Adverse impact on any people with protected characteristics. Not applicable

Could the policy/proposal be modified to reduce or eliminate any adverse impact? Not applicable

How will the effect(s) of this policy/proposal on equality be monitored? Not applicable

What data is required in the future? Not applicable

Are there any adverse impacts on any particular group(s) No

If yes, please explain your reasons for going ahead. No

Initial equality impact assessment of your proposal

This is a proposed change to the arrangements under which highway maintenance and management services will be delivered. The means by which those services are delivered in so far as they might impact upon protected characteristics is unchanged.

The relevant data for this assessment is the commercial and financial

information as identified within the report.

Consulted People or Groups

Informed People or Groups

Summary and evidence of findings from your EIA

The Highway Maintenance and Management PFI contract delivers investment, maintenance and management services for the council's highway infrastructure to discharge the council's statutory duties to maintain and manage the public highway and ensure that it remains available. This decision affects the way in which these services are contracted for and does not change how they are delivered in respect of the potential impact on anyone with a protected characteristic.
