I wish to submit my objections to licence application 92424

A number of residents have contacted me that the licence should be refused on the grounds of crime and disorder and of public nuisance as they believe that such a licence would encourage drinking in the local park and on the former garage (now car wash) site at the junction of Mary Vale Road and Franklin Road, which is where young people/gangs of youths already hang out as well as causing more litter in the area.

The property is within Bournville where there is currently no off sales of alcohol permitted and create a precedent as should one premise receive an alcohol licence this would have almost certainly encourage other premises in Bournville to apply for off sale alcohol licences. This would destroy the special and unique character of Bournville

Dear Licensing,

I wish to submit my objections to licence application 92424

I have been contacted by a number of concerned residents who have asked that the licence be refused as the granting of a license is likely to result in all four of the licensing objectives being broken.

I and my constituents believe that such a licence would encourage drinking in the local Cotteridge park (some 100m away) and on the former garage site at the junction of Mary Vale Road and Franklin Road, which is where young people/gangs of youths already hang out as well as causing more litter in the area. This in itself would invariably lead to an increase in alcohol fueled anti-social behaviour (causing a public nuisance) and would also put children in harms way.

Nearby Cotteridge park has already seen a number of alcohol fueled incidents of antisocial behaviour where alcohol purchased in Cotteridge or Stirchley has been brought into and consumed in the park. The premises in question is considerably closer to the park, and would almost certainly exacerbate the situation.

The property is within Bournville neighbourhood where there are currently no off sales of alcohol permitted and would create a precedent if one premise were to receive an alcohol licence. This would have almost certainly encourage other premises in Bournville to apply for off sale alcohol licences. This would destroy the special and unique character of Bournville.

The premises in question is a small, traditional news agent / sweet shop with a small amount of convenience foodstuffs. The shop is frequented by young children (often unaccompanied) and parents with children. To introduce the sale of alcohol to this shop would potentially put children in harms way

Can I also remind you that the application for an alcohol license by the nearby Tesco Express Bournville was (quite correctly) refused for the same reasons.

Subject: RE: Objection to application to sell alcohol-details of concerns

Dear Carolyn,

I spoke to your office and was advised I only needed to write in order to object. However one of my concerns is the public nuisance caused by another outlet that is allowed to sell alcohol. As I previously state there is now litter, an informal car wash, the loitering of people around the corner of the street and what appears to be an increase in number of youngish men (early 20's) using the car wash next door to the newsagent as a 'hang out'.

Once the children return to school this will become an increasingly uncomfortable place to be for them.

Again as I stressed previously there is an off licence less than a five minute walk away in Stirchley.

My address is York Close,
Bournville, B30

Kind Regards

Subject: Objection to 87 Maryvale Road alcohol licence

Dear Sir/Madam

I am writing to formally object to the application to sell alcohol from the convenience store at 87 Maryvale Road. I live in York Close just around the corner. My objection is based on the following:

- The increased likelihood of people congregating around the shop, which can be intimidating to passers-by, particularly as the convenience store is on a main pedestrian route to and from the train station. The trains run until the late evening (approx. 11pm) and walking past a group drinking on the street at this time will feel particularly intimidating.
- Children use and walk past the store on the way to and from school, the bus routes on Pershore Road and the train station. Child safety could be put at risk if individuals and groups congregate in the area and are drinking.
- The increased likelihood of alcohol being consumed in Cotteridge Park, which is an important and very well used community resource. This will likely increase the frequency and severity of anti-social behaviour and litter.
- It is likely to damage the ethos and safe atmosphere in Bournville, which is in no small part attributable to the lack of places to purchase alcohol. I understand that technically the corner shop is not in the BVT, however in reality its location feels very much part of Bournville.
- Alcohol is available for consumption next door in the Working Mens Social Club, so there is already opportunities to consume alcohol nearby. The drinking takes place within the Club however, whilst if sold from the shop drinking is more likely to take place on the street and in the Park. It is likely that Police call outs will increase, placing additional costs on Policing.
- If people wish to purchase alcohol for consumption at home, the Co-op is only just down the road which sells a wide selection of alcohol.
- Unlike places like Moseley and Kings Heath, Bournville does not really have any restaurants or any at all with a bring your own bottle policy. The convenience stores in Moseley and Kings Heath sell alcohol to service these restaurant goers, therefore alcohol is consumed in a restaurant with a meal. If 87 Maryvale is granted an alcohol licence the only options can be in the home or on the street.

I do not believe that this proposal is widely known. I only noticed a small A4 letter attached to the shutters of the convenience store. It is not legible or particularly noticeable if you are walking by on the pavement. I suggest that larger posters and even direct letter drops would be necessary to ensure all local residents are informed and have the opportunity to comment.

Many thanks

Subject: Objection to licensing application - Mary Vale/Franklin Road corner shop

To whom it may concern

I understand that the convenience store at the corner of Mary Vale Road and Franklin Road in Bournville has applied for a licence to sell alcohol. I would like to object to this given the anti-social behaviour this is likely to bring with it. There is already plenty of anti-social behaviour associated with the social club - we don't need to add to this.

Kind regards

Subject: Objection

I live locally to Maryvale Road & understand the shop at 87 has applied for an alcohol licence. I wholly object to this. The shop is situated in Bournville which notoriously does not have any shops which serve alcohol. I have 3 children & live in Bournville as it is safe & there are generally no undesirables hanging around the streets!!

The attraction of youths to corner shops is huge & the general anti social behaviour & crime that go with it will most certainly bring the suburb of Bournville down to a less desirable place to live. There are plenty of other local places that sell alcohol, namely Pershore Road in Stirchley where there are several & also Cotteridge.

I trust you will take this objection seriously.

Subject: Mary Vale Road News Alcohol Licence

Dear Sir or madam

I'm emailing to register my objection to the granting of an alcohol licence to Mary Vale News on Mary Vale Road, B30. This shop is situated within Bournville and the sale of alcohol has been restricted since the estate was established by George Cadbury. This has meant the community has benefitted from the lack of social disorder and anti-social behaviour frequently linked to alcohol consumption. Furthermore, the shop is situated on a junction of Mary Vale Road and Franklin Road, near an unused petrol station, and would be likely to attract on street drinking etc.

The shop is an important local amenity and will be continued to be used by residents without the sale of alcohol.

I hope the request for a licence is rejected.

Yours faithfully

Subject: RE: Licensing Act 2003 Premises Licence (Grant) Re: Mary Vale News, 87 Mary Vale Road, Birmingham, B30 2DP

Dear Bhapinder Nandhra,

Thanks you for your interesting and informative response.

Please accept this as my representation against the license application to sell alcohol at the premises situated at 87 Maryvale Road Bournville B0 2DP

The representation is made under the following licensing objectives:

The prevention of crime and disorder - selling of alcohol across the counter in this area will provide easy access to the numerous youths that currently loiter around this area and lead to potential petty crime, **public nuisance**, leading to reduced **public safety** and reduced **protection of younger children from harm** and poor role model influence.

In addition to this and as previously mentioned, Bournville has managed to remain free of beers wines and spirits being sold across the counters in shops since the 1800s and I can see no reason for it to start now when there are plenty of places within walking distance, but outside Bournville, where alcohol can be bought.

Bournville has a beautiful friendly and safe park less than 200 yards away in Franklin Road and the last thing we need is underage kids and 'troubled' adults using the park as a place to consume drink sourced so near by.

Reputations are lost far quicker than they are gained and my concern, and that of many of my friends in Bournville and beyond, is that granting this license will have a negative impact on the village and harm the long standing reputation Bournville has as a peaceful trouble free place to live and I feel very strongly that this application should be refused.

I do hope that this provides you with sufficient detail to officially record my representation, if not perhaps you could provide me with an example of what would be acceptable because as an ordinary citizen this is not something I'm wholly used to and with the deadline fast approaching I would not be happy should the deadline pass without my objection being recorded.

Yours sincerely

Subject: RE: Licensing Mailbox

Good morning,

Thanks for letting me know.

Please accept this as my representation against the license application to sell alcohol at 87 Maryvale Road Bournville B0 2DP.

As per the below, I would like the representation under the 'prevention of crime and disorder';

I believe that selling alcohol across the counter at this location will attract more crime, more noise and more disorder in the youths. As you know, Bournville has remained free of alcohol being sold over the counter for over 200 years, and as such the area is highly popular due its unique positioning in the market. The opening of a shop selling alcohol will attract more attention, especially young adults and youths, who will populate the area during the evenings, especially as the park on Franklin Road, and just seconds away from my family's home, this will be less safe and less appealing.

I do hope you take this into account.

Many thanks,

Subject: Objection for an alcohol licence for 87 Maryvale Road

To whom it may concern

I wish to express my objection to the granting of an alcohol licence for 87 Maryvale Road, B30 2DP.

I am very upset and concerned about the impact this would have on the residential streets surrounding the shop and immediate areas. There have been previous issues with anti-social behaviour around Cotteridge Park/Cotteridge and this can only add to the problem. Young people congregate on the corner of this shop currently so the fact that they will also be able to buy alcohol will just make the situation worse. My elderly neighbours have already expressed deep concern about the availability of alcohol in an area they have always previously felt safe in.

I feel this application has been dealt with inappropriately. I have been informed that the owner of the shop has asked customers to sign a petition to agree to the application when purchasing from the shop. Some residents may feel under pressure to agree to this, particularly the elderly.

It would be very much appreciated if a colleague can confirm why letters have not been issued from Birmingham City Council to the local residents informing them that an application has been made. A small notice in a shop window is surely not a sufficient way to convey the information to residents.

I look forward to your reply regarding my concerns mentioned in my email.

Regards

Good evening Bhapinder,

As noted in my original email, there is a concern of public disorder regarding behavioural incidents within Cotteridge Park. The local police have already had to monitor the area, and I don't believe it would help to have a corner shop selling alcohol in such proximity.

There is also a nuisance issue - cars already park over double yellow lines and in unsafe areas to access this shop, and with little being done to deter this already, I believe this is reason enough to lodge an objection in terms of the license.

Best regards,

Sub - Off License Application of Maryvale News, Maryvale Road, B30 2DP

Dear Sir/Madam

I would like to inform you that I do support the Off License application of Maryvale News.

I have been living in this area for a long time and have always felt the need for a shop selling beers/wines in the area. We have to walk/drive a long distance to buy beers/wines etc. It will be an added advantage to the community and area. It will save people driving to far areas to buy beers/wines etc. It will also support to our local shop.

In my opinion it will not create any harm to children and will not create any disorder or nuisance in the area. We have discussed about this in our neighbourhood also and people are very supportive this off license application.

Sincerely

Dear Sir/Madam

For many years now we have known Mr. & Mrs. Kamal Sharma of Maryvale News which is situated at 87 Maryvale Road, Birmingham B30 2DP. I have a regular newspaper delivery from them.

During the years that they have owned the shop they have relied largely on customers who worked at nearby Cadbury as well as custom from householders. Cadbury has shed many workers and as a result Mr.Sharma has lost a lot of trade. A lot of shops at the top of the road have closed because of the economic situation, so the future does not seem very bright for the local shops.

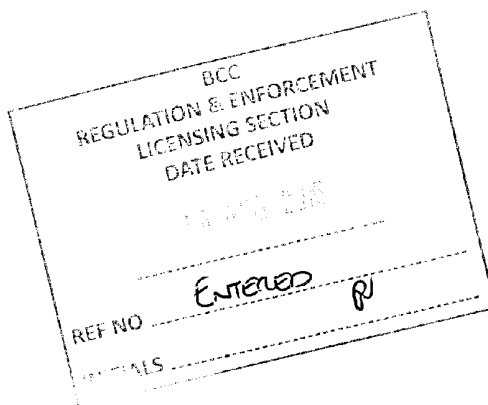

Mr. Sharma is a competent man and already stocks some extra items to both help themselves and nearby householders. Now he is seeking to stock alcoholic beverages which may help him to save his business in the longer run. I support their application and request you to grant them license to sell alcohol as it will help him and other householders living nearby.

These are decent, good citizens who work hard are friendly, most helpful and contribute a great deal to the happiness of many.

He has always been diligent in obeying the law in regard to children and tobacco. Having young children of their own, he has demonstrated to me how the care of his children extends to others.

It is my opinion that if Mr. Sharma is allowed to sell alcohol in his shop it will not pose any risk to children or cause anti-social behaviour or criminal activity in the area. In any case there has not been a history of trouble despite alcohol being sold in nearby clubs, hotels and shops.

Yours faithfully

Selly Hall Croft

Dear Sirs,

I wish to support my local shop
in Mary Vale Rd (Mary Vale News) in their
effort to be allowed to sell Alcohol on the
premises.

Having lived in the area for 10 years, it would be
in my opinion not pose any risk to children or
contribute to any anti-social behaviour.

I Believe the area needs this store as we need
to go to Edgbaston or Stirchley to purchase alcohol.

Dear Licensing Authority Worker,

I am writing to you in
order to recommend MaryVale News, for a license to sell
alcohol.

I am a regular customer with MaryVale News, as I live near
by and am familiar with my area.

The shop's opening hours are such, that there would be a
limited "window", if alcohol were to be sold. Thus, in my
opinion & sound knowledge of local customers etc, there would
be no risk of anti-social behaviour.

The owner and his family are moral citizens of B'ham and have
strong ethical values, which are appreciated by customers.

They would never sell alcohol to anybody underage, or, to any person
they suspected of supplying to a minor.

This family are upstanding members of this community and I can see
no reason why they should not get a license.

Thank-you,

Yours Sincerely,

Wednesday, 12th August, 2015.

Dear Sir/Madam,

I wish to support the application by Kamal Jit Sharma of Mary Vale News, 87 Mary Vale Road, Birmingham, B30 2DP, for a permit for the sale of alcohol, for consumption off the premises, between the hours of 10.00 and 2100 Monday to Sunday Incl.

I have been a resident and home owner nearby since 1979 and I am familiar with the local area which can be described as quiet residential which has seen no anti-social behaviour. I have known Mr Sharma for the period he has been the proprietor of the premises and have found him to be of good character.

It is common knowledge that owners of such businesses have found it difficult in recent times to make a living income out of Convenience Stores of his kind. For instance, the local Cadbury's factory has reduced foot-fall considerably with its change of ownership and restructuring with consequential drop in newspaper sales and other items.

The loss of the business would considerably impact negatively with the community both in terms of convenience but also what such businesses bring to a community socially. School children need its services both on the way to and from school. It provides a source of messaging for the community and also provides employment for young people to deliver newspapers, which is an indicator that the elderly need its services.

I see no reason why the application cannot be awarded which might help to retain the services the business is able to provide locally. I do understand that young people, some still considered legally children, might be of concern, however, such issues can be dealt with only if and when they occur. Although I have not seen, or heard of, any anti-social behaviour, Mr Sharma is fully aware of the dangers of disorder, or anti-social behaviour, should such arise because he has installed strategically located CCTV cameras.

Yours Sincerely,

Reg : **Alcohol Licensing Application of Mary Vale News, Mary Vale Road, B30 2DP**

As a local resident in the area I believe that Mary Vale News licensing application is a step in right direction for local residents. There has been overwhelming local support for this application. The proprietor of the shop is law-abiding and responsible person of the community. While doing shopping in this shop I have noticed him refusing selling cigarettes without ID or any other age proof, so I believe he is a responsible citizen and shopkeeper.

I fully support this application as it will be a convenience to all residents and will help to save the local shops. I don't think it will contribute to any anti-social behaviour or create harm to children. It will also save us driving or walking to far areas to buy alcohol.

Sincerely

To whom it may concern;

Re: Licence Application to sell alcohol from 'Maryvale News' Maryvale Road, Bournville

With regard to the request for the Newsagents Maryvale News, 87 Maryvale Road, Birmingham B30 2DP, who are applying for License to sell alcohol in the said shop.

I _____ of the Lifford Business Association do hereby put it on record that we have no objection to this application and wholeheartedly support the same in view of the Shopkeepers good references and report by Sergeant Matthew Crowley.

Also as the premises is outside BVT or the Bournville Conservation Area, we do not feel it would have any adverse effects on BVT protocol or the residents of Bournville as long as the said proprietor Kamal Sharma sells alcohol to the general public as responsibly as it does currently with other prohibitive products (e.g. Cigarettes), we the LBA see no reason to object to the application on appropriate conditions being put in place by the business in co-operation with the Police(reviewable as seen fit by West Midlands Police and Birmingham City Licensing).

We the LBA support all local independent responsible businesses within our proposed BID area that benefit the local economy and obviously the local populace it serves within Bournville, Cotteridge, Stirchley and Kings Norton.

We wish 'Maryvale News' all the best in their application.
