

- 1) A multi-agency site inspection will take place on the morning of the Festival. WMP will be invited to attend.
- 2) A debrief will be held within six weeks of the Festival.
- 3) Any suggestions made in respect of Counter Terrorism will be taken on board and incorporated into the final security plans. This could be up to the day of the Festival.
- 4) A Final Events Manual will be produced three weeks before the day of the Festival. However if additional requests are made after this date it will be amended.
