Cabinet Member Health and Social Care / Justin Varney, Director of Public Health	<p>The Birmingham Suicide Prevention Strategy has been to the Health and Wellbeing Board for ratification and will then be brought to Full Council for information. The Strategy has been co-produced with partners from the NHS, voluntary and community, business and academic sectors of the City and with the support of Public Health England and NHS England. The delivery of the strategy is through the Suicide Prevention Working Group which reports to the Creating a Mentally Healthy Forum which is a sub-group of the Health and Wellbeing Board. The Birmingham Suicide Prevention Strategy will be brought before Full Council when Purdah concludes. The Birmingham Suicide Prevention Working Group meets on a quarterly basis and the next meeting is due to be held on 3rd December. This meeting will focus on Regional and National updates and to hear and note feedback from a wide range of partners including Network Rail, Birmingham & Solihull Women's Aid, NHS Birmingham & Solihull Clinical Commissioning Group, and Common Unity on assigned actions from the Suicide Prevention Action Plan. A data sharing agreement between Birmingham City Council and the Coroner's Office is now underway so, in time, we will be able to receive Real Time Suicide Surveillance which will enable identification and analysis of trends and patterns related to potential linked cases/clusters, systematic sharing of timely information with public health in order to enable proactive action to be taken to prevent suicide. The Health and Wellbeing Board has established the 'Creating a Mentally Healthy City Forum' to focus action on improving mental wellness in the City,</p>

The Forum will report to the Health and Wellbeing Board on an annual basis and will meet formally for the first time in October 2019, chaired by the Cabinet Member for Health and Social Care. To support the Forum the Public Health Division has been hosting workshops with a broad range of stakeholders to develop the thinking. The Forum sits alongside the NHS led partnership forums focused on Mental health diagnosis, treatment and support, in which the Council plays and active role.

2a	09-Jul-2019	<p><i>Motion for debate:</i> This Council recognises that it is now over 25 years since the protocol regarding officers' responses and replies to members' enquiries was established.</p> <p>Since then the communications world has radically changed, the majority of complaints and enquiries to Councillors are via email.</p> <p>This Council therefore agrees to establish a task and finish working party through the Co-ordinating Overview and Scrutiny that would create a new protocol for responses to members' enquiries.</p> <p>This protocol should guarantee:-</p> <ul style="list-style-type: none"> • the prompt provision of acknowledgements to Councillors' enquiries by officers; and • the provision of a substantive response to the enquiry within a fixed and agreed timescale, based on the issue raised; and • A system of chasing up Councillor enquiries that are not responded to within the target period. 	Deputy Leader / Chair, Co-ordinating O&S Committee / Emma Williamson, Head of Scrutiny Services	The Co-ordinating O&S Committee has commenced work on this as part of its on-going inquiry [September 2019 update]

3e	10-Sep-2019	<p><i>Motion for debate: illegal encampments</i></p> <p>The Council resolves to</p> <ul style="list-style-type: none"> Write to the government expressing support for the proposed new powers listed above and for making deliberate trespass a criminal offence, but raise concerns about the impact on cash-strapped local authorities of allowing neighbouring authorities to avoid their responsibilities towards the gypsy and traveller community. This letter should make the case for both of these to be implemented as soon as possible and also for additional funding to be provided to police services 	Cabinet Member, Social Inclusion, Community Safety & Equalities / Rob James, Acting Director Neighbourhoods	<p>4th November Transit site opened in Proctor Street. The 4 unauthorised encampments (31 caravans) visited by BCC and WMP 4 to 7 November and served with direction notices to go to the transit site. All left the city by the afternoon of the 4th November.</p> <p>Three unauthorised encampments visited City in remainder of November 2019 two lasted less than 12 hours and left before notices could be served, the third was directed to the transit site and have set up on the site and are paying fees.</p>

		<p>and local authorities to allow them to carry out this work effectively.</p> <ul style="list-style-type: none"> Continue to work to revise the existing protocol agreed with the West Midlands Police. The council has a legal requirement to meet its equality duty and must consider the welfare of trespassers and is required in law to decide whether it can tolerate the encampment. Continue to work on building the detailed evidence base required to gain a city wide injunction against unauthorised encampments to enable the speedy removal of such encampments and prevent the practice of moving from site to site within the city boundaries. Request the relevant Director and officers to see what more can be done to recover costs through the courts from trespassers for the associated legal fees, repairs to property and cleaning costs and to report back to Housing and Neighbourhoods Overview and Scrutiny Committee. Work with local councillors, friends of parks and other community groups to identify areas vulnerable to trespass and prioritise those for appropriate preventative and deterrent measures as and when funding permits. A report to be provided back to Housing and Neighbourhoods Overview and Scrutiny Committee. Promote clearer reporting mechanisms for residents so that swift action can be taken at the first sign of unauthorised encampments being set up and that the relevant officers report back on 		<p>LPPC report submitted 23/10/19. Letter to government drafted and agreed but will not be sent until after the election.</p> <p>The Memorandum of understanding has been redrafted to include the use of the Police Sec 62A Direction Notice. Where this has been used the unauthorised encampments, on council land, have ceased within approximately 12 hours of notice being served 18 hours from notification to recovery of land.</p> <p>In all cases where parks have been protected via this route the matter has been referred to the High Court in Birmingham. A case has been drafted and submitted to city solicitors with a view to applying for a city-wide injunction. These injunctions are under the Anti-Social Behaviour, Crime and Policing Act 2014 and as such we are obligated to demonstrate significant levels of antisocial behaviour in the areas we are applying for an injunction (i.e. across the whole city) to enable this application to be successful. Through November 2019 there have been no unauthorised encampments in the city over 24 hours and only one has used the transit site, the remainder have left the city. None of the encampments have exceeded 24hrs from first notification to the encampment leaving. There have been no reports of significant antisocial behaviour nor statements provided to the council or the Police of such. At this stage the evidence is not there to enable an application to the High Court for an injunction.</p> <p>Officers have taken steps to achieve this and it has included prosecutions of those committing offences and seizure of vehicles identified in fly-tipping offences. Report to O/S being drafted</p> <p>This is being reviewed in the light of a significant reduction in in authorised encampments.</p> <p>Officers are unaware of any difficulties in the reporting of encampments. Whether it comes via the Police or the Birmingham Council our experience is that both Police and Council response officers are often made aware almost simultaneously of the setting up of the encampment or occasionally the following morning if it has set up overnight. We will review BCC web pages.</p> <p>Officers are looking to recover Tameside Drive and reviewing the actual demand for spaces on the Proctor Street Transit site.</p>
