### LATE REPORT

**\* To be completed for all late reports, ie. which cannot be despatched with the agenda papers ie. 5 clear working days notice before meeting.**

#### Reasons for Lateness

The key issues set out in the report were considered at a meeting of EMT, held on Tuesday 21<sup>st</sup> June 2016. Feedback from that meeting has been used to update the report accordingly.

#### Reasons for Urgency

The timetable for the procurement of a new contract for the treatment and disposal of waste has been identified as a key project risk. This report updates Cabinet on recent progress and sets out a challenging timetable to complete the required procurement.
