NATURALLY BIRMINGHAM'S VISION

- Funded by National Heritage Lottery Fund and National Trust
- One of 8 cities
- Embedding the value of green space – how?
- The city set key outcomes around Jobs & skills, Housing and the built environment, the future of children, and health & wellbeing (Council Plan 2018-2022)
- We want to embed the value of green spaces across all these sectors – working with the 2022 Games team to maximise legacy benefits from hosting them

SO WHAT CAN WE HELP YOU WITH?

- **CHILDREN'S PILOT:**

- We can help you make the park mean more to local residents
- We can help local schools in your area
- A nature trail has encouraged more families to spend more time than ever in the park
- Become a park star - <https://naturallybirmingham.org/birminghams-park-stars/>
- Crowdfund - <https://justgiving.com/campaign/DawberryFields>

- **EMPLOYMENT PILOT:**

- We can help to break down stereotypes of who works in a park
- Our Naturally Birmingham Virtual Skills Showcase
<https://www.youtube.com/channel/UCxRBfrbavWeTOv9KrHzVchA>

- **HEALTH AND WELLBEING PILOT:**

- We can help people develop health and wellbeing activities in their local park
- Empower the community to do this for themselves

- **HOUSING PILOT:**

- Doesn't have to be a park to be a green space
- If you are a resident living in sheltered housing or social housing, we can help you develop a communal garden
