1 Executive Summary

- 1.1 This report provides details of a recommendation that the Council Business Management Committee, on behalf of the Council, approve a period of absence from meetings by Councillors pursuant to section 85 of the Local Government Act 1972.

2 Recommendations

- 2.1 That Council Business Management Committee approves the non-attendance of all Councillors at Council meetings from 01 April 2021 until 30 September 2021 for coronavirus related reasons, pursuant to S85 Local Government Act 1072.

3 Background

- 3.1 Section 85(i) of the Local Government Act 1972 states “if a member of a local authority fails throughout a period of six consecutive months from the date of his last attendance to attend any meeting of the Authority, he shall, unless the failure was due to some reason approved by the authority before the expiry of that period cease to be a Member of the authority”.
- 3.2 Attendance in an official capacity at a meeting of a committee or sub-committee of the Council or at any meeting of a joint committee or other such body discharging functions of the Council or at any meeting as a representative of the Council is deemed to be a ‘meeting of the Council’ (section 85(ii)).
- 3.3 If after six months from the date of a member’s last attendance to attend any meeting, the Council has not approved the absence then the member as a result of the operation of law ceases to be a member of the Council from that date. The six

months runs from the date of the member's last attendance and approval must be given within that six month period.

- 3.4 Once approval has been given **and it can be for no more than 6 months** prospectively or retrospectively or a combination of both – this statutory six months period begins to run from the end of the period for which approval has been given.

4 Recommended Proposal

- 4.1 The Council is again changing how it conducts its business in response to the coronavirus pandemic. Attendance at remote meetings is no longer permitted for elected members (ended on 7 May 2021), and at the same time, attendance at some meetings is being restricted to facilitate social distancing and to reduce travel for members.
- 4.2 Therefore, it is proposed that dispensations be granted as set out in Section 2. If the dispensation is not granted, then either the Councillors must attend council meetings (which may require meetings to be held in order to allow councillors to meet the six month requirement) or be automatically disqualified as a Councillor.
- 4.3 If the pandemic continues to have a significant impact, then a further report requesting dispensation may be presented to CBM before expiry of the six month period.
