Good Afternoon,

Firstly thanks for inviting us onto your visits on the 23/11.

For your Information,

Two of the three subjects arrested by yourselves are at Morton hall Immigration centre pending removal back to their home countries.

Subject three was bailed to report to us as he is returning home on his own accord (if not in a set period of time) will be re-arrested and removed.

I believe Licensing issued a fine on the spot to the employer and officers left the premises without speaking to everyone on site as was too busy and officers were outnumbered.

IO's only spoke to some front of house staff, they didn't speak to any of the kitchen staff and were subsequently told by customers that at least 3 more males were upstairs and had taken their uniforms off to evade detection.

[REDACTED]

Also a phone call was received today 26/11 stating that approx 10 subjects had blended in with customers to avoid detection. (Cannot confirm).

BCC Licensing,

Here are the details of my findings; also depending on what the premises licence holder provides or doesn't provide to immigration officers it may result in the review of the premises licence. I'm waiting for an update from Paul MacKinnon.

Licensing Matters Identified

Conditions attached to the premises licence following a Licensing Sub Committee hearing on 19th May 2014 state at:-

Conditions 3a:-

- All staff training regarding the Licensing Act 2003 to be documented and made immediately available to any of the Responsible Authorities on request.
- All front of house staff to have documented licensing training before commencement of their first front of house shift within the premises.

Conditions 3b:-

- Premises to install / update CCTV to the recommendations and specifications of West Midlands Police;
- CCTV images / recordings to be retained for no less than 28 days;
- CCTV images / recordings to be instantly downloadable and made immediately available to any of the responsible authorities on request;
- CCTV to operate throughout the whole period of licensable activity;

During our visit the duty manager, advise the premises employed 12 full time and 8 part time front of house staff.

The training records produced where not considered adequate as the records consisted of photocopies of page 4 of the premises licence Annex 2 – Conditions consistent with operating schedule. Copies were produced with an additional hand written reference to challenge 25-age verification policy.

There was no documented training records evidencing what training has been provided regarding the key aspects of the Licensing Act such:-

- The four licensing objectives;
- The law regarding the sale and serving of alcohol;
- What forms of identification accepted when carrying out age verification checks

There was no available list for the front of house staff employed and the training records that were produced had only been signed by 14 individuals.

There was no operational CCTV system at the premises and officers were advised by the duty manager the premises had been broken into about 3 weeks ago and the CCTV hard drive had been

unrec.

The CCTV hard drive had not been replaced since the stated theft and no CCTV recording was taking place at the time of the visit when licensable activities were taking place. No CCTV recorded images available.

A Traders Notice 25195 was issued highlighting these matters.

(on behalf of) the chief officer of Police for the West Midlands Police area apply for the review of a premises licence under section 53A of the Licensing Act 2003

1. Premises details: **Delicious Buffet**

Postal address of premises, (or if none or not known, ordinance survey map reference or description): **2067 Coventry Road**

Post Town: **Birmingham**

Post Code (if known): **B26 3DY**

2. Premises Licence details:

Name of premise licence holder (if known): **Mr Abdul Mohammed Rouf**

Number of premise licence (if known): **Mr Abdul Rouf**

3. Certificate under section 53A (1)(B) of the Licensing Act 2003 (Please read guidance note 1)

I confirm that this is a certificate has been given by a senior member of the police force for the police area above that in his/her opinion the above premises are associated with serious crime or serious disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

4. Details of association of the above premises with serious crime, serious disorder or both:
(Please read guidance note 2)

Delicious Buffet is a restaurant located on the Coventry Road, it is next door to and connected to another premises called Jilabi, but all the frontage signage indicates the premises is called Jilabi, and the evidence indicates it is being run as Jilabi, there is a premise licence in existence for 2067 Coventry Road.

On the 23rd November 2018 a joint inspection was conducted at the restaurant called Jilabi's (this is the two premises together as officers found it had been converted and

17

knocked through) The inspection involved officers from Sheldon Police Station, Home Office Immigration Service, West Midlands Fire Service and also Birmingham City Council licensing officers.

The visit was organised following complaints from ex staff indicating that they believed that the premises were employing numerous illegal immigrants, treating them very badly, and paying them about £70/80 a week. West Midlands Police are treating this as modern day slavery.

When officers attended the premises they found the premises open and very busy with customers.

During the visit officer from the Immigration Service detained 3 males who were confirmed as being illegal workers, working at the premises. Intelligence has indicated there were more working at the premises but they fled/mingled with customers as officers entered to avoid detection.

As officers got detained, dealing with the below very quickly they were unable to check the rest of the staff.

The 3 detained were all from Bangladesh,
Male A born in 1978, had overstayed in the UK for the last 7 years and had no right to work
Male B born in 1985, had overstayed in the UK for the last 4 years and had no right to work
Male C born in 1975, an illegal immigrant since 2010.

All 3 were arrested and are being dealt with by the immigration service.

The issue for West Midlands Police is that the premises were employing illegal immigrants, which corroborated the intelligence that led to the inspection.

Where a licence holder is prepared to employ illegal workers they are not only committing offences but are also actively involved in criminal activity and the exploitation of vulnerable individuals for financial gain.

- Illegal workers have no employment rights, or protections and are unable to declare themselves to the authorities to seek assistance should they require any assistance.
- Illegal workers have no rights to be paid the equivalent of the minimum wage which benefits the employer financially.
- Illegal workers are often paid 'cash in hand' by the employer meaning the correct tax and national insurance deductions are not taken into account, and therefore not declared to HMRC.
- Illegal workers are often provided with the most basic accommodation and standard of living which may be linked to their continued employment at the licensed premises.
- Illegal entrants into the UK will not have been subject to the usual immigration checks and health screenings and this could seriously impact on public protection and the health and wellbeing of the general public, especially where illegal entrants have arrived from a country with significant health risks. The employment of such individuals poses on an increased risk especially if that person is employed in a kitchen, or an area where food is prepared or served to the public.

Illegal entrants also do not undergo any appropriate checks, or immigration clearance at the border and may have current or previous criminal convictions and thereby pose a danger for the general public.

The employing of illegal workers is a very serious offence and this is reflected within the Section 182 guidance under section 11.27 which lists the employment of illegal

immigrants/workers as a serious offence and is placed in the same category as possession of firearms, gangs, child pornography.

The premises are licensed as has conditions imposed on it in relation to training. The duty manager on the night indicated that they employed 12 full time staff and 8 part time staff. When officers asked to see the training records they found that only 14 members of staff had signed the training document.

It should be noted that as the premises is now operating with another licensed premise (2065 Coventry Road licence no 955) a review application will also be submitted for these premises.

Employing illegal immigrants carries a five year prison sentence and unlimited fine and so meets the criteria identified as a serious crime. The fact that the matter had been raised to us from someone else and we are treating it as modern day slavery issue, exacerbates the severity of this case.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

19

West Midlands Police

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: Delicious Buffet

Premise Licence Number: 4157

Premise Licence Holder: Mr Abdul Mohammed Rouf

Designated Premise Supervisor: Mr Abdul Rouf

I am a Superintendent in West Midlands Police.

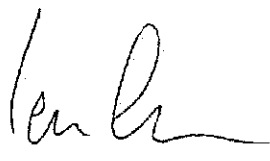

I am giving this certificate because I am in the opinion that the procedures under the Licensing Act are inappropriate in this case because the standard review procedures are thought to be inappropriate due to the seriousness of the crime, and the serious management failings of the premises concerned.

The severity of the issues and the risk to the public (which in this case are illegal immigrants working at the premises) are significant for me to use this power. I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstances due to the above reasons, and the fact that to maintain the licensing objective of preventing crime and disorder the normal review procedure would not be sufficient.

The severity of the incidents is a matter that needs to be brought to the attention of the Licensing Committee immediately.

The concern of West Midlands Police is that if steps are not taken to consider the running of these premises they will continue to be used in the manner in which they were discovered on the 25th November 2018. I am conscious of the guidance contained within Section 182 of the licensing act 2003 and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.
