Subject: Licence review application De Oriole

Dear Licensing

West Midlands Police have received the review application from Jane Dunsford in respect of premises called De Oriole, 54-57 key Hill, Hockley , Birmingham.

West Midlands Police seek to support this review application on the grounds of the prevention of crime and disorder and also the prevention of public nuisance. It is clear from the application that local residents have had to suffer unacceptable levels of noise nuisance and Asb to the effect it is having an effect of the lives of local residents.

West Midlands Police are also gravely concerned around the response from the premise licence holder. The licensing act encourages co-operation between all parties so that the licensing objectives are fully promoted, the officer from BCC Eho has followed this mantra through by offering measures that are deemed necessary and proportionate to remedy the problems and ensure that the premises is promoting the licensing objectives at all times.

It is worrying that when offered this the premise, they have failed to act or in the very least engage in a course of dialogue to remedy the problems.

West Midlands Police endorse the course of action requested by the review as a means to remedying the situation, and would also advocate that the following conditions are added –

- The premises to have a written dispersal policy, to be provided in advance to both Birmingham Central licensing department and BCC Environmental Health officers (address for each responsible authority as determined in the statement of licensing policy for Birmingham City Council), the dispersal policy to be agreed in writing with both Birmingham Central licensing department and BCC Environmental Health officers. The dispersal policy to be implemented at all times the premises is open for licensable activity
- Door supervisors – the number of door supervisors is to be determined through a written and documented risk assessment. The risk assessment to be provided to any officer of any authority upon request.
- The risk assessment must take into account the dispersal policy and deployment of security staff outside the premises.
- Door supervisors deployed outside the venue will wear hi visibility coats and have body worn CCTV cameras. Body worn cameras must be operational and recording at all times the premises is open for licensable activity
- Images from any bodycam footage, to be made immediately available and downloadable to any officer from a responsible authority

Please accept this as written representations supporting the original application by the environmental health department

Dear Sir's

Ref. De Oriole 54-57 Key Hill Hockley

Being the owner of Key Hill Drive and a Friend of Key Hill & Warstone Cemeteries.. I am strongly opposed to this night club De.Oriole . It is in a conservation area and nest to a grade 2* listed Cemetery.
Below are a few of the reasons I am so against it. .

1. Unable to get up the Key Hill Drive at 5am to get to work due to all the cars and groups of people blocking the drive..
2. Bottles, Cans and food containers left lying around the Drive and the cemetery
3. Chicken bones thrown on the ground has encouraged rats.
4. Whilst they urinate up the doors in the drive they have also defecated in the cemetery.
5. Stabbing knives have been found amongst the bottles in the Cemetery.
6. Barbecues are held in the car park at the bottom of Key Hill Drive despite their web site saying no food served.

The above does not satisfy the four licencing conditions and breaches them on a regular basis much to the annoyance of local residents and work force

Yours faithfully

Please state the ground(s) for review (please read guidance note 2)

Since December 2017 the Environmental Protection Unit part of Birmingham City Councils Regulatory Services has been receiving complaints from residents in nearby Key Hill Drive about loud heavy bass music and customer anti- social behaviour into the early hours of the morning, often between 10pm and 6am coming from De Oriole, 54 to 57 Key Hill. Examples of the intrusive noise complained of is a MC shouting into a microphone, noise from customer vehicles and noise from groups of customers gathering on key Hill Drive shouting and screaming and cars blocking Key hill Drive. Diary sheets were returned from a resident showing this. Since the complaints I have been in contact with the licensee Mr Carlson Cabey though email and several visits to the premises. We have tried to resolve this matter informally looking at lowering the bass and the type of music system he has. We also discussed his dispersal policy ensuring customers do not hang around outside the premises and up Key Hill Drive when they have left the premises. Also the entrance to the premises was on the rear car park facing the residents, so customers would hang around smoking on the car park and sit in their cars. Doors from the premises would also open and shut letting out the loud music. We discussed using the front door to the premises and keeping this rear door closed. After resident diary sheets were received the resident was put on our noise call out service in mid February 2018. Complaints continued into March so my visit and emails had not resolved the matter, a formal letter was sent warning we would be gathering evidence to take action under nuisance legislation or by reviewing the License. A public nuisance was witnessed at 2 resident's properties on the 13/4/18 between 12.30am and 1am in the form of loud music and amplified voices. The licensee Mr Cabey was contacted about this and he advised he had not received my letter. Over this period events had become more regular and usually on a Thursday, Friday, Saturday and Sunday. Over the Easter period more anti- social behaviour was reported including a customer defecating by a resident's car and wiping it up with her hair piece. I organised a visit to the premises on the 19/4/18 with the police, fire service and licensing. We confirmed the front door and not the back door (fire officer happy with this) should be used and discussed CCTV and customer control and the speaker system. That weekend Sunday 23/4/18 noise from the premises was reported as worse than ever from the resident, the resident was not feeling safe in his property, as his apartment is in a dead end and he has to walk past the club to get to his property. Groups of men hanging around Key Hill Drive urinating and talking loudly and loud music continued (callout service was not available as the noise was 2.30am to 6.30am). I contacted the licensee about this Sunday and he advised he was not there he was having a night off. The following Thursday 26/4/18 into Friday 27/4/18 officers were called out, they were at the residents property from 1.05am to 1.55am they witnessed a public nuisance from groups of customers hanging about in the Street and cars in the street (Key Hill Drive). During this officer's visit and a visit by officers on the following night it was confirmed there was no other premises likely to be the cause of any intrusive noise, as the licensee indicated that it could be coming from other premises in the area. I have advised the licensee that I would be reviewing the license as no improvement has been made to resident's quality of life from the intrusive noise from the club and we have evidence to show this. I did however suggest that he may apply to vary the license to include the following conditions:

Suggested conditions de Oriole

1. **Hours of operation:**

3pm to 2am Thursday to Saturday for all regulated activities, and 3pm to midnight Sunday for all regulated activities. There shall be no regulated activities at any other time.

2. To avoid nuisance being caused to neighbours an appropriate number of Door supervisors/ the DPS, or other nominated persons shall monitor and control people entering and queuing and exiting the venue after 11pm, and Customers shall be told to be quiet. Customers shall be kept away from Key Hill Drive, including being discouraged from trying to park vehicles in this Road.
3. No new customers shall enter the premises after 1 am Friday to Sunday.
4. There shall be a maximum of 4 persons using the outside smoking area on Key Hill Road at any one time.
5. The DPS shall, within 3 months of the date of issue of this licence, submit in writing a noise management plan to Environmental Protection Unit of Birmingham City Council. The noise management plan shall outline the measures to be adopted to reduce the noise impact of activities associated with the premises including music, smoking areas, customer access and egress and dispersal of customers from the surrounding area at the end of the night. The noise management plan shall be updated regularly and all staff shall be adequately trained in their role in implementing the plan.
6. All external doors and windows shall be kept closed during regulated entertainment except as necessary for safe and effective access and egress.
7. Prior to any regulated entertainment involving amplified music taking place, a Noise Limiting Device (NLD) of a type approved by the Environmental Protection Unit of Birmingham City Council shall be fitted to the serve any area of the premises used for amplified music or sound. The NLD shall be set at a level agreed with the Environmental Protection Section to ensure that the volume of music is controlled to avoid noise nuisance to the occupiers of nearby buildings. The installation of the NLD shall be notified to the Environmental Protection Section prior to use and shall meet the following criteria:
 - a) The device shall be fitted in an approved position by a competent person and once fitted shall not be moved from the approved position or tampered with in any manner unless prior approval is given,
 - b) The device shall be capable of either:-
 - i) cutting off the mains power to the amplification equipment if the volume exceeds the pre-set level determined by the Environmental Protection Unit and shall not restore power to the amplification equipment until the NLD is reset by the DPS or their nominated person, or
 - ii) otherwise maintaining the volume of the music at the pre-set level determined by the Environmental Protection Unit,

- c) where the NLD operates by cutting off the mains power to the amplification equipment, amplification equipment shall be operated through the sockets/power points linked to and controlled by the NLD at all times,
 - d) The NLD shall be maintained in full working order and at the approved pre-set volume whilst the amplification equipment is operational,
 - e) Any damage or malfunction to the NLD shall be reported to the Environmental Protection Unit as soon as possible and within 24 working hours of the damage occurring or malfunction being noted. The NLD shall not be used in this damaged or malfunctioning state until approval has been given by the Environmental Protection Unit.
8. No drinks shall be removed from the premises.

I gave the license 10 days to respond to this but he has been unable to come to a decision. I feel I have no choice given the evidence from officers and residents to call the license in for review on the grounds that De Oriole is breaching the licensing objective of Public Nuisance. Further evidence including witness statements will follow shortly.

Statement of: _____

Age of Witness over 18

Occupation: **Lead Geo-environmental Engineer (Chartered)**

This statement, consisting of 2 page(s) each* signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

My name is I am 29, I have lived in Birmingham for nearly 9 Years. I am a chartered Lead Geo-Environmental Engineer for a Civil Engineering Consultancy based in the city centre. I have never lodged a statutory nuisance complaint until this time. This complaint relates entirely to De-Oreole Bar 54-57 Key Hill Drive, Birmingham B18 5NX (licence under PBs). I have been a resident of since January 7th 2017. I live in a lovely listed building which is otherwise quiet and very homely. In fact it's the first place I have ever lived which I call home. When I moved in, I had no knowledge of a nightclub operating on my road. Neither did my landlord. I did start to notice its late night operation over the summer of 2017. It was sporadic and of varying intensity. However, Since November 2017 a more frequent disturbance to myself and neighbours and indeed local businesses has been occurring. This consists of loud bass heavy music, shouting voices over a P.A system, customer noise, car horns, car music, antisocial behaviour, drug use, street drinking and blocking vehicular access to my road and address. From November 2017 the nights of disturbance became markedly more frequent and predictable. The main times of operation and indeed when the music/noise was loudest is between 02:00 and 05:00, Thursday, Friday, Sunday and Monday. This midweek loud noise is enough to prevent sleep and wake me and my partner up from sleeping, even with 37db rated ear plugs and white noise from a fan, as well as over the counter and prescription strength sleep aids. I have added an additional blackout/ noise absorbing blind to my bedroom, however the noise penetrates every room. Both of my bedrooms overlook Key Hill Drive so I have nowhere to go, no where to escape the noise. I have recorded many diary entries and videos/photos highlighting some of this behaviour and showing the issues which are appended to this statement. I have called out Environmental Health Officers to witness the disturbances when their schedule allows. The diary entries are provided as Appendix 1. Videos and Photos as Appendix 2 (submitted digitally) Particularly since January my sleep has become very disturbed and sporadic. I am now afraid for keeping my job and my international sporting commitments for Great Britain. Both of which have been negatively impacted by lack of sleep caused by De Oreole. My ability to work the required hours as per my contract has greatly been reduced as I am fatigued and often need to work from home or work flexible hours to accommodate my need to catch up on sleep during the day. I have even fallen asleep at my office. Further to this I am rarely ill, however in the last month I have needed to take time off work twice as I cannot recover during evenings/nights, one of which with a Doctors note. My work have been very accommodating, however even they are at their limits. I feel extremely restless and dread weeknights. I cannot relax at home.

REGULATORY SERVICES
STATEMENT OF WITNESS
(Criminal Procedure Rules, r27.2;
Criminal Justice Act 1967, S. 9, Magistrates' Courts Act 1980 s.5B)

Continuation Sheet No. 2

Statement of :

~~REDACTED~~

In addition to sleep deprivation there are other issues which are affecting my wellbeing coming from this club. Particularly the blocking of the road by both the licensee and his patrons preventing vehicular access to my street or my property on every occasion the club is operating. Photographs and videos are included as Appendix 2 to this statement. When the club is operating, not only can I not sleep, I feel physically trapped as I can't drive in or out of my road (despite having designated and gated secure parking). On occasion I have had to park on streets away from my property as walk past the club, which has never appeared to have any bouncers, security or door personnel. I have attempted to walk/drive past whilst navigating drunks, street drinking and drug use on the street outside the venue. Whilst not being small myself it seems very unwise to challenge this behaviour and the group personally, and I often feel intimidated by their drunken/drugged behaviour and sheer numbers and disregard for common decency. I often wonder what the capacity of this venue is considering most of its clients linger on the streets. In an emergency or if I am on call for work, there is no way in or out of the street. In addition I have witnessed many patrons of the club leaving the premises (both male and female) walking up toward my address and urinating, on and adjacent to cars/vehicles and business doors ~~and premises~~ like. In one incident when I was on the phone to 101 to inform them of the blocked road I witnessed a woman stagger from the club and defecate in front of my car, I managed to take a photograph (contained in Appendix 2) whilst on the phone to the police. ~~The woman then~~ ~~she~~ wiped herself up with her hair piece which I believe was discarded into the cemetery before she re-entered the club. As this club has been operating like this since November at this level of disturbance, I am now utterly exhausted and feel my health, well being and overall quality of life have been severely impacted. I have invested in sleep tracking equipment which often shows I receive on average 4 hours disturbed sleep the nights the club is operating. I don't want anyone's livelihood to be lost. But I need to be able to sleep and to use my home as it is intended, instead of staying with friends at any opportunity in a bid to get more sleep. I have a good job which I can't afford to lose and I don't want to be released from the Great Britain team. I have included in this statement my diary of incidents (Appendix 1) and digital copies of videos/photos detailing and showing the above noise, antisocial behaviour (Appendix 2). I have done all I can with regard to using BSI rated earplugs and white noise and medicinal sleep aids. It is too much.

9. Suggested conditions De Oriole

1. Hours of operation:

15.00 to 02.00 Thursday to Saturday for all regulated activities, and 15.00 to 00.00 Sunday for all regulated activities. There shall be no regulated activities at any other time.

2. To avoid nuisance being caused to neighbours the DPS, or other nominated person/staff, shall monitor the external areas of the premises (including the designated smoking area) after 23:00 hours. In addition the DPS shall ensure that an appropriate number of Door supervisors/ the DPS, or other nominated persons shall monitor and control people entering and queuing and exiting the venue after 23.00. If necessary, they shall remind customers to be respectful of neighbours and where necessary they shall take appropriate steps to avoid customers using Key Hill Drive (including use for car parking) to avoid such activities causing a nuisance.
3. No new customers shall enter the premises after 1 am Friday to Sunday.
4. The DPS shall, within 3 months of the date of issue of this licence, submit in writing a noise management plan to Environmental Protection Unit of Birmingham City Council. The noise management plan shall outline the measures to be adopted to reduce the noise impact of activities associated with the premises including music, smoking area, number of Door Supervisors, number of persons allowed on key Hill Road customer access and egress (include parking) and dispersal of customers from the surrounding area at the end of the night. All operational controls and management actions required by the approved noise management plan shall be instigated at all times. The noise management plan shall be updated regularly and all staff shall be adequately trained in their role in implementing the plan.
5. All external doors and windows shall be kept closed during regulated entertainment except as necessary for safe and effective access and egress.
6. Prior to any regulated entertainment involving amplified music taking place, a Noise Limiting Device (NLD) of a type approved by the Environmental Protection Unit of Birmingham City Council shall be fitted to the serve any area of the premises used for amplified music or sound. The NLD shall be set at a level agreed with the Environmental Protection Section to ensure that the volume of music is controlled to avoid noise nuisance to the occupiers of nearby buildings. The installation of the NLD shall be notified to the Environmental Protection Section prior to use and shall meet the following criteria:
 - a) The device shall be fitted in an approved position by a competent person and once fitted shall not be moved from the approved position or tampered with in any manner unless prior approval is given,
 - b) The device shall be capable of either:-
 - i) cutting off the mains power to the amplification equipment if the volume exceeds the pre-set level determined by the Environmental Protection Unit and shall not restore power to the amplification equipment until the NLD is reset by the DPS or their nominated person, or

ii) otherwise maintaining the volume of the music at the pre-set level determined by the Environmental Protection Unit,

c) where the NLD operates by cutting off the mains power to the amplification equipment, amplification equipment shall be operated through the sockets/power points linked to and controlled by the NLD at all times,

d) The NLD shall be maintained in full working order and at the approved pre-set volume whilst the amplification equipment is operational,

e) Any damage or malfunction to the NLD shall be reported to the Environmental Protection Unit as soon as possible and within 24 working hours of the damage occurring or malfunction being noted. The NLD shall not be used in this damaged or malfunctioning state until approval has been given by the Environmental Protection Unit.

7. No drinks shall be removed from the premises.

I, Pardip Mohan, have been qualified as an Environmental Health Officer since May 2005 and have been investigating issues of noise nuisance since December 2004. I am currently employed by Birmingham City Council as an Environmental Health Officer and I am authorised to enforce the Environmental Protection Act 1990. Part three of that Act deals with statutory nuisance. On Thursday 12th April 2018 I was on call for Birmingham City Council's out of hour's noise nuisance witnessing service. At approximately 23.40 on _____ of Apartment _____, Birmingham, B18 5NY contacted the messenger service requesting an officer to witness noise from De Oriole Nightclub 54-57 Key Hill. As my colleague Steve Egner and I walked up towards _____ apartment, we walked past the premises located at the corner of Key Hill Drive and Key Hill known as De Oriole. I could hear a male voice through a speaker system and bass beats emanating from De Oriole. My colleague Steve Egner and I arrived at 2 bedroom apartment at approximately 00:35. In the open plan lounge and kitchen

room I could hear the same bass beats and male amplified voices I heard from De Oriole outside. We were taken into the small bedroom facing the road known as Key Hill Drive. I could hear the same beats and voices inside the small bedroom (which was being used as a study room). We were then taken into the main bedroom and I could hear the same bass beats and male voice. The music was of reggae style or origin. The music carried heavy bass beats. At approximately 00.37 we received a message from the out of hour's messenger service. It had been sent by a neighbour, living in the same block of apartments, who also requested that we witness the noise from her apartment; I understand she was unaware at the time that her neighbour had already requested the same. At approximately 00:50 my colleague and I stood in the open plan lounge and kitchen of her apartment. I could hear the same music, bass beats and male vocals I was able to hear in the neighbouring apartment at flat 4. The noise was significantly louder if a window was opened. At approximately 00:55 the music was turned up in volume and it was turned up again at 00:57. The volume was turned down a little at 01:00. At approximately 01.00 my colleague and I departed, the music was still being played loud on our departure. At this same time my colleague and I departed the block of apartments and as we walked past the premises known as De Oriole I was able to confirm the source of the noise. The vocals of the track could clearly be distinguished from the instruments. In my opinion the noise I witnessed in both apartments numbered 4 and 6 did amount to a statutory nuisance.

For approximately 25 minutes during our visit to the complainant's property the level of noise from the property known as De Oriole was high enough inside the complainant's bedroom and living room for me to clearly hear it. In addition to the high level of sound, the music was almost continuous and played during unsociable hours. The noise would therefore in my opinion interfere with the use and enjoyment of the complainant's property for a substantial period. The level of noise would interfere with the use of the bedroom; the music is likely to disturb sleep.

My name is Emily Hassall. I am an Environmental Health Officer for Birmingham City Council, Regulation and Enforcement. I am an Authorised Officer for the purposes of the Environmental Protection Act 1990. My duties involve assessing noise nuisance.

On 27th April 2018, I visited _____ with my colleague Robert Hedges (Environmental Health Officer) as we had received a call from the resident stating that a nearby nightclub 'De Oriole' was causing problems with noise and antisocial behaviour. We arrived at _____ at 1:05am. From the spare bedroom window I could see two cars parked diagonally at the bottom of Key Hill Drive blocking the exit onto Key Hill Road, outside De Oriole. There was some background noise associated with the gathering of people and cars arriving at the premises. At 1:14am I noted more people arriving at the premises and I could hear some patrons screeching. At 1:22am some low bass was audible at times which fluctuated but could be heard in the complainants bedroom. Some amplified voice (like an MC) was audible at intermittently. At 1:43am we moved to the complainant's bedroom which is

directly adjacent to his spare room. I could still hear the bass in this room. The complainant reported that this was a 6/10 for loudness and this would prevent him from getting to sleep. The bass did not worsen during our visit.

We left the property at around 1:55 and walked down Key Hill Drive past De Oriele with the premises on our right. The rear doors were shut. I noticed that there were a couple of groups of people outside the front door and there was Caribbean / reggae style music emanating from the front door of the premises but I did not make a note as I felt intimidated. The two cars blocking off the bottom of Key Hill Drive were not occupied and would have prevented any access/egress from Key Hill to Key Hill Drive. We did not stop, as the situation as quite intimidating with the number of people arriving and sat parked in their cars. There was noise from individuals roaming around the street, getting out of cars, arriving and smoking outside. I was of the opinion that the noise from the patrons, occasional raised amplifications from the music/MC and obstructive parking constituted a public nuisance. I could not see any other businesses open on Key Hill. We walked along Key Hill and Hockley Street, up Vyse Street and back into Hylton Street. We then left the area.

property at the end of June 2017. This statement details our ongoing complaint
against De Oriole Bar whose premises are located at 54-57 Key Hill Drive and are in
close proximity to our home.

Since November 2017 we have suffered an unjustifiable number of sleepless nights
as a direct result of the operations of De Oriole. Both the venue and its customers
have become a nuisance that has made living in my property unbearable. I first
raised a complaint via the Birmingham City Council website ON 19 December 2017
at approximately 2.30am, having been unable to sleep because of the noise coming
from De Oriole Bar, both the music and its customers who mainly congregated on
our street. My bedroom window is located at the front of the building and is
unobstructed by any buildings or trees. Customers arriving or leaving the club would
frequently park by our window with their own music playing loudly from the car
stereos, in addition to the sound of the music from the bar.

There is a small car park behind the bar which is not used for parking. The fire escape which is located at the back of the building in the small car park was being used as the main entrance and exit for the bar and left open for the duration of the bars opening hours. The noise and anti-social behaviour escalated and became more frequent. I became increasingly frustrated and On the 8 January 2018 I spoke with Jane Dunsford, Environmental Protection Officer. I informed Jane that the bar was opening mainly on Sunday, Monday and Thursday nights. Generally opening at approximately midnight and closing at any point between 4am and 5.30am. I had joked that if it had been a Friday or Saturday night I could have found it more understandable, even so the noise was unacceptable. The impact on my sleep had become a real and frequent issue for me and in particular affected my ability to work.

As a self-employed consultant my work often means early starts and late finishes, as I work with clients across the UK and globally. I have a reputation for working hard, often working long hours and travelling frequently. I found myself cancelling early morning meetings because I had not slept and did not feel able to drive safely without some rest. Coming home I would dread turning into the road and finding the bar open, fire escape open and music booming. I knew this meant that I would be in for a sleepless night. I have on occasion used prescription sleep aids on nights when I needed to guarantee a good night's sleep before a working day. This is clearly not something I could do on a regular basis but have found that there are times when I feel like I have no other choice if I want to sleep through the night.

In February, I spoke with other neighbours to establish if others were having similar issues. It became clear that all of my neighbours who have windows at the front of the building were also experiencing frequent incidents of anti-social behaviour and nuisance because of De Ortole Bar and every time they opened.

At times it became unclear what the opening hours of the bar were, and it became a point of anxiety, going to bed only to be woken a few hours later by beeping horns, loud base, anywhere between 20-100 people loitering in the road. I often took refuge and tried to sleep in my home office but even then, the noise could still be heard. When the bar was open there was no refuge from the noise. There were even occasions where the glass in our sash windows would vibrate with the bass of the music and we could each and every word the MC spoke over the speakers.

Some weeks the bar would be open 5 or 6 nights a week and then be closed for a long time. It would reopen in the afternoons with outdoor BBQ's and then loud music in the evening until the morning (between 3.30 – 5.30am).

I started to keep a diary and take video evidence because it became so frequent that for several weeks I would not be able to sleep at all or be woken at 2am when the bar opened and unable to get back to sleep because of the noise.

A typical week was much like the week commencing 5 March 2018. On the 7th March I woke up at 12.30am because of loud music and was not able to return to sleep until 4.30am when the noise lessened, however the customers leaving the bar at that hour were beeping car horns between 4 and 4.30am. On the 9th March 2018 I could not get to sleep because of constant loud music from cars and the bar between 1am and 4am. Again on the 11th March 2018, on this night I did not get any sleep because the noise did not stop until 5.36am and I had to leave for work at 6.30am.

In April of this year (2018), we noticed on nights the bar would open that cars would be parked across the junction of Key Hill Drive. We can only assume that this was an effort by the operators of the bar to stop customers from parking and hanging out in their cars on Key Hill Drive and by our property. However, this caused us some concern that we were unable to access or leave the cul de sac road in the night should we need to. My Father was taken ill last year and diagnosed with type 1 diabetes, my elderly and disabled grandparents also rely on me, this is one of the primary reasons we relocated to Birmingham so that we could be near to them and take care of them. Being able to come and go from our property is a fundamental right and we have on a number of occasions been unable to do so because our road or garage gates have been blocked in by either the customers or operators of De Oriole bar.

On the 27th April 2018, I found it difficult to sleep because of the bars music, I was able to fall asleep at 3am because I was so tired. At 3.40am I was woken when the music volume was turned up and while the road was blocked by the owners vehicles, about 30 cars were bumper to bumper parked in the road on Key Hill. Multiple cars were beeping horns and there were about 40 young people in the street all chatting, drinking, smoking and dancing to the music. The next day the street was covered in litter and broken glass. That night I had only 40 minutes of sleep.

On the 30th April we had a similar incident, the bar opened at 12.30am but it was fairly low noise until 2.40am when the music volume was turned up. Our windows were vibrating because of the base. I managed to fall asleep at some time around 3.30am but was awoken at 4.05am by the bass and customers shouting in the street, several of the customers car alarms were going off.

On the 6th May, I did not get any sleep with the club closing at 5.30am.

The very next day, On the 7th May the music started around 2pm in the afternoon, it was so loud we changed our plans and decided to go out to escape the noise. Outdoor speakers had been set up at the rear of the bar in their car park, along with several BBQs and gazebos. We returned home by car later that evening. As we approached the junction from the B4100 to Key Hill the road was entirely blocked with more than 30 cars. A tent had been erected at the front door of the bar that

went into the road and there were about 100 people in the street outside the bar and also in the back on Key Hill Drive. We had to exit our vehicle and ask for cars to be moved so we could access Key Hill Drive. Our vehicle was entirely blocked in with cars both sides, behind and in front. Cars were double parked blocking pavements and people congregated in every spare inch of space in the road. It took about 30 minutes for cars to manoeuvre down Key Hill so we could access our street and park our car in our garage which is located under our property. We saw drugs being openly sold and taken, there were customers who were clearly under the age of 18 including several children under the age of 12. I heard several announcements over outdoor speakers that customers would need to come inside the building at 10pm, the outdoor speakers were turned off around 10.15 and the majority of customers appeared to leave. Unfortunately, we were woken at 3am, when the music volume was turned up and more people returned/arrived which continued for several hours.

In the last few weeks since the bank holiday the bar has been opening at 2.30am until 4.30am-5am. The latest incident was the 20th May (I am submitting this statement on 21 May 2018). I am aware that De Oriole have been made aware of our complaints and they continue to show no regard for their neighbours or indeed the conditions of their license. Having endured the last 7 months, we are considering trying to move from the area, we love our home and our neighbours are fantastic but the impact of De Oriole bar is unbearable. Our health and wellbeing, our work, our safety have all been compromised as a result of this nuisance. I have no faith that the owners of this establishment will remedy these issues in any meaningful and

consistent way. He has had a number of opportunities to do so and if anything, the nuisance has worsened in every way. I'd like to be clear that this does not just impact me at night but has a knock-on effect to my days. I have missed a number of family and work commitments as a direct result of sleep deprivation. My general health has declined, and it has also had a negative impact on my relationship with my partner. Sleep is not overrated. And a lack of it has terrible consequences.

As a self-employed person, I understand and respect businesses trying to make a living, one of the reasons I choose to live in a city centre is because of its amenities. However, I cannot accept that De Ortole is operating within the law and with respect to the community it is within. In my opinion it is shamelessly and intentionally flouting the rules and responsibilities it has in respect to health and safety, planning regulations, licensing rules and environmental health.

I am employed as an Environmental Protection Officer with Birmingham City Council. I was carrying out a number of inspections and visits on the night of 27th and early hours of 28th April 2018 with my colleague Paul Samms. I had been requested to carry out a visit to De Oriole/PBs on Key Hill Drive to make an assessment of potential noise impact from the licensed premises by Jane Dunsford. I arrived in the vicinity at approximately 03.00 on Saturday 28th April 2018 and parked on Vyse Street. I approached Key Hill Drive from Hockley Hill and could clearly hear music noise as I neared Key Hill Drive. As I approached the premises at 03.10 the music could be clearly heard and was attributable to De Oriole/PBs. The door fronting Key Hill Drive was open with a fabric open-sided gazebo attached. There was a group of approximately 10 people in the gazebo and as I approached I was greeted by a female brandishing wrist bands who asked who I was and what I wanted. I explained the purpose of my visit and she took me inside the premises to meet the manager Carlson Cabey. The music inside the premises was loud and I estimated around 80 people were inside the premises. The rear doors were closed. Mr Cabey accompanied me outside and we accessed the rear of the premises. The rear doors were closed, vehicle access to Key Hill Drive was blocked by a car but there was a group of approximately 8 people around the side of the premises smoking and talking. There was some noise escape from the rear of the premises towards the residential premises at the top of Key Hill Drive but not at levels that would create a nuisance. However the congregation of people was creating some noise which would have been audible at the residential premises on Key Hill Drive and as approached these people moved back towards the front entrance. There was significant noise escape from the front of the premises as the door was open and there was no noise lobby. In addition some of the infilled window panels at high level on the ground floor front facade were vibrating excessively created another tonal noise and allowing noise escape. In my judgement the music noise was not creating a nuisance at the residential premises on Key Hill Drive but the noise was excessively loud and may have impacted

other premises. In addition the noise caused by people congregating at the rear and side of the premises was excessive and could have potentially been audible at the residential premises. Subsequently I was carrying out a number of noise assessments in the early hours of 5 May 2018 and again I had been requested to carry out a visit to De Oriole/PBs on Key Hill Drive to make an assessment of potential noise impact from the licensed premises by Jane Dunsford. I arrived in the vicinity at approximately 01.35 on Saturday 5 May 2018 and parked on Vyse Street. I approached Key Hill Drive from Hockley Hill and could clearly hear music noise as I neared Key Hill Drive. As I approached the premises at 01.40 the music could be clearly heard and was attributable to De Oriole/PBs. The door fronting Key Hill Drive was open although there were no persons outside the premises. There was no door supervision and I entered the premises unchallenged and there were approximately 10 people in the premises and the music inside the premises was loud. The rear doors were closed, vehicle access to Key Hill Drive was blocked by a car and there were no persons outside the premises. I walked to the top Key Hill Drive and the noise was barely audible outside the ground floor of the residential premises.

Dear Sir/Madam

I am writing to register my objection to the above application for the post office to sell alcohol. The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance. Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold road and the local community. Stotfold road unfortunately has in recent years become a police and council known "hotspot" for drug dealing, alcohol problems, and anti-social behaviour. Stotfold road residents have a neighbourhood watch style group set up and we work tirelessly with our local police Sargent, Neil Ogden and his team of officers and Pcsos. We have regular meetings outside the post office to tackle, deter and prevent public nuisance on Stotfold Road. Sargent Ogden has arranged extra police patrols on Stotfold road and provided under cover surveillance to help residents with the antisocial behaviour. We have worked with our local labour MP Steve McCabe and our newly elected conservative councillor, Adam Higgs, to also help us with the problems we have on Stotfold Road, in particular the drugs and alcohol antisocial behaviour. Granting a license would significantly add to the existing noise, disturbance and antisocial behaviour we already have. The residents of the road successfully petitioned, in 2016, to have the cash point at the above post office switched off at night as it was attracting drug dealing, drug taking and alcohol drinking on the road. We have had to put up with public nuisance such as drunks, foul language, fights, noise, begging and urinating up our property, all hours of the day and night. Many of us on the road have young children and I believe that if this license is granted it will have a detrimental effect on the welfare of our children who should not have to witness this antisocial behaviour.

In view of the above I would urge you to refuse the above application.

Yours sincerely

Good Morning

I understand from Councillor Higgs that I need to contact yourselves in regard to my objection of an alcohol licence being granted to the Post Office 7 Stotfold Road.

If you wouldn't mind having a look at the email I sent Councillor Higgs as I have stated all of the reasons for my objection.

As I mentioned this used to be such a lovely road to live in and I would hope with your help in understanding my reasons for objecting that it remains so.

Over the past several months we as neighbors have tried to work together to keep this a safe environment for our elderly and young children, I myself have three young grandchildren who live just opposite me.

We do not want to see more drug users and alcohol users in our road especially late at night as there is very poor street light by the post office.

Would you please take my email into consideration when making your decision.

Kind regards

Subject: Alcohol license

Good Evening Adam

I have been informed by one of my neighbors in Stotfold Road Maypole that the post office which is situated at the top of the road has applied for a license to sell alcohol.

As I only live a few doors down from the building I would be extremely upset if this was granted due to the kind of people it would attract late at night.

I have lived in this road for 14 years now and have found it to be a pleasant area to live in up until recently as we have been having a lot of trouble with drug trafficking which the police

are aware of.

Also it has been brought to the attention of the police the kind of people who have been using the speed bank at the post office late at night waiting for their monies to be paid in. On several occasions fights have broken out due to arguments about who owes what monies to who. As a resident who lives close to the building we get to hear all this disruption.

So with what is already going on at the moment & the possibility of a shop selling alcohol it would cause all kinds of stress & possible danger to people & children living in this road.

As I am sure you are aware there are already several shops in close proximity to the post office that sells alcohol already so I don't understand why we need another.

So what I would like to ask is there anything that can be done by the residents or is there anyway we can object to this application.

Yours sincerely

Dear Sir or Madam
regarding the application for an alcohol licence at the post office. Fold Road can I have my objection to this the reason why is that this is already an area served by many places selling alcohol, we also have very high antisocial behaviour and criminal activities going on in this area with drug deals happening in the open daily people's houses being burgled and cars and motorbikes been stolen alcohol and drugs fuel this type of behaviour.
And as this post offices on a residential road this is just going to encourage more nuisance noise and antisocial behaviour.
And as I said there are already so many stores that sell alcohol locally but at least these are attached to groups shops and are not on residential roads.
This area does not need any more help with access to drugs or alcohol or antisocial behaviour

I am opposing as alcohol licences to the post office. There is a high crime, drug and drink problem in the area and would cause a lot of fear to the residence. My mother is very frail and household just a few houses away and is petrified that the post office will be the cause of bringing these people closer to get doorstep. This is a residential area with a number of elderly people who would be under threat.

Please don't allow them a drinks licence.

Dear Sir/Madam

I am a resident of Stotfold and a member of the Stotfold road neighbourhood watch group - We wish to collectively register our objection to to above application for the post office to sell alcohol. The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance. Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold road and the local community.

You can confirm all this with Sargent Ogden on billesley@west-Midlands.pnn.police.uk

The police have put up signs outside the post office and along the road warning that Stotfold road is being closely monitored by West Midlands police.

We have worked with our local labour MP Steve McCabe and our newly elected conservative councillor, Adam Higgs, to also help us with the problems we have on Stotfold Road, in particular the drugs and alcohol antisocial behaviour.

Dear Sir/Madam

I, along with my family, am a resident of Stotfold Road, living only a few doors down from the Post Office. I am also a member of the Stotfold Road neighbourhood watch group.

We wish to collectively register our objection to the above application for the Maypole Post Office to sell alcohol.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance. Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold Road and the local community.

The police have put up signs outside the post office and along the road warning that Stotfold Road is being closely monitored by West Midlands police

We have worked with our local labour MP Steve McCabe and our newly elected conservative councillor,

Adam Higgs, to also help us with the problems we have on Stotfold Road, in particular the drugs and alcohol antisocial behaviour.

Residents also have a neighbourhood watch group that covers Henlow and Sladepool Farm Road, and they too have voiced concerns about the impact on the community.

Granting a licence for the Sale of Alcohol would significantly add to the existing noise, disturbance and antisocial behaviour we already have. My particular concern is that these licensing hours would mostly appeal to the heavily alcohol dependant who are unable to obtain their alcohol elsewhere once the other local business with alcohol licences close (Iceland at 8pm and Aldi/Sainsbury's at 10pm) therefore causing further disturbances late into the night.

I also see little need for additional licensed premises within the area given that alcohol is readily available at the aforementioned outlets as well as several other premises within close walking distance.

The residents of the road successfully petitioned, in 2016, to have the cash point at the above post office switched off at night as it was attracting drug dealing, drug taking and alcohol drinking on the road.

We have had to put up with public nuisance such as drunks, foul language, fights, noise, begging and urinating up our property, and have had members of the public pass out on our drives late at night, resulting in us having to call the police out.

Many on the road, myself included, have young children and I believe that if this licence is granted it will have a detrimental effect on the welfare of our children who should not have to witness this antisocial behaviour.

In view of the above I would urge you to refuse the above application.

Dear Sir/Madam

I am a resident of Stotfold and a member of the Stotfold road neighbourhood watch group -I have lived in the road for 35 years and have been massively affected by the goings on at the post office as we live In Fact our very close friends and neighbours who used to live opposite sold their house for far less than it was worth after 22 years , because they couldn't stand the terrible trouble at night from drug dealing and drunkenness by large groups of very loud and abusive people who gather outside the post office cash machine in the middle of the night.I struggle to sleep at all at night with the noise and bad language and fighting, the worst of it is non of these people live around our area but gather at the post office waiting for their benefits to be paid in at midnight then phone drug dealers and openly buy and use drugs. We wish to collectively register our objection to to above application for the post office to sell alcohol. The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance. Dear Sir/Madam

As a resident of Stotfold Road for over 20 years I wish to register my objection to to above application for the Post Office to sell alcohol.

The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance. Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold Road and the local community.

Stotfold Road has in recent years become a Police and Council known "hotspot" for drug dealing, alcohol problems, and anti-social behaviour. Stotfold Road residents have a neighbourhood watch style group set up and we work tirelessly with our local Police Sergeant, Neil Ogden together with his team of Officers and PCSO's . We have worked with our local Labour MP Steve McCabe and our newly elected Conservative Councillor, Adam Higgs, to assist us with the problems we have on Stotfold Road, in particular the drugs, alcohol, and related antisocial behaviour.

Residents also have a neighbourhood watch group that covers nearby Henlow and Sladepool Farm Road, as they are dealing with the same issues.

Granting a license would significantly add to the existing noise, disturbance and antisocial behaviour we already have.

The residents of the road successfully petitioned, in 2016, to have the cash point at the above Post Office switched off at night as it was attracting drug dealing, drug taking and alcohol drinking on the road.

We have had to put up with public nuisance such as drunks, foul language, fights, noise, begging and urinating up our property, and have had members of the public pass out on our drives late at night, resulting in us having to call the police out. We have also had some of these individuals going door to door asking for money.

Working in the local area also means walking to and from my place of work at unsociable hours, I already feel I cannot make my journey without being harassed by these individuals. Bringing alcohol sales into this equation will mean these people congregating in front of Post Office and nearby area, which I have to pass on my journey home. I feel this will further compromise my personal safety.

In view of the above I would urge you to refuse the above application.

Yours sincerely

Sale of alcohol Mon-Sun 07:00 - 00:00

Dear Sir/Madam

I am a resident of Stotfold and a member of the Stotfold road neighbourhood watch group -

We wish to collectively register our objection to the above application for the post office to sell alcohol.

The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance.

Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold road and the local community.

Stotfold road unfortunately has in recent years become a police and council known "hotspot" for drug dealing, alcohol problems, and anti-social behaviour.

Stotfold road residents have a neighbourhood watch style group set up and we work tirelessly with our local police Sargent, Neil Ogden and his team of officers and Pcsos. We have regular meetings outside the post office to tackle, deter and prevent public nuisance on Stotfold Road.

Sargent Ogden has arranged extra police patrols on Stotfold road and provided under cover surveillance to help residents with the antisocial behaviour.

You can confirm all this with Sargent Ogden on billesley@west-midlands.pnn.police.uk

The police have put up signs outside the post office and along the road warning that Stotfold road is being closely monitored by West Midlands police

We have worked with our local labour MP Steve McCabe and our newly elected conservative councillor, Adam Higgs, to also help us with the problems we have on Stotfold Road, in particular the drugs and alcohol antisocial behaviour.

Residents also have a neighbourhood watch group that covers Henlow and Sladepool farm road, and they too have voiced concerns about the impact on

the community.

Granting a license would significantly add to the existing noise, disturbance and antisocial behaviour we already have.

The residents of the road successfully petitioned, in 2016, to have the cash point at the above post office switched off at night as it was attracting drug dealing, drug taking and alcohol drinking on the road.

We have had to put up with public nuisance such as drunks , foul language, fights, noise, begging and urinating up our property, and have had members of the public pass out on our drives late at night, resulting in us having to call the police out.

Many on the road have young children and I believe that if this license is granted it will have a detrimental effect on the welfare of our children who should not have to witness this antisocial behaviour.

In view of the above I would urge you to refuse the above application.

Yours sincerely

P & M enterprise (UK LTD)
Maypole Post Office, 7 Stotfold Road, Maypole, Birmingham. B14 5JD

Dear Sir or Madam

I am writing to strongly object to the above application for the post office to sell alcohol. The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance, but also public safety and protecting children from harm.

Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold road, the surrounding roads and the local community.

Stotfold road in recent years has unfortunately become a police and council known "hotspot" for drug dealing, alcohol problems, and anti-social behaviour. Our residents have a neighborhood watch style group set up and we work tirelessly with our local police Sergeant, Neil Ogden and his team of officers and PCSO's. We have regular meetings outside the post office to tackle, deter and prevent public nuisance on Stotfold Road.

Sergeant Ogden has arranged extra police patrols on Stotfold road and provided under-cover surveillance to help residents with the antisocial behavior and public order problems we have been experiencing. We have worked with our local labour MP Steve McCabe and our newly elected conservative councillor, Adam Higgs, to also help us with the problems we have on Stotfold Road, in particular the drugs and alcohol related antisocial behaviour. Granting the above alcohol license would significantly add to the existing noise, disturbance and antisocial behavior we already have.

The residents of the road successfully petitioned, in 2016, to have the cash point at the above post office switched off at night as it was attracting drug dealing, drug taking and alcohol drinking on the road. Whilst turning this cash machine off at nighttime certainly helped with the problems we encounter, it has not eliminated them. We have had to put up with public nuisance such as drunks, foul language, fights, noise, begging and urinating up our property, all hours of the day and night. Some of us have also felt the need to spend money on improved security, CCTV, alarms etc. in an attempt to feel safer where we live.

Many residents have young children, and I believe that if this license is granted, it would have a detrimental effect on the welfare of the children who should not have to witness this antisocial behaviour.

Granting this license would also completely undo all the excellent, but ongoing work we are doing with the help of the police and the local councillor to eradicate the problems we have on our road.

In view of the points I have raised, I would strongly urge you to refuse the above application.

Yours sincerely

Dear)

I would like to write in to oppose the licensing application at the Post Office on Stotfold Road.

Stotfold Road has a number of issues in regards to drug dealing and anti-social behaviour. The police are looking at putting at putting in a Public Space Protection Order around the Maypole because of these issues. I believe that if alcohol is allowed to be served from these premises every day until midnight, then it will add to the problems on this road and go against the licensing objectives of prevention of crime and disorder and the prevention of public nuisance.

I hope my views will be taken into consideration. I know a number of residents on the road would agree with these points.

Kind Regards,

Dear Sir - madam

I'm informing you that I
Strongly object to the proposal of
an off licence opening on Statfold Road.

There are several reasons why I'm
not happy with this, firstly I am single
woman living with two sons and the last
thing I need when returning from an evening
out is confrontation from a gang of
drunken individuals not allowing me
access to my property which is adjacent
of the proposed off licence.

Also I am not prepared to pick
up the litter every morning before I go
to work which I can guaranteed will
be left behind from the night before,
then there is the noise factor

The residents of Statfold Rd who
also have families and residents living
alone should not have to deal with
what could be a volatile situation when
confronted

We have already resolved the drugs problem in this Road we don't need to have to deal with another one.

I await your earliest reply regarding the above matter

yours faithfully

Dear Sir/Madam

We are residents of Henlow Road and Sladepool Farm Road and we wish to collectively register our objection on the following petition to the above application for the post office to sell alcohol.

The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime and disorder and prevention of public nuisance. Enabling the above premises to sell alcohol would have a detrimental effect on Stotfold road and the surrounding area.

Stotfold road unfortunately has in recent years become, a police and council known "hotspot" for drug dealing, alcohol problems, and anti-social behaviour. The residents of Stotfold Road, Henlow Road and Sladepool Farm Road have set up their own Neighbourhood Watch style groups and work tirelessly with our local police Sargent, Neil Ogden and his team of officers and PCSO's. We have regular meetings outside the post office in question to tackle, deter and prevent public nuisance.

Sargent Ogden has arranged extra police patrols on Stotfold road and provided under cover surveillance to help residents with the antisocial behaviour. This group have also worked with their local Labour MP Steve McCabe, and newly elected Conservative Councillor, Adam Higgs, to help us with the problems we have on Stotfold Road, in particular the drugs and alcohol antisocial behaviour.

We believe that granting a license to sell alcohol within the Post Office would significantly add to the existing noise, disturbance and antisocial behaviour we already have.

The residents of Stotfold road successfully petitioned, in 2016, to have the cash point at the above post office switched off at night as it was attracting drug dealing, drug taking and alcohol drinking on the road. Stotfold, Henlow and Sladepool Farm Road have had to put up with public nuisance such as drunks, foul language, fights, noise, begging and urinating up our property, all hours of the day and night. Many residents of these roads have young children and I believe that if this license is granted it will have a detrimental effect on the welfare of our children who should not have to witness this antisocial behaviour.

In view of the above I and the following residents would strongly urge you to refuse the above application.

Dear

Re: P&M Enterprise, Maypole Post Office, 7 Stotfold Road, B14 5JD

I understand that the above business has recently applied for a licence to sell alcohol 7 days a week between 7am and 12am. I have been contacted by constituents who are very concerned by this application as there are already significant problems with anti-social behaviour and crime in this area.

I have been working with local residents and the local police over the last few years to tackle persistent anti-social behaviour and crime, particularly drug dealing, in the Stotfold Road area and near the shops. Recently I have been told there have been regular problems with individuals begging and there are already issues with people drinking on the street.

In 2016 local residents were successful in working with Maypole Post Office to turn off the cash machine at nighttime to deter anti-social behaviour. Local residents are understandably concerned that if the Post Office were permitted to sell alcohol the anti-social behaviour, crime, begging and noise disturbances they already experience would increase.

I would be grateful if you could take these points into consideration and keep me updated on the outcome of this application. If you require further information please contact my office on 0121 443 3878.

Further to our telephone conversation,

The only issue I have from checking the Grant application submitted, is that I would like to add-on the wording of the proposed General condition put forward to include the following:

GENERAL - To promote all four licensing Objectives together:

The training provided to staff will be recorded and each member of staff will sign and date the training records to confirm they have received and understood the training provided. Refresher training will be undertaken at least every 12 months.

The staff training records will be kept at the premises and made available to any Responsible Authority upon request.

Can you please confirm that your client is happy with the above.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

The DPS fully understands his roles and responsibilities concerning the four licensing objectives obtained within the 2003 Licensing Act, a comprehensive breakdown of these objectives and how to ensure they are met are detailed below. The DPS attended the APLH level 2 training programme and his personal licence will be issued by Birmingham City Council. The DPS will take full responsibility of ensuring all staff are trained and have full knowledge of all licensing issues concerning them under the 2003 Licensing Act including the Challenge 25 rule.

b) The prevention of crime and disorder

The applicant will have installed to the premises, an additional CCTV digital recording system with a minimum of 31 days recording capability to ensure the prevention of crime & disorder.
The CCTV will be in accordance with any Police recommendations.
All CCTV recordings shall be available to local Police immediately upon request. Please note that the existing four cameras shown on the plan are the property of The Post Office and should a Responsible Authority wish to view or retrieve footage from any of these four cameras they will have to seek consent from Royal Mail Post Office. A contact number for them will be made available if required.
The premises shall be secured by means of an intruder alarm and steel roller shutters when closed.
The premises has security screens and doors at all post office points.
Each post office point both at the front and rear of the premises, has a panic alarm which is centrally monitored.
Alcoholic drinks shall not be consumed on the premises and strict enforcements shall be in place to ensure this is always adhered to.
The premises shall be secured with an intruder alarm when closed.

c) Public safety

The CCTV digital recording system of the premises with a minimum of 31 days recording capability will monitor all public safety issues.
The DPS will be responsible for conducting a fire risk assessment and also a health & safety risk assessment for the licensed premises.
All notices in relation to public health & safety will be displayed at the premises.
The DPS will also ensure the premises will be operated in line with the Health & Safety Act and any environmental health issues will be the responsibility of both the licence holder for the premises and the DPS.

d) The prevention of public nuisance

The DPS and Premises licence holder fully understand that it is their duty to prevent their business causing any nuisance to any local residents or businesses.
They will monitor the external premises area in relation to any anti-social behaviour or public nuisance.
The premises will only accept trade deliveries or rubbish collections during normal working hours.
Deliveries shall be dealt with in a prompt and timely manner to endeavour to reduce any disruption to local business' and residents.
The DPS will also monitor the exterior of the premises to ensure litter is kept to a minimum.
In the event of any anti-social behaviour both inside and outside of the premises, the DPS will make any CCTV recordings available to the local Police immediately.

e) The protection of children from harm

The DPS will be responsible for ensuring all staff working within the premises will be fully trained and aware of the Challenge 25 rule.
The store will only accept valid forms of identification such as photo driving licence, passport and home office approved ID cards displaying the national proof of age standard scheme (PASS hologram).
All customers who look under the age of 25 shall be challenged to prove their identity when purchasing alcohol.
The premises will also have a refusals register and all refusals by any member of staff shall be recorded and the register made available to Responsible Authorities on request for inspection.
Challenge 25 material shall be clearly displayed within the premises.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this by providing with this application copies or scanned copies of the following documents (which do not need to be certified).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is A British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **full** birth or adoption certificate issued in the UK which includes the name(s) of at least one of the holder's parents or adoptive parents, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

Continued from previous page...

- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
