Subject: Cross Keys

Dear Licensing

West Midlands Police have received and reviewed the premises licence application for the Cross Keys, 81 Steward Street, Birmingham B18 7AF.

Whilst these premises are currently not licensed they have been and up until January this year the licence was still valid. Following an incident and intervention at the premises the premise license was surrendered, negating the need to instigate review proceedings.

The issues were far ranging at the premises, from unlicensable activity, ASB, disorder, lack of control. West Midlands Police accept that each application is judged on its own merits however with what is being applied for (which appears to be a mirror of what the premises had before) there is concern that the premises will quickly turn back into what it was and the issued that it then caused.

The application indicates it wants to be a banqueting and function suite. From looking at the application, the hours, the plan and through a site visit it is clear that this will not be the case and that it will be a bar, with events on. The application operating schedule does not offer the reassurances around the control measures needed for such an operation and to promote the licensing objectives. WMP also have concerns around the hours being applied for, as these take them into the high risk category in terms of risk/threat.

West Midlands Police have been in negotiations with the applicant and this will continue. However at this time West Midlands Police wish to object to this application, for the above reasons as they would undermine the crime and disorder/public safety/public nuisance objective.

We are hopeful that this will be rectified and agreed with the applicant shortly

Kind regards

From:	Paul R Samms, Environmental Protection Officer Environmental Health, 40 Moat Lane, Birmingham, B5 5BD	
CC:		Ref:
Subject:	Application for Premises License – Licensing Act 2003 Address – Cross Keys Banqueting and Catering, The Cross Keys, 81 Steward Street, Birmingham, B18 7AF	

I, Paul R Samms, as a representative of Environmental Health, formally raise a representation on the above application.

The grounds for my concerns relate to the objective of the prevention of public nuisance. Specifically, there are residential units in Steward Street and round the corner in College Street. Complainants located in both Streets have complained regarding noise nuisance as a result of operations at the Cross Keys since 2018, one of which was 240 metres away.

The proposals are likely to result in public nuisance from amplified noise as well as noise from patrons in the external area.

To safeguard the licensing objective of the prevention of public nuisance Environmental Health considers that the application should be refused. I confirm that I will withdraw my representation if the applicant agrees to the following restrictions.

Conditions to be placed on the licence

1. The premises licence holder shall be responsible for ensuring that the external areas do not create a public nuisance to neighbours at the premises and if necessary will:
 - a) restrict the number of people utilising the outside areas at any one time.
 - b) increase the number of stewards/doorman to control customers.
2. The premise licence holder will ensure that all external windows and doors (other than for necessary access/egress) shall be closed whenever regulated entertainment takes place at the premises.
3. Hours shall be restricted until 1am. An extension of hours may be gained on the submission of a BCC Env. Health approved noise risk assessment.
4. The Premises Licence Holder shall ensure loudspeakers shall not be located in the entrance lobby or outside the premises building.
5. The Premises Licence Holder shall ensure regulated entertainment to take place indoors only.
6. The Premises Licence Holder shall ensure all sales of alcohol for consumption off the premises shall be in sealed containers only and shall not be consumed on the premises or immediately outside.

7. The Premises Licence Holder shall ensure consumption and preparation of alcohol and food to take place indoors only and not on the public highway.
8. The Premises Licence Holder shall ensure customers permitted to temporarily leave and then re-enter the premises, e.g. to smoke, shall not be permitted to take drink or food with them.
9. The Premises Licence Holder shall ensure during the hours of operation of the premises, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed, and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.
10. The Premises Licence Holder shall ensure while live or recorded music takes place, the licensee or management shall undertake regular monitoring of noise levels at the nearest noise-sensitive locations. A record shall be kept of any monitoring, including the date, time and location of monitoring; the name of the monitor; and any action taken. Records shall be kept for no less than six months and shall be made available upon request by the Police or any authorised officer.

Dear Sir,

**Re: ANG-UK Entertainments Promotion Limited - Cross Keys Banqueting And Catering,
81 Steward Street, Springhill, Birmingham B18 7AF**

We would like to raise objections to the licensing of the above on the following grounds:

1. Rubbish – glass bottles, food and containers everywhere in the street resulting in rats.
2. Blaring music during office hours interfering with concentration
3. Visits from police to obtain CCTV footage as serious assaults and other incidents reported
4. Using gateways and entrances as toilets resulting in smells especially in warm weather

If the above issues are addressed and do not affect our business we would no longer have these objections.

Yours faithfully,

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

CCTV

A digital Closed Circuit Television System (CCTV) will be installed and maintained in good working order and be correctly time and date stamped.

The system will incorporate sufficient built-in hard-drive capacity to suit the number of cameras installed.

CCTV will be capable of providing pictures of evidential quality in all lighting conditions, particularly facial recognition.

Cameras will encompass all ingress and egress to the premises, all areas where sale/supply of alcohol occurs, all areas where the public have access and the area immediately outside the premises

The system will record and retain CCTV footage for a minimum of 31 days.

The system will record at all times when the Premises are open.

The system will incorporate a means of transferring images from the hard-drive to a format that can be played back on a desktop computer.

The digital recorder will be password protected to prevent unauthorised access, tampering, or deletion of images.

There will be at all times, when the premises is open, a member of staff on duty with access to the CCTV system who is trained in the use of the equipment, including the download of images.

Upon receipt of a request for a copy of CCTV footage from officers of any Responsible Authority, the member of staff will produce the footage within 24 hours, or less if urgently required for investigations of serious crime.

CCTV footage must be made available to be viewed by West Midlands Police or an Officer of a Responsible Authority at the premises upon request.

INCIDENT BOOK

An incident book must be kept at the Premises and maintained up to date (no later than 24 hours after the incident) at all times and will record the following:

Time date and details of all incidents/complaints of crime and disorder or anti-social behaviour

All crimes reported to the venue

Any faults in the CCTV system, searching equipment or scanning equipment

Any visit by a responsible authority or emergency service

The incident book must be kept at the premises and made available to West Midlands Police or an Officer of a Responsible Authority on request, or during an inspection.

REFUSALS REGISTER

A refusals register must be kept at the Premises and maintained up to date at all times recording the date time, type of product refused, reasons for every refusal to sell alcohol to a customer and the name and signature of member of staff

Continued from previous page...

refusing the sale.

The refusals record must be made available to West Midlands Police or an Officer of a Responsible Authority on request, or during an inspection.

The Premises Licence Holder or the Designated Premises Supervisor must monitor the Refusals Register every month and must sign and date the Refusals Register when this has been completed, or if the Refusals Register is electronic the check and date and time of the check must be clearly recorded.

TRAINING

Training in relation to the use of the CCTV system, Challenge 25, under age sales, sales to adults on behalf of minor (proxy sales), sales to intoxicated persons, refusals registers, incident records and all other conditions on the Premises Licence must be provided and undertaken by all members of staff (whether paid or unpaid) before he / she makes a sale or supply of alcohol and at least every six months thereafter.

Documented training records must be completed in respect of every member of staff and must include the name of the member of staff trained, date, time and content of the training. The record must be signed by the member of staff who has received the training, the Designated Premises Supervisor, the Premises Licence Holder or external training providers.

Documented training records must be kept at the premises and made available to West Midlands Police or an Officer of a Responsible Authority on request, or during an inspection.

b) The prevention of crime and disorder

The premises shall operate a zero tolerance to dealing in or taking drugs on the premises and anyone so doing shall be removed from and barred from the premises and the matter referred to West Midlands Police and any relevant CCTV images shall be made immediately available to West Midlands Police.

For any externally promoted event, the premises will provide risk assessment of event to West Midlands Police at least 28 days in advance before the event, or at a time agreed between premises and Police.

c) Public safety

d) The prevention of public nuisance

Signs shall be placed at all exits asking customers to respect the needs of local residents and requesting that they leave the premises and area quickly and quietly.

Adequate bins shall be available for customers to dispose of litter.

Noise or vibration shall not emanate from the premises so as to cause nuisance to nearby properties.

The premises shall have an operational dispersals policy and noise management plan.

When entertainment is provided all doors and windows, save exits for the purpose of ingress and egress, will be kept closed.

Continued from previous page...

e) The protection of children from harm

Staff must require ID in the form of a current ten-year passport, photo card driving licence or PASS Hologram identity card from any customer who appears to be under the age of 25 and verify the customer is over the age of 18 before any sale of alcohol is made.

Notices must be exhibited at all points of sale and at all entrances and exits informing customers and staff that the Premises is operating a Challenge 25 Policy.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hi Paul

I've reached agreement with WMP (copied) about the provision of door staff (minimum of two after 21:00 on a Friday and Saturday). Hopefully that is satisfactory, and if so could you please indicate to licensing that we have reached agreement as per our previous emails, today if possible. I have also copied licensing enforcement into this email as I know they were seeking the same conditions as you.

Feel free to call me to discuss.
