

COVID-19 Vaccination Overview

Data extracted on 05/01/2022

Vaccine Roll Out

Booster jabs will continue to be offered to all adults (aged 18+) to tackle the growing wave of Omicron cases

Children aged 12-15 years old can get the vaccines either at school, or book online for appointments at vaccination centres or pharmacies, or through walk in sites, which are available at locations across Birmingham.

The 16-17 years old can also receive their vaccines through walk-in sites which are available at locations across Birmingham.

From April 2022, Covid-19 vaccination will be mandatory for all patient-facing health and social care workers in England including nurses.

Figures from the [GOV.UK](https://www.gov.uk) website indicate that 90.0% of England people aged 12 years and over have had their 1st vaccine dose, 82.4% their 2nd dose, and 59.6% their booster dose. This compares to 67.1%, 59.6% and 36.9% in Birmingham. The vaccination roll-out in the 12-15 age group will impact the overall uptake figures, compared to uptake at age 16+.

Uptake* by Date of Vaccination (updated 05/01/2022)

Uptake* of 1st dose has slowed since the end of June, whilst uptake of 2nd dose slowed in mid-August. The current rate of uptake for the 1st, 2nd and booster doses in Birmingham residents aged 12 years and over (67.1%, 59.6%, 36.9%) is significantly lower than the rates for West Midlands (79.4%, 73.0%, 53.2%) and England (90.0%, 82.4%, 59.6%).

*The vaccination roll-out in the 12-15 age group would also likely impact the overall uptake figures, compared to uptake at age 16+.

The booster figures reported are significantly different from previous reports because of the change in the eligible population used as the denominator population. The eligible population used for booster uptake is the eligible population used for dose 1 and dose 2 uptake (as reported in the Gov.UK website) Previous reports were based on eligible populations of those who had been fully vaccinated

Ongoing local actions to improve vaccination uptake

- **Housing B8 pilot**, in partnership with the NHS, BCC housing department and Dispharma Chemist community pharmacist delivered an “Action Day” campaign, which raised awareness of the importance of residents taking the vaccine and booster. The awareness campaign included the following:
 - Signposting residents to the local community pharmacist Dispharma Chemist that offered walk-in service of first, second and booster doses on the 18th and 19th December.
 - A briefing session on 9th December was delivered by the NHS to housing staff about the COVID-19 vaccine.
 - Targeted leaflet drops on 15th, 16th and 17th December with information about the benefits of the vaccine.
 - Leaflets translated into Hindi, Polish, Urdu and Punjabi to reflect the population.
- **Social media messages** have also been targeted promoting the vaccine and its benefits, including information about walk-in locations across Birmingham. For example, one of the commissioned providers - CommPlus delivered some of their community engagement on their Facebook page promoting the BSL videos on ‘Vaccine Awareness for 12-15-year-olds’.
- **“JabCab”** campaign in partnership with the NHS and TOA Taxis offers free taxis targeted at residents with mobility issues, taxis will take residents to their nearest vaccination centre.
- **Community Vaccine Champions** programme - funded by the Department for Levelling Up Housing and Communities. Design and planned roll-out targeting the 10 Wards with the lowest vaccine uptakes.
- **Disseminate relevant information via our existing established networks** – commissioned engagement providers, Covid Community Champions and faith groups.
- **Deployment of multi-cultural street teams** carrying out face-to-face engagement in six lowest uptake wards, along with Sutton Walmley/Minworth, New Street Station and the Bull Ring.
