- The Leader of the Council or their nominated representative to act as Chair of the Board
- The Corporate Director for Adult Social Care and Health Directorate
- The Corporate Director for Children and Young People Directorate
- Nominated Representatives of each Clinical Commissioning Group in Birmingham

Each Local Authority may appoint additional Board Members as agreed by the Leader of the Council or their nominated representative. If additional appointments are made these will be reported to Cabinet by the Chair of the Board.

For the Board to be quorate at least one third of Board Members and at least one Elected Member must be present

The current City Council Appointments to the Health and Wellbeing Board are:

- Cabinet Member for Health and Social Care as Chair
- Cabinet Member for Children, Families and Schools
- Opposition Spokesperson on Health and Social Care
- Corporate Director for Adult Social Care and Health Directorate
- Corporate Director for Children and Young People Directorate
- Director of Public Health

External Appointments to the Health and Wellbeing Board are:

- Representative of Healthwatch Birmingham
- Representative of Birmingham CrossCity Clinical Commissioning Group

- Representative of Birmingham South Central Clinical Commissioning Group
- Representative of Sandwell and West Birmingham Clinical Commissioning Group
- Representative of Third Sector Assembly
- Representative of NHS England Local Area Team
- Chair of the Birmingham Community Safety Partnership
- 1 local NHS Provider representative
- Member of the Birmingham Social Housing Partnership

4.5 Changes to Board Membership

Since the membership of the Board was last reviewed in June 2017, there have been significant changes in both personnel and organisational structures in the Council, CCGs and NHS Providers as well as in the strategic environment in which the Board operates. It is not proposed to alter the City Council membership.

It is proposed to:

Invite 2 representatives from the new Birmingham and Solihull CCG. This would nominally be Chair and Accountable Officer, subject to the deputising arrangements as above.

Continue with a representative from Sandwell and West Birmingham Clinical Commissioning Group – nominally the Chair.

Continue with representatives from the Birmingham Community Safety Partnership and the Birmingham Social Housing Partnership (nominally the Chair as above).

Invite Birmingham Voluntary Sector Council to consider appropriate representation from that sector (and until that time act as that representative).

Invite the Birmingham and Solihull STP lead to be a member of the Board in place of the provider representative.

Invite a representative of the Department of Work and Pensions (DWP) nominally the Service Leader, Birmingham and Solihull District. The rationale is that a number of strategic aims are linked to employment in specific groups.

Remove the NHSE representative from the Board as many of their functions have been delegated to CCGs.

4.6 Other Proposals

It is also proposed that:

The Vice-Chair continues to be a CCG representative, namely the Chair of the Birmingham and Solihull CCG.

There is a programme of joint meetings with the Solihull Health & Wellbeing Board.

That other representatives are co-opted as the work of the Board dictates. For example consideration should be given to inviting a member of the Children's Trust.

In addition, we propose to change the Health and Wellbeing Board report template to meet the current priorities within the Strategy.
