

## **HODGE HILL DISTRICT COMMITTEE MEETING – 23 NOVEMBER 2017**

### **Phil Grainger, Place Manager, Shard End Ward**

Hi all, just to update you on performance and works above undertaken by the Shard End Ward team:

We have removed 95.10 tonnes of rubbish from housing land, including access ways, confused spaces etc.

We have recycled 7 tonnes of wood chippings from green waste works.

We have recycled 6.5 tons of leaf mulch from green waste/leaf collection/removal works in the Ward.

We have recycled 1 tonne of furniture that has been donated to Welcome Change Charity.

The work has been undertaken utilising the Shard End Ward Tipper, wood chipper and leaf collecting/mulching machine .

The work has been undertaken by the Neighbourhood caretakers, Place Team and supported by Elected Members, local residents and partners.

Regards,

Phil
