<p>What is your innovative idea and how does it show collaborative, partnership working and active citizenship?</p> <p>Northfield Arts forum, in partnership with Grieves Hall Community Centre and Friends Of Kings Norton Park, want to find and document stories of local citizens memories of the area, then capture them in permanent art fixed around kings norton.</p> <p>We would hold monthly arts cafes across kings norton to have storytelling workshops and to get people from different generations to chat to each other. We will then use local artists to create art work with community groups to place these stores around the area; at Grieves Hall, in kings norton centre, and down along the river.</p> <p>we will create a regular online and paper art magazine to show this work, to put the stories in print, and to create a space for local artists to share work.</p>
