Subject:	Application for Premises License – Licensing Act 2003 Address – Flamingo Cafe and Restaurant, 81 – 83 Villa Road, Birmingham, B19 1NH	

I, Martin Key, as a representative of Environmental Health, formally raise a representation on the above application. My representation concerns the likely effect of the grant of the licence on the promotion of the licensing objective relating to the prevention of public nuisance.

I am concerned that the grant of the licence would potentially result in noise nuisance to neighbouring residential properties due to noise breakout from the building arising from the performance of music before 23.00 and patron activity, patrons accessing and egressing the premises, taxis, deliveries and ancillary use of the external areas in conjunction with the licensed activity. There is also the risk of noise and odour from the cooking of food affecting the locality given the current arrangements. This concern is based on the range of activities requested, the absence of any effective operating conditions, the building design and structure, the existing noise environment, the proximity of noise sensitive receptors and the late hour (05.00) within the application.

The premises were granted a planning consent in September 2018 for restaurant use with a limit to the opening hours of 09.00 – 23.00 (not 23.30 or 05.00 as proposed in the application) and these restricted hours were included due to concerns over impact on the amenity of nearby residential premises. The proposed hours will be significantly out of character with the area and are likely to result in noise nuisance to neighbouring residential premises. On the basis of the late requested hour, the existing condition of the premises, the need for further works to be carried out before the operations commence and the absence of effective operating conditions I would recommend refusal of the application. I do not believe that this concern can be dealt with by the use of appropriate conditions and therefore recommend refusal. If however, contrary to my recommendation, the licence is granted the condition(s) I suggest to mitigate this concern are numbered C1 to C12 below.

#### Recommended Conditions

C1 - An assessment of the building design and structure and a proposed scheme of noise insulation and attenuation shall be produced by a suitably qualified and experienced noise specialist. This scheme shall be submitted in writing to the Environmental Protection Unit of Birmingham City Council and no licensable activity shall take place until the mitigation measures that have been approved in writing by the Environmental Protection Unit of Birmingham City Council have been implemented. The noise mitigation measures shall be thereafter maintained.

C2 – To avoid nuisance being caused to neighbours the DPS, or other nominated person/staff, shall monitor the external areas of the Premises after 23:00 hours, including the frontage onto Villa Road. If necessary, they shall remind customers to be respectful of neighbours and where necessary they shall limit the number of customers going outside to use the smoking area and take appropriate steps to avoid customers who use the frontage of the premises causing a nuisance.

C3 – All external doors and windows shall be kept closed except as necessary for safe and effective access and egress.

C4 – There shall be no live music or amplified music, speech or sound other than background music and any such background music shall be inaudible outside the building.

C5 –The DPS shall, within 3 months of the date of issue of this licence, submit in writing a noise management plan to Environmental Protection Unit of Birmingham City Council. The noise management plan shall outline the measures to be adopted to reduce the noise impact of activities associated with the premises including deliveries, recycling and refuse collections, smoking areas, customers and taxi pick up. The noise management plan shall be updated regularly and all staff shall be adequately trained in their role in implementing the plan.

C6 - The supply of late night refreshment shall not commence until details of the extract ventilation and odour control equipment, including details of any noise levels, noise control and external ducting has been submitted to and approved in writing by the Environmental Protection Unit of Birmingham City Council. The installation and operation of the extract ventilation and odour control systems shall be in accordance with the approved details and thereafter maintained.

C7 – No waste or recyclable material, including bottles, shall be moved, removed or placed in areas outside the premises building between the hours of 22.00 and 08.00.

C8 – No drinks shall be removed from the premises.

C9 – Patrons shall not remove from the premises late night refreshment provided at the premises.

C10 - The premises shall have an approved documented dispersal policy (approval needed in writing from the Environmental Protection Unit of Birmingham City Council), which shall be implemented for dispersal at all times the premises are open for licensable activity. The policy shall include the dispersal of customers exiting the premises away from nearby residential properties. The dispersal policy shall be reviewed periodically or in the case of noise complaints relating to dispersal activities and revised as necessary and the revised policy shall be submitted in writing to the Environmental Protection Unit of Birmingham City Council for approval. All operational controls and management actions required by the approved dispersal policy shall be instigated at all times. On Friday, Saturday and Sunday from 23:00 hours all entrances shall be supervised by door staff who shall ensure that the dispersal policy is followed and people accessing and egressing the premises do not cause noise nuisance to nearby residential premises.

C11 - No new customers shall enter the premises after 01.00.

C12 - There shall be no speakers used for amplified music, speech or sound outside the building.

**In light of the matters set out above I object to the licence being granted.**

Subject: 81-83 Villa Road t/a Flamingo Cafe & Restaurant - Premises Licence Grant application

Dear Mr Rahman

Further to the above application for which the representation period ends on 19/12/18.

You will appreciate that conditions attached to the premises license should not only be enforceable but also effectively promote the four licensing objectives.

In considering the application submitted the Licensing Enforcement Team has applied the tests of necessity and reasonableness in order to promote the four licensing objectives and I have there attached a list of conditions which the Licensing Enforcement Team will require the applicant to accept as conditions attached to the premises licence.

Subject to the applicant or you as their authorised agent confirming in writing they agree to accept the attached conditions there will be no need to the Licensing Enforcement Team to make a representation regarding the application submitted.

Please can you consider the following additions to the current conditions:

**General**

All members of staff must receive training regarding the:-

- Four licensing principles contained in the Licensing Act 2003
- Responsible retailing of alcohol, and the law
- Protection of children from harm and this must include how to competently check customers identification where necessary
- Authorised hours for licensable activities and the conditions attached to the premises licence

All training provided to staff will be recorded and each member of staff will sign and date the training records to confirm they have received

and understood the training and on-going refresher training every six months.

The staff training records will be maintained at the premises and made available to any Responsible Authority upon request.

**Protection of Children from Harm**

The premises licence holder will implement and operate a challenge 25 age verification policy to prevent the sale or supply of alcohol to persons under 18 years of age.

A copy of the written age verification policy must be signed by all members of staff to confirm they have read and understand the policy and the signed copy must be maintained at the premises and made available for inspection by any Responsible Authority on request.

I have attached a copy of the Age Verification Policy for your information.

Should you wish to contact me to discuss the matter further my contact details are shown below.

Your earliest response to this e-mail would be appreciated.

I look forwards to hearing from you.

**Importance:** High

Hi

Please see the email trail below. The applicant has agreed in the email below to the inclusion of conditions C1 to C9 below and to amend the application to reduce the hours to Sunday to Thursday - alcohol on sales from 11.00 – 23.30 and late night refreshment from 23.00 – 23.30, Friday and Saturday - alcohol on sales from 11.00 – 01.30 and late night refreshment from 23.00 – 01.30. The conditions are:-

C1 – To avoid nuisance being caused to neighbours the DPS, or other nominated person/staff, shall monitor the external areas of the premises after 23:00 hours, including the frontage onto Villa Road. If necessary, they shall remind customers to be respectful of neighbours and where necessary they shall limit the number of customers going outside to use the smoking area and take appropriate steps to avoid customers who use the frontage of the premises causing a nuisance.

C2 – All external doors and windows shall be kept closed except as necessary for safe and effective access and egress.

C3 – There shall be no live music or amplified music, speech or sound other than background music and any such background music shall be inaudible outside the building.

C4 – The DPS shall, within 3 months of the date of issue of this licence, submit in writing a noise management plan to Environmental Protection Unit of Birmingham City Council. The noise management plan shall outline the measures to be adopted to reduce the noise impact of activities associated with the premises including deliveries, recycling and refuse collections, smoking areas, customers and taxi pick up. The noise management plan shall be updated regularly and all staff shall be adequately trained in their role in implementing the plan.

C5 – No waste or recyclable material, including bottles, shall be moved, removed or placed in areas outside the premises building between the hours of 22.00 and 08.00.

C6 – No drinks shall be removed from the premises.

C7 – Patrons shall not remove from the premises late night refreshment provided at the premises.

C8 – The premises shall have an approved documented dispersal policy (approval needed in writing from the Environmental Protection Unit of Birmingham City Council), which shall be implemented for dispersal at all times the premises are open for licensable activity. The policy shall include the dispersal of customers exiting the premises away from nearby residential properties. The dispersal policy shall be reviewed periodically or in the case of noise complaints relating to dispersal activities and revised as necessary and the revised policy shall be submitted in writing to the Environmental Protection Unit of Birmingham City Council for approval. All operational controls and management actions required by the approved dispersal policy shall be instigated at all times.

C9 – There shall be no speakers used for amplified music, speech or sound outside the building.

On the basis that the application has been amended to the revised hours and the above conditions are included in any licence issues the concerns I had raised have been addressed and I am therefore able to withdraw my representation on this case.

Best Regards

That the application by Samsom Kahsay for a premises licence in respect of Flamingo Café & Restaurant, 81-83 Villa Road, Birmingham, B19 1NH **BE ADJOURNED** to Wednesday 20 February 2019 at 0930 hours in order that the applicant and his representative attend the hearing to provide further information to the Sub-Committee in respect of the premises licence application and agreed conditions with the Responsible Authority, Environmental Health. The Sub-Committee noted that neither the applicant nor his representative were in attendance at the hearing.

The Sub Committee were advised by the Committee Lawyer of their discretionary powers to adjourn the matter under Regulation 12 of the Licensing Act 2003 (Hearings) Regulations 2005.
