Dear Licensing,

In relation to the above application, although conditions have been agreed with the applicant as emailed previously West Midlands Police are still concerned that these premises will add to the significant alcohol related issues that this area suffers from. In response from the local Neighbourhood Inspector he has described the area as such –

Soho road and in particular Lozells and east handsworth ward is the second highest ward for crime and anti-social behaviour outside of Broad street. We have had significant issues with alcohol fuelled violence, begging, prostitution and street drinking which are all associated with alcohol abuse. We feel we are saturated with premises who sell cheap alcohol along the Soho road and would object to this licence application. Having alcohol available at a post office where people addicted to alcohol potentially collecting their benefits could encourage customers to spend monies at this location thereby aggravating the current situation.

This objection is supported by Handsworth community action Streetwatch who regularly patrol the streets in partnership and the Soho road business improvement district.

As such West Midlands Police are now objecting to this application on the above grounds and seek a hearing for the above premises

If you could please lodge this objection it would be appreciated, according to your website the last days for reps are today

regards

Abs Rohomon

Subject: Objection to Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21 9LR

Importance: High

To Whomever it may concern

Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21 9LR

I am writing to register mine and the Soho Road BIDS objection to the application for a premises licence by Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21. The BID Represents 698 businesses within the BID area and in the last two days I have had over 30 of these businesses within the central section call into the office asking us to support their objections so I thought it would be easier to send one letter than bombard you with letters from all the businesses but if you need names and addresses please don't hesitate to ask. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour. As a BID we are working very hard to combat street drinking, anti-social behaviour, begging, prostitution and drug use and by making it even easier to access alcohol will make the issues worse.

Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21 lies within a Public Protection Order , and enabling the premises to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 8:00am and 20.00pm, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police and residents.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience for a very long time and it is totally unacceptable to expect them to continue to do so.

I would also urge the Committee to speak with our Local Neighbourhood Police regarding the detrimental impact the new licensed premises will have on the area.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,

Kind Regards

To whomever it may concern

Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21 9LR

I am writing to register my objection to the application for a premises licence by Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour. As a BID we are working very hard to combat street drinking, anti-social behaviour, begging, prostitution and drug use and by making it even easier to access cheap alcohol will make the issues worse.

My objections fall within the Licensing Act 2003, under 3 of the 4 objectives, which are as follows;

- 1) The prevention of crime and disorder**
- 2) Public Safety**
- 3) The prevention of public nuisance**

Clearance Zone and Post Office, 206 Soho Road, Handsworth, Birmingham, B21 lies within a Public Protection Order, and enabling the premises to sell cheap alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 8:00am and 20:00pm, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police, The Business Improvement District and our residents.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience for a very long time and it is totally unacceptable to expect them to continue to do so by providing more opportunities to purchase cheap alcohol.

I would also urge the Committee to speak with our Local Neighbourhood Police regarding the detrimental impact the new licensed premises will have on the area as I know they have an objection to the licence being granted as well.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,

Subject: Clearance Zone & Post Office License OBJECTION

Dear Sirs,

Premises: Clearance Zone & Post Office

206 Soho Road, Handsworth, Birmingham, B21 9LR

I am writing to register my objection on behalf of and as coordinator of HCAG Streetwatch, to the application for a premises licence by Clearance Zone & Post Office, 206 Soho Road, Handsworth, Birmingham, B21 9LR. The basis for this opposition is that by granting a licence for these premises there are significant concerns around how the licensing objectives would be upheld. In particular, for the prevention of crime, disorder and antisocial behaviour in this particular hotspot on Soho Rd which suffers extensively from such activities. Crime data from Police.UK shows this location to be on the boundary between several wards and a spike in incidents at this location over the last 12 months.

Brief overview of Handsworth Community Action Group (HCAG) Streetwatch. our group, established in autumn 2018 through the community-led Initiative Street patrols, is formed of local volunteers who devote their free time to tackling the issues that blight and affect our community. These include (and the list is not exhaustive): Anti Social Behaviour; fly-tipping; inconsiderate parking; prostitution; kerb crawlers; drug dealing, highway issues such as broken street lights and potholes.

To enable a visual presence amongst the community in Handsworth, HCAG Street Watch volunteers receive training and are insured, with full support, backing and assistance by the local police team on our patrols.

206 Soho Road is situated almost in the middle of Soho Rd, around the post within a 10 min walking distance approx 14 licensed premises of consumption on and off premises already exist. (taken from public register)

Impact Area, and enabling the premises to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 8.00hours and 20.00hours seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police and the local community.

Residents in this area already suffer noise nuisance and Anti Social Behaviour at all hours of the day and night. They have endured this inconvenience since 2003, when the licensing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

During our Streetwatch patrols on and off Soho Rd, we have found the area littered with the remnants of alcohol, evidence of this can be found in the form of used beer bottles, cans and even spirit bottles all around Soho Rd and nearby surrounding Public Areas, recently in the media public spaces were highlighted were alcohol is being consumed , i.e perfect example and a problem area is Waverhill Park, literally 2 minute walk from Soho Road,

SOHO BID has removed 23 benches from this area due to ASB, alcohol abuse, consumption in public areas, and drunkenness in this bustling shopping and residential area.

Police statistics show a high numbers of Anti Social behaviour , Violence and Sexual Violence in Handsworth and alcohol is a contributory factor.

From my understanding Police already have Public Space Protection Order PSPO orders in place and are in the process of renewing and extending the are of coverage, to deal with a particular nuisance in the area that is having a detrimental effect on the quality of life for those living in the local community.

I would also like to draw your attention to MATRIX DIAGNOSTICS, Drug and Alcohol Testing Specialist who reported in Nov 2017, I quote "According to recently released data, the annual cost to the NHS for alcohol abuse in Birmingham and Sandwell is £72.1m.

Each month, Sandwell and West Birmingham Hospitals NHS Trust (SWBH) treats about 300 patients for some type of alcohol abuse.

In view of the above, public safety and the detrimental effect of Alcohol Abuse and the nuisance it causes I would urge the Licensing Authority to refuse the application.

Yours faithfully,

HCAG Streetwatch
