The problems facing vulnerable road users (children; adult pedestrians; cyclists; motorcyclists; and 16 to 24 year olds, particularly males) are addressed sufficiently	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Are there any road safety issues which you feel are not adequately addressed in this strategy? If so, what are they and how should Birmingham City Council and its partners address them?

Please use this space for any comments about the actions proposed in the action plan:
If your comment is about a specific action, it would be helpful if you could use the reference beside it (e.g. SR1).

Do you feel there are any other road users who should be given stronger recognition in this strategy? If yes, please provide details.

Are there any other groups or stakeholders we should be working more closely with to improve road safety? If yes, please provide details.
