As councillor, I believe granting this license would compromise several crucial licensing objectives set forth by the Birmingham City Council.

Firstly, the prevention of crime and disorder is a primary concern in our community. Holyhead ward already suffers from a high rate of crime, drug, and alcohol use. Introducing more alcohol sales in such an environment would undoubtedly exacerbate these issues, leading to increased disorder, anti-social behaviour, and potential criminal activity.

Secondly, public safety is at stake if this license is approved. The sale of alcohol in a neighbourhood already grappling with social issues could potentially escalate confrontations and violence, posing a significant risk to residents and visitors alike. Ensuring public safety should be a priority, and granting this license would compromise the well-being of the community.

This location is located on a very busy high street which is key for the local economy - further issues in the area will impact its viability as a local centre in the city.

Moreover, the prevention of public nuisance is of utmost importance in fostering a harmonious living environment. The proposed alcohol sales would contribute to the existing nuisances such as public drunkenness, loitering, and disturbances, thereby adversely affecting the quality of life for local residents.

Lastly, protecting women and children from harm is a vital responsibility that must not be disregarded. The availability of alcohol in close proximity to several schools raises serious concerns about the potential accessibility to underage individuals, thereby exposing them to significant harm, including alcohol-related health risks, addiction, and the possibility of engaging in criminal activities. Children, in this case, are also potential victims of organised begging, anti-social behaviour and public drunkenness in the area.

Cllr Rinkal Shergill

Subject: Objection to Alcohol License Application for 15A Holyhead Road (167586)

Dear Birmingham City Council,

I am writing to express my strong objection to the alcohol license application submitted by 15A Holyhead Road to operate as an alcohol distribution warehouse. Given the prevailing issues of crime, drug and alcohol use, begging, deprivation, and gambling in this area, granting this license would contradict several critical licensing objectives outlined by the Birmingham City Council.

First and foremost, the prevention of crime and disorder is a paramount concern for our community. Establishing an alcohol distribution warehouse in an area already grappling with high rates of crime and substance abuse would undoubtedly exacerbate these issues. The potential for illegal activities, such as illicit alcohol sales, theft, and violence, would be significantly heightened, posing a direct threat to the safety and security of local residents.

Public safety is another crucial consideration that cannot be ignored. Allowing the operation of an alcohol distribution warehouse in an area with a history of social problems would jeopardize the well-being of the community. Increased foot traffic, potential clashes among individuals, and the associated risks of accidents or confrontations would place an unnecessary burden on public safety resources.

Furthermore, the prevention of public nuisance is of utmost importance in fostering a peaceful and harmonious living environment. The establishment of a warehouse solely dedicated to alcohol distribution would inevitably contribute to an escalation of the existing nuisances, including noise disturbances, increased litter, loitering, and disruptive behavior, causing distress to local residents and businesses.

Lastly, the protection of children from harm should be a paramount consideration in any licensing decision. The proximity of an alcohol distribution warehouse to areas frequented by children, such as schools or parks, raises concerns about their exposure to harmful influences and potentially dangerous situations. It is our responsibility to safeguard the well-being and future of our children by preventing their access to alcohol and ensuring their protection from the associated risks and harms.

Considering the significant challenges already faced by the community, it is imperative that the Birmingham City Council prioritizes the welfare, safety, and quality of life of its residents. Granting an alcohol license to 15A Holyhead Road would directly contradict these objectives and exacerbate the existing social issues in the area.

I strongly urge the council to carefully consider the potential ramifications and reject the alcohol license application for 15A Holyhead Road.

Thank you for your attention to this matter.

Yours sincerely,

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

Access to the public is prohibited. The premises will operate as a distribution warehouse only, storing and dispatching alcohol. The most important issues are security (to prevent theft of alcohol) and ensuring that only people over the age of 18 are purchasing alcohol online.

b) The prevention of crime and disorder

Access to the public is prohibited. The most likely crime to be committed is burglary. A video doorbell is fitted to the premises. An alarm system has been installed at the premises. The doors to the garage are fitted with Heavy duty Hasp & Staple lock with a reinforced padlock, the door is locked by Yale lock.

c) Public safety

Access to the public is prohibited. There will be no visitors at risk. To protect our customers, irresponsible online promotions of our alcoholic products will not be permitted. We are selling premium, expensive products and bulk buying with the intention to drink heavily is very unlikely. The main risk is to staff working in the warehouse. A Health and Safety Risk Assessment and Fire Risk Assessment will be completed annually and a fire extinguisher is located in the garage. Smoke alarms are located in the main house. All staff will receive training regarding their social and legal obligations regarding the sale of alcohol. The location of the premises will not be advertised.

d) The prevention of public nuisance

Access to the public is prohibited. There will be no visitors to cause a nuisance. Any packaging materials and rubbish will be stored out of sight and disposed of responsibly.

e) The protection of children from harm

A proof of age policy will be enforced. Members of the public purchasing alcohol online via the distance selling regulations will be required to state that they are over the age of 18 before entering the website. Age verification service offered by courier and Royal Mail will be used.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/Immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
