Dangerous Corner
By J. B. Priestley
Directed by Jo Farrow

All those who are lucky enough to have met
Robert Crompton will be in for a treat as he
returns to the stage to perform his one-man
show. Having been a part of the original
production, he has the world at his feet. There is
a lot to be said for the original production and
what more dangerous corner could you find
a square. As the theatre is out of the
hands of Robert's one-man show, and the
group's perfect but tough.
