Subject: Mr. Kanthasamy Karis. B29 5BA

I want to object to the application by Mr. Kanthasamy Karis for Premises Licence at – P & B Grocers, 32 – 34 Castle Road, Birmingham B29 5BA

If allowed he will be able to sell from 07:00 to 00:00 and has no understanding of the four licensing objectives. He has no paperwork in place and has been reported many times for selling after hours and selling to children. This shop is well known by school children buying tobacco products underage

This application must be refused.

12 September 2024

**Objection to Application for Variation of a Premises Licence for P & B Grocers 32-34
Castle Road, Birmingham. B29 5BA**

Licensing,

I am writing to formally object to the application for a Variation of premises licence submitted by Mr. Kanthasamy Karis for P & B Grocers, to extend their licensable hours.

As a concerned local Resident and parent of a child at the local school (University of Birmingham school), I believe this application has significant implications for the local community, particularly in relation to the protection of children from harm, which is a key licensing objective.

Licensing Objectives at Risk

1. Protection of Children from Harm

I have been made aware by several local residents that there are strong concerns about the sale of alcohol and vapes to minors from this premises. While I acknowledge that these reports are anecdotal, the volume of such reports raises significant concern. As a parent, I believe these allegations should not be ignored, given that they directly relate to the protection of children and crime and disorder licensing objectives.

My child attends the local school, and the proximity of the shop to this school increases the risk of underage students being targeted. Extending the operating hours of the shop would likely exacerbate this issue by providing further opportunities for underage sales.

2. Prevention of Crime and Disorder

There is a potentially a high risk of an increase in anti-social behaviour if alcohol and vapes are being illegally sold to underage individuals. Such practices contribute to a climate of disregard for the law, which could result in broader community harm.

Proposed Conditions for Consideration

Should the licensing authority decide to approve the Variation, I would urge that robust conditions are added to the operating schedule to mitigate these concerns. I do not currently know what the conditions within the operating schedule are and therefore would request that the premises licence holder furnish me with these in order that I make a better assessment of how robust they are to mitigate my concerns.

I am specifically interested to know what conditions are in place for:

- a. CCTV Installation operation
- b. Challenge 25 Policy and how its operated at the premises
- c. Staff Training
- d. Refusal policy
- e. Noise/nuisance management
- f. Policies for age verification for vapes etc (restricted items)

I also believe that the hours requested for an increase in the sale of alcohol from Monday to Sunday – 07:00 to 00:00 hrs. are excessive and will only add to anti-social behaviour and an increase in crime and disorder, and that 2300 hrs. is more than sufficient for a shop of this type.

In light of the above concerns, I respectfully request that the licensing sub-committee either rejects the application for an extension of hours or imposes very robust conditions to safeguard children and prevent further crime and disorder in the neighbourhood.

I look forward to your response.

Yours sincerely,

Local resident

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
