Subject: OBJECTION- 435 DUDLEY ROAD, BIRMINGHAM, B18 4HD

Dear Sirs / Madam

It has come to my attention that a licence to serve Alcohol has been granted at 435 Dudley Road, Birmingham, B18 4HD. I would like to object against this as I operate a firm of Solicitors directly above these shop premises and this would grossly affect my business. As you may or may not be aware there are many off licenses situated on the main Dudley Road and this will only contribute to increase of anti- social behaviour and crime in the area. I do not want such customers / anti social type behaviour to start taking place outside my office.

I have been petitioning to get other licenses revoked only to be told that it has already been granted in the same building as myself and without me being informed or having the opportunity to object. As the street watch co-ordinator of the area I will ensure that the license is withdrawn.

I look forward to hearing from you.

Subject: Off licence request 435 B18 4HD

Hello, hope you are well.

I am emailing regards the above request and would like to formally object.

A few reasons for my objections are that there are already many in the area, this has been directly related to increasing antisocial behaviour and crime in the area, many alcohol related cans and bottles left on the roads. With individuals drinking on the roads me and my family do not feel safe or comfortable walking on these roads any more!

If this were to be granted I feel our concerns will only increase.

I would hope you are able to take my concerns into consideration and reject this licence request.

Kind regards,

Subject: Re: licensing application

Hi,

It has come to my knowledge, a request for a licensing application has being made from the Birmingham City Council to open yet another off licence.

The property in question 435 Dudley B18 4HD.

This is an already deprived area with enough anti social behaviour for our community to deal with. By having more places which attact trouble with only increase the tension in this area.

It's the duty of the council to consider the residents opinions, and I am writing to you to tell you that we totally disagree with any more off licenses.

Perhaps you should take a walk down here rather than sitting in an office and stamping your approval.

Yours sincerely

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
