Subject: Objection to African Village Application 95047.

Dear Sir/Madam

RE-APPLICATION FOR EXTENSIONS TO EXISTING PREMISES LICENCES AT AFRICAN VILLAGE, PERRY BARR B20 3JE, UNDER LICENSING ACT 2003 - reference 95047, 26 February 2016 Mrs Bisso Assembe, Mr Simeon Aguh

I wish to object to the above re application for extending existing licensing hours.

Nuisance objections and public safety issues

The sale of alcohol both on and off the premises and entertainment between 1pm and 6am the following day every day of the week is excessive (17 continuous hours). The premises are close to residential and family households and the potential for noise and nuisance is enormous. This is not the city centre and should not be treated as such. In spite of the presence of a car park, people will be walking too and from their cars and taxis etc also creating problems. We know that alcohol consumption is a major cause of nuisance, drunkenness and bother for our already overstretched police force and residents do not want these kind of problems.

I received an e mail from Mrs Assembe when I made an objection to the original application of 18.01.2016. In it she specifically said that if customers think they only have a short time to drink things always end up badly! The e mail said " *just like with all the African villages before, we seek for longer hours to control our customers better, if you tell them that you are closing at 4am they come at 12 midnight and drink quick and get drunk badly and to leave you the doors staffs have to rush the it always ends up badly. While after 5am they are tired and ready to go the doors staffs have enough time to get everyone out gradually without precipitation, those who are eating regain strength and leave quietly.* She is actually saying that four hours to drink is not long enough because they will end up drunk and so it is a way of controlling their customers! . Well this does not sound good to me; customers need to learn responsibility first by good instruction from the applicant and behave in a way that creates good will and not antagonism. We have many other places that sell alcohol locally and there is already drunkenness and street begging; these would be bound to increase and no doubt these traders could also use the same argument. to increase their hours. I a lot of community resentment could result.

I understand that when a similar request for an African village was made in Wolverhampton the reason given for the late hours was " Africans like to go out late and stay late". This area is not suitable for that kind of night life.

I am also **not** encouraged by the huge amount of mess, overflowing trade bins, black bags of rubbish and items of furniture at the side of their premises at the moment. This is clearly seen from the main walkway to the railway station and the One Stop shopping area by pedestrians as its close to and very visible from from the path. More alcohol, more customers equals more mess. Local residents don't want to see mess all the time. It may be on African Village premises but it certainly looks like no one at the African Village is bothered.

It is for the reasons written here that I am objecting to the above licensing application, Please acknowledge your receipt of this objection.

Subject: Re: African Village extended hours ~ Application reference 95047
Importance: High

Dear Sir/Madam

RE-APPLICATION FOR EXTENSIONS TO EXISTING PREMISES LICENCES AT AFRICAN VILLAGE, PERRY BARR B20 3JE, UNDER LICENSING ACT 2003 - reference 95047, 26 February 2016 Mrs Bisso Assembe, Mr Simeon Aguh

We wish to oppose a re-application for a licence for these premises which if granted will allow:

- regulated entertainment - in addition to existing regulated entertainment - all week from 13.00 in the afternoon to 06.00 in the morning
- late night refreshment - in addition to existing refreshment - all week from 23.00 at night to 05.00 in the morning
- the serving of alcohol in normal hours as well as all week from 23.00 at night until 06.00 in the morning.

These hours are far too long for entertainment, refreshment and the serving of alcohol on or off premises. The premises are far too close to residences who may be bothered by noise - day and night - and areas where others may be walking to and from major transport connections. Police were constantly being called to incidents inside and outside these premises when it was the Crown and Cushion. There can be no guarantee that the same may not apply to African Village.

Objectors, whose contact details must by law be passed to the applicant, received a letter from a Mrs Aguh Safia, who did not indicate her status in relation to the original application, on 18th January 2016. It includes the following paragraph which we assume is endorsed by the current applicant/s, Mrs Bisso Assembe and Mr Simeon Aguh:

QUOTE 'When we moved to the former Crown & Cushion, because we did not know what kind of problem we will have, we had a meeting with the Neighbourhood police officers, the police licensing team and we decided to transfer the existing licence of the crown and cushions to African village, and extend the hours from 4am to 10am through what is called Temporary Event Notice for 8weeks to see what will happen. The result are great just like with all the African villages before, we seek for longer hours to control our customers better, if you tell them that you are closing at 4am they come at 12 midnight and drink quick and get drunk badly and to leave you the doors staffs have to rush the It always ends up badly. While after 5am they are tired and ready to go the doors staffs have enough time to get everyone out gradually without precipitation, those who are eating regain strength and leave quietly.' END

Mrs Safia argued that the exceptional increase in licensing hours applied for by African Village will prevent customers getting intoxicated and make it easier to control them. This justification for seeking extended hours is unsound, unfair and even bizarre. We assume Mrs Safia's argument is agreed by the current applicants. It is an argument that could be used by any city licensee as a reason to apply for extended opening hours; in the case of African Village, to stay open until 6 in the morning. We object to the idea that the alleged drinking behaviour of a particular clientele should be used as an argument by the licensee to

seek so excessive an increase in their business hours, especially, as, if granted to the African Village, these extended hours will be a precedent for making them available to all citizens. News of such extended opening hours if granted would spread widely, even beyond the Birmingham borders.

The requested licence extensions, if granted, would not only be unfair to those living near the African Village, but to all other licencees who might wish to be allowed to extend their opening times. On all the grounds required by the licensing authority we object most strongly to this application.

Please acknowledge receipt of this email.

Yours sincerely,

Morning Bisso,

Further to my conversation with Safiria this morning please find revised conditions.

I confirm that I will be happy to withdraw my representation if you agree to the following conditions being attached to the premises licence.

Suggested Conditions

1. The Designated Premises Supervisor shall ensure notices shall be displayed near the entrance and exits of the smoking areas advising customers who wish to use the outside smoking facilities that they should do so with respect for the nearby residents and keep noise levels to a minimum.
2. The Designated Premises Supervisor shall be responsible for ensuring that patrons wishing to utilise the smoking shelter do so quietly and that noise from patrons moving to and from the smoking shelter is kept to a minimum.
3. The Designated Premises Supervisor shall be responsible for ensuring that the smoking areas do not create a nuisance to neighbours at the premises and if necessary restrict the number of people utilising the smoking areas at any one time.
4. All external doors and windows to be closed during regulated entertainment except for access and egress.
5. There shall be no regulated entertainment in the external areas at any time.
6. The smoking area overlooking Wellington Road shall not be used between 10pm and 8am. Prior to the area being opened outside of these times the Premises Licence holder shall obtain written approval from Birmingham City Council Environmental Health to do so. The approval shall indicate the dates the dispensation shall operate for and the hours the smoking area may be open.
7. A Noise Limiting Device (NLD) of a type approved by the Environmental Protection Unit of Birmingham City Council shall be fitted to the amplification system and set at a pre-set volume level agreed with the Environmental Protection Section, to ensure the volume of music is pre-set so as not to cause a noise nuisance to the occupiers of nearby buildings. The installation of the NLD shall be notified to the Environmental Protection Section at least 14 days before its' initial operation and shall fulfil the following criteria:
 - a) The device shall be fitted in an approved position by a competent person and once fitted shall not be moved from the approved position unless prior approval is given
 - b) The device shall be capable of cutting off the mains power to the amplification system if the volume exceeds the pre-set level determined by the Environmental Protection Unit or shall be capable of maintaining the volume of the music at the pre-set level determined by the Environmental Protection Unit and shall not restore power to the sound system until the NLD is reset by the licensee or their nominated person.
 - c) The amplification system shall only be operated through the sockets/power points linked to and controlled by the NLD at all times.
 - d) The NLD shall be maintained in full working order and at the approved pre-set volume whilst the amplification system is operational.
 - e) Any damage or malfunction to the NLD shall be reported to the Environmental Protection Unit as soon as possible and within 24 working hours of the damage occurring or malfunction being noted. The NLD shall not be used in this damaged or malfunctioning state until approval has been given by the Environmental Protection Unit.

Please bear in mind that even though you may gain the premises licence for the changes you have applied for, it will not be legal for you to do so if you do not have planning permission. Also, because you have a premises licence for the changes does not mean you will automatically gain planning permission.

Please let us know if you agree with the above conditions before close of business this Friday and I will formally withdraw my representation.
