(on behalf of) the chief officer of Police for the West Midlands Police area apply for the review of a premises licence under section 53A of the Licensing Act 2003

1. Premises details: STORIES

Postal address of premises, (or if none or not known, ordinance survey map reference or description):

30 Ladywell Walk

Post Town: **Birmingham**

Post Code (if known): **B5 4ST**

2. Premises Licence details:

Name of premise licence holder (if known): **New Era Birmingham Ltd**

Number of premise licence (if known): **3897**

3. Certificate under section 53A (1)(B) of the Licensing Act 2003 (Please read guidance note 1)

I confirm that this is a certificate has been given by a senior member of the police force for the police area above that in his/her opinion the above premises are associated with serious crime or serious disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

4. Details of association of the above premises with serious crime, serious disorder or both:

(Please read guidance note 2)

The above premise is a nightclub situated in the Southside Night time economy area of Birmingham.

On the 1st October 2019 the premises submitted as usual a risk assessment detailing what events they were having on for that week. This was sent to a Police licensing officer, and detailed that they were open for two nights that week.

Both events are indicated as being advertised and promoted internally, this means they are done by the premises and not through an external promoter. The events listed were – Friday Chapterz20 and Saturday Radio 1xtra.

The name of the DJ's for the Saturday night were there 5 normal DJ's, with one special DJ listed from Radio 1xtra. Although this DJ was listed from radio 1xtra there was no indication that this event was an official party to the Radio 1xtra concert that was happening in Birmingham on the 5th October.

This application is around the events for the Saturday (Radio 1xtra).

On Thursday 3rd October 19 the DPS phoned and spoke to a licensing officer, stating that they had added an additional dog unit to the 10 security they had on for the Saturday night.

The DPS also informed us that they had discovered that a table that had been booked and had been under false details so they had cancelled the booking as the people on that table had been involved in the serious disorder in April of this year.

On Friday 4th October 19 the DPS sent through a list of persons on their guest list for the event on the Saturday. The list consisted of 491 people (some with additional plus numbers next to them). This was received at 15.10 hours on the Friday, with the amount of people on the list and the time it was submitted West Midlands Police were unable to action any request to look at the details.

At 03.58 hours on Sunday 6th October West Midlands Police received a 999 call from the DPS stating there was a fight and he was trying to get everyone out of the premises.

As officers were being dispatched another call came from City Road Hospital.

At 04.07 hours on Sunday 6th October 2019 West Midlands Police received a 999 call from City Road Hospital, stating that a male had walked into the hospital 5 minutes before with a stab wound to the neck.

The 999 log indicates that the male has stated to hospital staff that he has stabbed and that the hospital have said "looks like someone has hit him to the back of his head with something large – can see his spinal muscle"

This injured male refused to assist officers who attended the hospital, stating he was not aware where it happened, who did it, how it was done.

Officers have then conducted enquiries at Stories following the reports of the fight and on viewing the CCTV there is serious; significant disorder occurring in the premises. Tables are used as weapons and people can be seen walking around with bottles in their hands. The way they are holding the bottles, by the neck indicates they were being held as weapons.

Footage has also been found through social media, of a person inside the premises. Careful analysis of this footage does show a male being ushered out of the premises with a clear wound to the back of his neck on the left hand side. He also appears to have Afro corn rows as a hair style.

The location of the wound and the hairstyle corroborate the physical details of the male who presented himself at hospital. Although the male will not assist the Police, officers

have looked at the pictures of the wound and their professional opinion is that the wound is the result of a knife and not a bottle.

Not all the CCTV footage has been viewed yet which will be an on-going live investigation as the wounding to the male has been crimes as an attempt murder.

However from what footage has been seen, there is clear significant disorder within the premises, people are arming themselves with bottles to use as weapons, and someone leaving the premises quickly with a neck wound to the rear left hand side of his head.

The investigation is continuing, intelligence that has been graded the highest possible has been received indicating that individuals seen on the social media footage are gang nominals and that they had also been involved in disorder at the Radio 1xtra concert.

The intelligence indicates that the disorder involved local organised crime groups and persons from London. Again this reflects that persons at the hospital with the IP indicated they had come up from London to go to the event.

Although the call from the premises was times at 03.58 to disorder on the CCTV starts at 03.40 and continues for some minutes.

The distance from Ladywell Walk to City Hospital is around 3 miles.

This is not the first time this year West Midlands Police have issued licensing proceedings against these premises. In April 2019 there was a private party booked at the venue, disorder escalated both inside and outside the premises, weapons were used including bottles and a knife was recovered.

As a result of this incident following an expedited review conditions were imposed on the licence, including bottles being tethered to tables, all door staff wearing body cams, all persons going through a metal arch.

None of these conditions are currently live on the licence as the premises have appealed that decision, but a lot of the circumstances of this event mirror what happened before.

With the history of these premises and the serious crime and disorder associated with it West Midlands Police are seeking the immediate suspension of the premise licence.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

West Midlands Police

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: Stories

Premise Licence Number: 3897

Premise Licence Holder: New Era Birmingham Ltd

Designated Premise Supervisor: Ryan Gough

I am a Superintendent in West Midlands Police.

I am giving this certificate because I am in the opinion that the procedures under the Licensing Act are inappropriate in this case because the standard review procedures are thought to be inappropriate due to the seriousness of the crime and the disorder at the premises and that this the second such application for a similar matter.

The level and seriousness of the incidents both in terms of the crimes being committed and the serious disorder warrant the use of this power. I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstance due to the above reasons, and the fact that to maintain the licensing objective of preventing crime and disorder the normal review procedure would not be sufficient.

The severity of the incidents is a matter that needs to be brought to the attention of the Licensing Committee immediately.

The concern of West Midlands Police is that if steps are not taken to consider the running of these premises they will continue to be used in the manner in which they were discovered on the weekend of the 5th October 2019.. I am conscious of the guidance on the use of "Expedited Reviews" and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.

Signed

BIRMINGHAM CITY COUNCIL

LICENSING SUB COMMITTEE A

THURSDAY 10 OCTOBER 2019

STORIES, 30 LADYWELL WALK, BIRMINGHAM B5 4ST

That having considered the application made and certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 for an expedited review of the premises licence held by New Era Birmingham Ltd in respect of Stories, 30 Ladywell Walk, Birmingham B5 4ST this Sub-Committee determines:

That the licence be suspended pending a review of the licence, such a review to be held within 28 days of receiving the Chief Officer of Police's application.

The Sub-Committee's reasons for imposing these interim steps are in response to representations made by West Midlands Police in relation to an incident which occurred on Saturday 5th October 2019 and involved levels of serious crime and serious disorder at the premises as outlined in the Chief Officer of Police's certificate and application.

The Sub Committee determined the cause(s) of the serious crime and serious disorder partly originated from deficient security measures and an inability of management to communicate sufficiently with the police. In particular the Sub-Committee were concerned about the use of a side entrance with insufficient security measures which, in the opinion of the committee, did not show due diligence on the part of the premises and may have caused the conditions for the serious incident which occurred.

The Sub-Committee considered the alternative interim steps which could have been taken but were of the opinion that suspension was the necessary interim step pending the full review of the premises licence. The Sub-Committee did not believe that any of these would address the totality of issues brought to their attention by the police.

It was therefore necessary and reasonable to impose these steps to address the immediate problems with the premises, in particular the likelihood of serious crime and or serious disorder, and to promote the prevention of crime and disorder objective in the Act.

In reaching its decision, the Sub Committee considered whether the proposals submitted by the premises licence holder addressed the issues identified but were not satisfied that these proposals were the necessary interim steps required pending full review. The Sub-Committee took into account the previous history of serious disorder at the premises and the conditions which had been imposed in May 2019, and subject to appeal by the venue. The Sub-Committee reasoned that

the premises had refused to accept these conditions in May and did not have confidence that the premises would impose these conditions to the extent necessary pending full review.

In reaching this decision, the Sub-Committee has given due consideration to the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office in relation to expedited and summary licence reviews, and the submissions made by the police (and the premises licence holder) at the hearing.

All parties are advised that the premises licence holder may make representations against the interim steps taken by the Licensing Authority. On receipt of such representations, the Licensing Authority must hold a hearing within 48 hours.

All parties are advised that there is no right of appeal to a Magistrates' Court against the Licensing Authority's decision at this stage.
