Subject: RE: TENS - 31 Ashfurlong Crescent

All,

On behalf of Environmental Health I object to the above TEN on the grounds of public safety.

I have assessed all the submitted risk assessments however, I am still concerned that the COVID risk assessment does not comply with government guidance (please see link below). We cannot see how there can be compliance in such a small area.

In addition, the TEN does not indicate who will ultimately have responsibility for the implementation of the COVID protection measures.
