Dear Licensing,

West Midlands Police are in receipt of the review application for the Observatory (licensed premises).

West Midlands Police seek to inform the licensing committee of the involvement and impact the premises has on the local neighbourhood policing team

There have been various calls to this licensed premises over the last 12 months, in terms of the level of incidents it shows a pattern relating to the people the premises they attract that then go on to cause Anti-Social Behaviour and or other criminal offences. This is having an impact on the local residents who are then calling the Police to try and resolve.

The local Police team are receiving calls from concerned residents, in terms of loud noise, music, blocked roads and general disturbance to the local residents lives at times of the night which are considered sensitive.

Statements from the local Police Sergeant have been obtained and will be produced as well as what incidents are being reported at the premises.

West Midlands Police wish to join in the review application, and will be submitting supporting evidence in accordance with the hearing regulations

*Entered.*LICENSING ENFORCEMENT REPORT

PREMISES LICENCE NUMBER	1086
PREMISES NAME	The Observatory
ADDRESS	44a Barker Street, Lozells, Birmingham B19 1EP
LICENCE HOLDER	Clarendon Homes Limited, 43 Frederick Street, Birmingham B1 3HN

In 2005 the licence was converted to a Premises Licence under The Licensing Act 2003. At this time an extension of the licensable hours was submitted and approved in accordance with the Licensing Act 2003. The hours approved at this time have never been varied, therefore they are as detailed on the current licence.

The premises has had 2 Licence Holders whilst complaints have been received, however, there has only been 1 Designated Premises Supervisor.

	Licence holder	DPS
December 2006	Transferred to Admiral Taverns Limited	
October 2007	Admiral Taverns Limited	Sophia Lawrence became DPS
April 2012	Transferred to Clarendon Homes Limited	Sophia Lawrence

HISTORY

The premises first came to our attention during 2008 with an allegation of playing music until 01.55 hours. Since this time the premises licence holder has changed however the DPS has remained the same throughout.

The first complaint recorded against the premises was received during July 2008. This complaint alleged that music was playing outside of the licensable hours.

Between July 2008 and present day a total of 23 complaints have been received. The allegations/points of concern for complainants was noise nuisance, BBQ's on the pavement outside the premises, anti-social behaviour outside the premises, licensable activities outside of permitted hours and verbal abuse from the husband of the DPS.

Several visits were made to the premises. On each occasion the matters were discussed with the DPS Sophia Lawrence.

On **24th August 2010** a visit was made to the premises by Licensing Enforcement and West Midlands Police. It is recorded as "traders issued to sophia lawrence the dps. ms lawrence was made aware of noise complaints past permitted hours. the notice also outlined the licensing hours and the consequences of failing to comply with the licensing hours. to check with complainant to ascertain if still happening although complaints seem to be about noise and people in street."

After this visit no further complaints were received until 2014, a gap of 4 years. The next complaint was received in **July 2014** from Councillor Mahmood Hussain. An inspection was carried out against the conditions attached to the licence and discussed with Sophia Lawrence. She was advised to close the door if the complaints continue, however it is not a condition. It was highlighted that the premises does not have a car park. It is recorded that Sophia Lawrence stated that she had been to a meeting with West Midlands Police within the last few days. She denied the allegations and said that it was cars outside that were not related to the premises.

No further complaints were received until **January 2017**. Since then a total of 13 complaints have been received by Licensing Enforcement and 7 by Environmental Health.

I have made various visits to the premises and met with Sophia Lawrence on each occasion. She does not accept that the premises causes problems and can attribute the disturbance to noise of cars in the vicinity.

Early **September 2018** a person was stabbed outside the premises. I understand that it was a dispute between 2 users of the premises. I was informed that Sophia Lawrence met with West Midlands Police to discuss the issues.

On **14th November 2019** I met with residents and other Agencies to discuss the concerns about the premises.

The Department has been unable to ascertain evidence to corroborate the allegations made against the premises. CCTV is not installed at the premises and is not a requirement of the licence.

I have been informed by the partner of the DPS that the premises is leased from Clarendon Homes Limited. I do not believe that the Licence holder has any control or involvement with the premises.

LICENCE HOLDER

The address detailed for the premises licence holder is 43 Frederick Street, Birmingham. However, during April 2016 the registered office address for Clarendon Homes Limited changed to 31 Frederick Street, Birmingham – this Authority was not informed of this information. Both of these addresses are accommodation offices.

I have made enquiries with both of the addresses:

43 Frederick Street (the correspondence address and the address that the annual fee invoices are sent to). I am informed that Mr Sunil Datt, a Director of Clarendon Homes Limited, still uses the address and I have tried to contact him.

It has come to light that there is an outstanding annual fee from November 2019 in the sum of £180.00

31 Frederick Street - This address is detailed on Companies House as the Registered Office for the company. Licensing has not received any notifications from the Licence Holder regarding this address.

LICENSING ENFORCEMENT – THE OBSERVATORY

MATTERS OF CONCERN

The conditions attached to this licence are not adequate. It must be taken into account that the premises is located in a residential area and operates until the early hours.

Enforcement action has not been possible due to the lack of conditions. The Operating schedule does not include any conditions to help rectify the issues and concerns of local residents.

Complaints cannot be investigated thoroughly without CCTV. However, from the frequency and quantity of complaints received, I believe that on the balance of probability the premises are causing a **nuisance**.

It can be clearly evidenced that complaints have been received on a regular basis since Sophia Lawrence has been the DPS.

Complainants are reluctant to provide their details due to the fear of repercussions.

The Licence holder has failed to comply with the requirements of the Licensing Act in that they have not notified us of the change in Registered office address as soon as reasonably practicable.

I have tried to make contact with the Directors of Clarendon Homes Limited with a mobile phone number that was submitted on the original transfer. However, he did not respond.

CONCLUSIONS

It is obvious that the licence holder cannot comply with the requirements of the legislation in that they have

- **Failed to notify of a change of Registered address,**
- **Failed to pay the annual fee from November 2019**
- **They do not have any involvement in the business whatsoever, therefore they do not have any control over the premises.**

The premises Licence Holder, Clarendon Homes Limited, has overall responsibility for ensuring that the statutory objectives of the Act are complied with.

It is also obvious that the DPS does not have any control of the behaviour of the patrons of the premises.

- **A nuisance is being caused on a regular ongoing basis by the premises.**
- **Numerous visits have been made to the premises and the disturbances do calm down for a while but always revert back to causing a nuisance.**

No complaints were received before Sophia Lawrence became the DPS.

RECOMMENDATIONS

I would ask that the Committee consider revoking the licence.

LICENSING ENFORCEMENT – THE OBSERVATORY

If the Committee is minded to retain the premises licence I would ask that the Committee consider reducing the licensable hours to 23.00 hours and adding the following additional conditions to help promote the licensing conditions.

GENERAL

An incident register will be kept at the premises and be made available to an authorised Officer of a Responsible Authority on request.

CRIME

The Premises Licence Holder shall ensure that those engaged with the sale of alcohol shall be provided with training on the licensing objectives and the conditions attached to the premises licence. Refresher training will be given every 6 months. A log of the training shall be maintained and available for inspection by an authorised Officer of a Responsible Authority on request.

At least 2 SIA Door Supervisors must be employed on Friday, Saturday and Sunday evenings to ensure that all customers disperse in an orderly manner from the premises. There must be a portfolio kept on the premises in a secure location at all times, detailing each door supervisor who is/has worked at the premises. This will be proof of address (utility bill within the last 6 months) and proof of name and photo (passport or copy SIA badge) and made available to any authorised agency. Profiles of staff who no longer work at the premises will be retained for a period of 3 months.

That a CCTV system records at all times when licensable activity is taking place. Cameras will be placed in all rooms inside the premises as well as covering the complete external area. Footage from all cameras must be kept for a minimum of 31 days. Images will be made available to any responsible authority immediately upon request. Recordings must be available in a downloadable format and staff must be trained upon the operation of the system.

SAFETY

NUISANCE

All doors remain closed when regulated activity is taking place, except for access and egress.

All windows remain closed when regulated activity is taking place.

The DPS will carry out hourly documented checks of the perimeter when licensable activity is taking place to ensure that the noise cannot be heard at neighbouring residential properties. The records of the checks will be made available to any responsible authority upon request.

All licensable activity will take place inside the premises.

LICENSING ENFORCEMENT – THE OBSERVATORY

CHILD

The premises will operate an 'Over 25' policy and notices will be prominently displayed. People who appear to be under the age of 25 will be asked for Photographic ID.

All refusals will be noted in a refusal register, which will be maintained at the premises and must be available for inspection by any of the regulatory authorities. The register must be signed by the DPS fortnightly.

DOCUMENTS ATTACHED

- Aerial view of the location of The Observatory and neighbouring residential homes.

The evidence to support this application is as follows:

19/02/18 – Email received from local resident reporting a complaint about loud music from The Observatory. Local resident stated that there was loud music being played on **Saturday evening 17/02/18 from 6.20pm until approx.1.50am on Sunday morning** when the DJ finished. Resident stated that the music was so loud that the whole house was shaking and at one point resident had to visit the pub to speak to the Premises Supervisor (Sophie) to ask for the music to be turned down. Unfortunately, this did not happen and the music continued at the same level.

Resident stated that this has been on-going for the past 10 years and various community meetings have taken place between the Police, the Premises Supervisor, local residents, Ward Cllr's and local MP but nothing has changed. Resident stated that they have kept a diary of incidents over the last 10 years. Resident also said that they have been told that The Observatory has a licence to play music until 3am in the morning.

Between **12/08/18 and 12/05/19**, 4 incidents reported to police, one of these being the **stabbing on Sunday 2nd September 2018**.

Thur 25/07/19 – 10.47pm – E-mail received from local resident – *“It is 10.45 the street is heaving with cars and People people , music blaring, cars can't get down the street properly for parked cars, some parked inappropriately”*

Fri 26/07/19 – 1.15am – E-mail received from local resident – *“It's 1.15 am there are still crowds outside the pub drinking being rowdy I have to be up in 5 hours for work”*

Sat 24/08/19 – 1.20am – Local resident emailed Neighbourhood Police team: *the pub is heaving inside and out, music is still playing, the noise outside is unacceptable in a residential area, this is not fair on people trying to sleep, how much more of this do we have to put up with”*

Sun 01/09/19 – 1.06am – Local resident emailed Neighbourhood Police team: *“Loud music from pub and people shouting horns sounding and parking is a joke, keep seeing how you give people tickets for obstructing pathways and parking on corners on Twitter , hows about visiting Hunters road, Barker street, and Weston road B19 once in a while in the evenings around 22:00 hrs let's see some action please, its past a joke.”*

Fri 20/09/19 – 11.47pm – Local resident emailed Neighbourhood Police team: *“Observatory*

pub taking the piss again with loud music and publicans shouting out side also illegal serving of food from barbecues yes 2 also I keep seeing on Twitter how people are getting fines and parking tickets for obscene parking, hows about visiting Weston road, Hunter's road, Barker street, just a thought?"

Oct 2019 (Exact date unknown) – Police responded to an incident involving a lit object (possibly a petrol bomb) being thrown through the window of the premises.

Mon 04/11/19 – 4.14pm – Local resident emailed Neighbourhood Police team: *"The observatory is having a barbecue outside in the street I thought they were not allowed or have been told about this"*

Thur 14/11/19 – 3pm – Local resident emailed Neighbourhood Police team: *"it has been quite a noisy weekend at the pub"*

20/12/19 – 1.11pm – E-mail received from local resident sent to Local Neighbourhood Police team, BCC Licensing and Environmental Heath – *"An incident that myself and my wife were subjected to at 11:45am this morning (20.12.19).*

We were viciously abused verbally out of the blue by the male owner of the Observatory pub. I had just parked my Vehicle on his side of the Road (Barker St) as my side was used up by the other Vehicles, this was obvious. He demanded I move my vehicle, and he insisted I had no right to park on his side.

Whilst he was shouting some vehicles on my side of the road had vacated, but by now we were in our doorway. He began to be more irate and vocal, and insisted I was the one making the complaints to the council for the parking problems and I only favour the taxi's parking, wherever.

I tried to reason with him that I had no control over who parks where. I then used the opportunity to remind him he should show a little respect to the local residents, when we ask him to lower the noise level of the music he plays late into the night, and to remind his customers whilst parked to do the same.

He continued to swear verbally and walked toward the entrance of his pub.

With this in mind, and as I didn't move my car from his side of the road, I believe he will raise the volume / bass to irritate us tonight, probably his way of teaching us a lesson.

The Observatory continues to be loud & heavy & violent arguments pursue regularly. On one occasion someone through a petrol bomb at the premises which came to nothing and the person was chased and beaten and a lot of commotion followed. The BBQ is still being used outside as members of the public walk by. The BBQ generates people to congregate and be loud, having no consideration for the local residents.

24/12/19 (Christmas Eve) – 8.23pm – E-mail received from local resident: *"There are now 2 BBQ's being lit from 5.30pm (24.12.19), we were alerted by the loud clashing of metal which went on for approx. 20min, in preparation of the BBQ's on a public footpath, this clashing will go on until the food runs out or if it rains. The crowd periodically in and out of the pub making themselves be heard.*

There is also a loud bass being played from the premises.

It is clear the Sign put up outside the premises to "show consideration to the local residence" is clearly being ignored.

30/12/19 – P6 log raised with Neighbourhood Police Team (details below):

For 4 evenings the noise & Music from the PH has been unbearable.

Music (bass) continues well past 1.30am on 25th Dec 19 (Christmas Day)

The aftermath of the night is seen on the street with the mess from the BBQ's remains, left outside the premises for the rats to rummage over 2 nights

26th Dec 19 (Boxing Day) & 27th Dec 19 evening the music from the vehicles and the PH continues to go on well past the 1am curfew.

28th Dec 2019 - a fight had broke out and lasted 10-15min with approx. 20+ people on looking, with non involvement to break it up from the management. Perhaps the music inside the pub must have been so loud it drowned out the butchery going on outside. Not heard if anyone was shot or stabbed, yet.

29th Dec 19 - Loud Music

30th Dec 19 - loud arguments and Music (current time 10pm)
