(on behalf of) the chief officer of Police for the West Midlands Police area apply for the review of a premises licence under section 53A of the Licensing Act 2003

1. Premises details: **Delicious Buffet**

Post Town: **Birmingham**

Post Code (if known): **B26 3DY**

Number of premise licence (if known): **Mr Abdul Rouf**

3. Certificate under section 53A (1)(B) of the Licensing Act 2003 (Please read guidance note 1)

I confirm that this is a certificate has been given by a senior member of the police force for the police area above that in his/her opinion the above premises are associated with serious crime or serious disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

4. Details of association of the above premises with serious crime, serious disorder or both: (Please read guidance note 2)

Delicious Buffet is a restaurant located on the Coventry Road, it is next door to and connected to another premises called Jilabi, but all the frontage signage indicates the premises is called Jilabi, and the evidence indicates it is being run as Jilabi, there is a premise licence in existence for 2067 Coventry Road.

On the 23rd November 2018 a joint inspection was conducted at the restaurant called Jilabi's (this is the two premises together as officers found it had been converted and

knocked through) The inspection involved officers from Sheldon Police Station, Home Office Immigration Service, West Midlands Fire Service and also Birmingham City Council licensing officers.

The visit was organised following complaints from ex staff indicating that they believed that the premises were employing numerous illegal immigrants, treating them very badly, and paying them about £70/80 a week. West Midlands Police are treating this as modern day slavery.

When officers attended the premises they found the premises open and very busy with customers.

During the visit officer from the Immigration Service detained 3 males who were confirmed as being illegal workers, working at the premises. Intelligence has indicated there were more working at the premises but they fled/mingled with customers as officers entered to avoid detection.

As officers got detained, dealing with the below very quickly they were unable to check the rest of the staff.

The 3 detained were all from Bangladesh,

Male A born in 1978, had overstayed in the UK for the last 7 years and had no right to work

Male B born in 1985, had overstayed in the UK for the last 4 years and had no right to work

Male C born in 1975, an illegal immigrant since 2010.

All 3 were arrested and are being dealt with by the immigration service.

The issue for West Midlands Police is that the premises were employing illegal immigrants, which corroborated the intelligence that led to the inspection.

Where a licence holder is prepared to employ illegal workers they are not only committing offences but are also actively involved in criminal activity and the exploitation of vulnerable individuals for financial gain.

- Illegal workers have no employment rights, or protections and are unable to declare themselves to the authorities to seek assistance should they require any assistance.
- Illegal workers have no rights to be paid the equivalent of the minimum wage which benefits the employer financially.
- Illegal workers are often paid 'cash in hand' by the employer meaning the correct tax and national insurance deductions are not taken into account, and therefore not declared to HMRC.
- Illegal workers are often provided with the most basic accommodation and standard of living which may be linked to their continued employment at the licensed premises.
- Illegal entrants into the UK will not have been subject to the usual immigration checks and health screenings and this could seriously impact on public protection and the health and wellbeing of the general public, especially where illegal entrants have arrived from a country with significant health risks. The employment of such individuals poses on an increased risk especially if that person is employed in a kitchen, or an area where food is prepared or served to the public.

Illegal entrants also do not undergo any appropriate checks, or immigration clearance at the border and may have current or previous criminal convictions and thereby pose a danger for the general public.

The employing of illegal workers is a very serious offence and this is reflected within the Section 182 guidance under section 11.27 which lists the employment of illegal

immigrants/workers as a serious offence and is placed in the same category as possession of firearms, gangs, child pornography.

The premises are licensed as has conditions imposed on it in relation to training. The duty manager on the night indicated that they employed 12 full time staff and 8 part time staff. When officers asked to see the training records they found that only 14 members of staff had signed the training document.

It should be noted that as the premises is now operating with another licensed premise (2065 Coventry Road licence no 955) a review application will also be submitted for these premises.

Employing illegal immigrants carries a five year prison sentence and unlimited fine and so meets the criteria identified as a serious crime. The fact that the matter had been raised to us from someone else and we are treating it as modern day slavery issue, exacerbates the severity of this case.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attended the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

West Midlands Police

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: Delicious Buffet

Premise Licence Number: 4157

Premise Licence Holder: Mr Abdul Mohammed Rouf

Designated Premise Supervisor: Mr Abdul Rouf

I am a Superintendent in West Midlands Police.

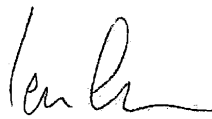

I am giving this certificate because I am in the opinion that the procedures under the Licensing Act are inappropriate in this case because the standard review procedures are thought to be inappropriate due to the seriousness of the crime, and the serious management failings of the premises concerned.

The severity of the issues and the risk to the public (which in this case are illegal immigrants working at the premises) are significant for me to use this power. I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstances due to the above reasons, and the fact that to maintain the licensing objective of preventing crime and disorder the normal review procedure would not be sufficient.

The severity of the incidents is a matter that needs to be brought to the attention of the Licensing Committee immediately.

The concern of West Midlands Police is that if steps are not taken to consider the running of these premises they will continue to be used in the manner in which they were discovered on the 25th November 2018. I am conscious of the guidance contained within Section 182 of the licensing act 2003 and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.

Signed

LICENSING SUB COMMITTEE A

FRIDAY 7 DECEMBER 2018

DELICIOUS BUFFET, 2067 COVENTRY ROAD, SHELDON, BIRMINGHAM B26 3DY

That having considered the application made and certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 for an expedited review of the premises licence held by Mr Abdul Mohammed Rouf in respect of Delicious Buffet, 2067 Coventry Road, Sheldon, Birmingham B26 3DY this Sub-Committee determines that the Licence be suspended pending a review of the Licence, such a review to be held within 28 days of receiving the Chief Officer of Police's application.

The Sub-Committee's reasons for imposing this interim step are due to concerns raised by West Midlands Police in relation to matters which came to light as a result of evidence of serious crime that was discovered during an inspection visit to the premises by West Midlands Police and the Home Office Immigration Service (and others) in November 2018, as outlined in the Chief Officer of Police's certificate and application.

The Sub-Committee heard the submissions of West Midlands Police, who confirmed that the employment of illegal immigrants at the premises had been discovered, which according to the Guidance issued under s182 is a serious crime, and too serious to deal with via the ordinary licensing review regime.

The premises did not attend the meeting and were not represented. It was the recommendation of West Midlands Police that the licence be suspended whilst the Police investigated.

The Sub-Committee agreed that the interim step of suspension was the correct course. The Sub-Committee was particularly concerned to hear of the exploitation of illegal immigrants. It appeared that the arrangements for employing staff were wholly unsatisfactory in terms of upholding the prevention of crime and public safety objectives. The application had not been made based on speculation, but on the basis of first-hand accounts of an inspection visit.

Having heard the Police's account, the Sub-Committee determined that it was both necessary and reasonable to impose the interim step of suspension to address the immediate problem with the premises, in particular the likelihood of serious crime, and to ensure public safety.

The Sub-Committee considered whether it could impose any other interim step, including modification of licence conditions, or exclusion of the sale of alcohol by retail or the removal of the Designated Premises Supervisor. The Sub-Committee did not believe however that any of these would address the seriousness of an

incident in which the Police had discovered illegal immigrants staffing the premises. The risks could only be addressed by the suspension of the Licence as an interim step.

In reaching this decision, the Sub-Committee has given due consideration to the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office in relation to expedited and summary licence reviews, and the submissions made at the hearing by the Police.

All parties are advised that the premises licence holder may make representations against the interim steps taken by the Licensing Authority. On receipt of such representations, the Licensing Authority must hold a hearing within 48 hours (excluding non-working days).

All parties are advised that there is no right of appeal to a Magistrates' Court against the Licensing Authority's decision at this stage.

Dear Licensing

In relation to the above premises. West Midlands Police wish to make additional representations in that during the visit on the 23rd November 2018, Birmingham City council licensing officers discovered that the premises was operating in breach of its operating conditions –

- The cctv conditions which were imposed through a committee hearing were being breached as no cctv was operational. The premises stated that it had been stolen 3 weeks before but not reported to the Police
- Conditions relating to training of staff had also been breached, as records not available and not all staff had been trained

Information relating to these additional reps will be included in the evidence bundle

3 Public Health response

Licensing Objective	Response
<i>The prevention of crime and disorder</i>	<p>The employing of illegal workers is a very offence and this is reflected within Section 182 Revised Guidance under section 11.27, which lists the employment of illegal immigrants/workers as a serious offence.</p> <p>Employing illegal immigrants carries a five year prison sentence and unlimited fine and so meets the criteria identified as a serious crime.</p>
<i>Public Safety</i>	<p>As highlighted by West Midlands Police, illegal entrants into the UK will not have been subject to the usual health screenings or have contact with the health services and this could seriously impact on public protection and the health and wellbeing of the general public, especially where illegal entrants have arrived from a country with significant health risks.</p> <p>The employment of such individuals poses on an increased risk especially if that person is employed in a kitchen, or an area where food is prepared or served to the public. In particular enteric fever (including Typhoid and Paratyphoid) can be transmitted where infected individuals prepare and handle food. The majority of cases in England are imported following travel to the Indian sub-continent, and may not be identified in time to take preventative action without contact with health professionals.</p>
<p><i>Summary</i></p> <p>Modern slavery is a human rights violation and has severe consequences for the health and wellbeing of survivors. It is an exploitative crime that impacts on physical and mental health and has public health implications.</p> <p>Modern slavery has a range of serious health consequences at an individual and population level and the many types of slavery often has a catastrophic effect on an individual's health, both physical and mental. Trafficked people commonly experience poor mental health with high prevalence of post-traumatic stress disorder (PTSD), anxiety and depression.</p> <p>Whilst acknowledging that this a prima facie case of modern day slavery, based on the information from West Midlands Police it would be difficult to draw any other conclusion than that the license holder has failed to promote the specific objectives of Preventing Crime and Disorder and of promoting Public Safety; the public safety aspect being both in respect of the customers of the restaurant and the health and wellbeing of the individuals detained by the Police.</p>
