Dear Licensing,

My name is \_\_\_\_\_ and I own an apartment next to the premises Haus Lounge proposes to use.

I am very concerned that such extensive licensing hours will create the same anti social issues that have stained all the previous tenants of this premise; namely:-

- Excessive noise characterised by the thump thump of music being played far too loud into the early and middle hours of the morning.
- The noise and disruptions that accompany happy drunkenness when people leave clubs at the early and middle hours in the morning
- The occasional violence that accompanies drunkenness and the noise created by the supporters of the fighting and the sirens from police and ambulance services.

Are you able to offer any reassurances that these anti-social behaviours won't occur?

Are there any measures and or controls that will curb excessive noise?

Are there any measures and or controls that will curb excessive drunkenness and other anti-social behaviours?

Thank you for your help,

**Subject:** Haus Lounge Application Number 180424

**Importance:** High

Dear Sir,

I wish to make some comments on the application by Haus Lounge Ltd Number 180424 for a new premises licence at 89 Holloway Head.

I am a neighbour of this premises which has been plagued with illegal activity and anti social behaviour by previous operators of the nightclub.

It appears that some nightclub operators have merely been a front for money laundering and drug dealing, rather than legitimate entertainment activities, according to press reports

Six sentenced for running £7.7m brothel in city centre | ITV News  
[itv.com](https://www.itv.com)

Birmingham nightclub shut down after drugs and £30,000 cash found | ITV News  
[itv.com](https://www.itv.com)

I would ask that BCC Licensing and the Police make extensive enquiries that the proposed new company, its directors, management team, security team and anyone with a financial or controlling interest is a "fit and proper person, and is not involved in criminal activity.

Given the problematic past , it would be hoped that the new operators are experienced and with a proven track record of running legitimate businesses of the type proposed? If they cannot demonstrate this, the application should be refused.

I would ask that potential noise nuisance for neighbours is considered , both with noise emanating from the club and from its patrons on arrival and departure. I note this has been a problem in the past, and complaints have been made to the Council.

Given that in recent years the Council has granted numerous residential planning applications in the immediate area, is Holloway Head still suitable for ANY late night entertainment. Perhaps serious consideration should be given for only licensing the premises for normal restaurant or pub hours, i.e. no alcohol service or entertainment after 11pm on any night?!

I note there are numerous empty and disused nightclub premises in areas more associated with the nighttime economy available to lease, which would be easier to Police ; i.e Broad Street area. And have less impact on residential premises.

I note that whenever the nightclub at 89 Holloway Head has been open in the past 8 years we have been plagued with illegally parked cars in Marshall St- on the pavement, doubled parked, blocking garage entrance. Could adhering to and enforcement of parking regulations be a consideration, there are several local carparks?

There should be a plan required to control mini cabs and taxis, and a methodology to disperse patrons on leaving the premises

The hours proposed seem to be excessive and is longer than KING VN was allowed; I suggest this is inappropriate

I would ask that the latest it is open on any night is 2am.

I note they proposed to open as early as 10 am so 14 hours of trading per day is surely enough?

Given recent violence and murders in Birmingham Nightclubs , could it be made a condition:

- That all patrons are scanned by a metal detector prior to admission
- A minimum number of door staff/ security are to be stipulated in the conditions

I note the premises does not appear to be accessible for disabled or wheelchair users, how does this comply with disability accessibility policies and could it be made a condition of the licence that it is fully accessible?

If a licence is granted, the neighbours will be watching and listening carefully for any breaches and would hope if they are substantiated the Council and Police will not hesitate to take action for enforcement.

Yours sincerely

**Subject:** Further Comments Haus Lounge Application Number 180424

**Importance:** High

Dear Sir,

Further to my comments made on 30th April - Haus Lounge Application Number 180424

I would like to add:

#### **1: Parking on Pavements**

I notice today that there are four cars and vans which are apparently associated with "Haus Lounge" parked on the pavement in front of the building on Holloway Head

See photographs:

This illustrates unfortunately the type of behaviour neighbours associate with this venue. Where parking on the pavements on both Holloway Head and Marshall Street are occur both day and night, causing potential public nuisance and possibly impeding the access of emergency vehicles.

I note, there were spare parking places available.

## **2: Noise impact on Health and Wellbeing**

Concord House due to its predominantly concrete structure can get extremely hot in the summer.

The only way to reduce the nighttime heat is to open the windows to vent the apartment.

Experience shows the noise from patrons entering and leaving the nightclub and their waiting minicabs can be extremely high, making sleep very difficult.

This resultant sleep deprivation can be damaging to health.

See <https://thesleepcharity.org.uk/information-support/adults/sleep-deprivation/>

We note that the potential club is proposing to be open for considerably longer hours and on more days than previous operators

We would therefore ask for restricted hours and an early finish for the club to curb the inevitable noise it would generate and protect the health of the neighbouring apartment dwellers

Yours sincerely

Subject: Haus Lounge

Sirs/Mesdames

If this complaint is made public, I would prefer it to be anonymous.

I refer to the recent licensing application for Haus Lounge on Holloway Head. I write as a resident of Concord House.

These premises have previously been used for similar purposes to those envisaged by the application: with significant disruption to my peaceful enjoyment of my private apartment. My sleep has been severely disrupted on the days the club was open. As a tetraplegic wheelchair user, this had ongoing impacts on my normal life.

In addition to loud music, there was significant noise at closing time including car horns repeatedly being sounded, shouting in the street and sometimes what appeared to be fighting. In addition, access to the Concord car park was often restricted which was particularly difficult for me as a wheelchair user as the car park entrance is the only one I am able to use.

While I support any measures to grow and sustain the local economy, this particular venue has been a source of difficulty since I moved to Concord in 2015. I understand that previous incarnations of the venue were effectively under common control. Are the current applicants also wholly or partly individuals previously involved with the venue?

My preference would be for a license of the type applied for to be denied. Otherwise, the opening hours could be curtailed and/or appropriate restrictions put in place to limit disruption to other residents of the area.

**Subject:** Representation regarding Section 17 Licence application- Haus Lounge

Dear Licensing Department.

I wish to register an objection to the application for grant of a premises licence by Haus lounge Ltd 89 Holloway Road Birmingham B1 1QP

Please find the reasons below for my objection to the said licence. I have attached it as well, in case that format is preferred.

Please can you confirm that my objection has been received?

Yours Faithfully

Resident of Concord House, Marshall Street B1

1. **The Application has an INCORRECT address**, stating Holloway Road- which is in another part of Birmingham, not Holloway Head. I would therefore question the accuracy of any of the rest of the application or legal process that is being pursued.
2. **EXTENDING ANY PREVIOUSLY EXPERIENCED HOURS** The hours requested for a licence are far longer than any of the much larger clubs (which are not in such close proximity to residential areas) are open. A Snobs, Reflex, Popworld all close between 3-4 am and are not open 7 days a week. The previous club King VN was only open 2 nights per week and open from 11 until 3 or 4am only, so this would be a huge increase in the amount of noise emitted towards the residences locally.
3. **ROAD SAFETY.** Marshall street is a one way street. With Chapmans Passage closed as part of construction works and Upper Gough Street and Bulcher Street restricted width due to construction, many drivers are travelling the wrong way down Marshall Street. This includes vehicles directed that way by the construction workers at times, but also by frustrated drivers caught up in the late night congestion of Birmingham. This increases the risk of an RTA and of pedestrian injury. Equally, Holloway Head is a notorious road for speeding ( see <https://www.birminghammail.co.uk/news/news-opinion/spent-30-minutes-birmingham-street-28008432> ) and even last night 29/4/24, vehicles were racing around the area. This does not happen along Broad Street or in the Arcadian area due to traffic restrictions. Haus lounge customers exit straight onto Holloway Head and would be at risk of injury if they stepped off the pavement. Equally, taxi drivers would stop and turn there more often causing congestion and increased risk to pedestrians. There have been at least 2 RTAs since January 2024 where vehicles turning into Marshall Street from Holloway Head have collided.

With the Elevate development of 111 properties at Chapman's Yard and 484 properties by WinVic completing in the next 12 months, pedestrian and vehicle traffic will increase greatly in the area, making road safety an even higher concern.

4. **POLICE RESOURCES** are stretched across the entire country. 8 police cars came to investigate the previous nightclub and found evidence of drug dealing and money laundering. The previous incumbent was the Sunset Club who took up Police resources as this was run as a brothel (<https://www.itv.com/news/central/2016-10-18/breaking-six-sentenced-for-running-brothel-in-birmingham-city-centre>) . In addition, street drug dealing is visible daily on Marshall street, as is anti-social behaviour such as urinating and sexual activity (seen from my apartment) but the police are not intervening as they are overwhelmed. Should a nightclub open 7 days per week, it is likely that anti-social behaviour at closing time and before would escalate and put the safety of local residents at risk.

Begging is also likely to increase in the area. It is already prolific, at least in part to the proximity of the hostel for the homeless and the lack of provision for rough sleepers due to council financial restrictions. It may be extrapolated from that that acquisitional crime may increase.

It is highly likely that the already awful street litter would increase with customers having food and drink on the way to or from the club.

5. **SOUND/ EXCESS NOISE.** The King VN nightclub was open 2 nights per week. The sound and bass reverberated through the entire building of Concord House making sleep impossible without earplugs (it is absolutely fine without on days they were not open). Planning permission for construction has prevented work starting before 7.30 am (which the construction workers are good at adhering to) because of the effect on residents. Should this application be approved, the planners would be condoning excess sound through construction and then music for 24 hours a day. The roof of the building is not soundproofed adequately (or at all). It also looks like a fire risk, but that would be for the fire service to take a view on.

6. **FIRE RISK, EXITS and DEBRIS ON ROOF** There only seem to be 2 doors towards the Holloway Head section of the building and none to the street up Marshall Street. I have previously mentioned the roof, which has discarded appliances, wood, carpet and other debris on it. Is there adequate escape in the event of fire and should the whole roof area be renovated to improve soundproofing and reduce risk of harm if a fire broke out?

7. **WELLBEING TO RESIDENTS** As two doctors living here, we are aware of the detriment to wellbeing on anyone with regularly disturbed sleep. It would be questionable if we could continue to work effectively ourselves, which is of grave concern with the current NHS pressures. We are not the only NHS workers in this building. Equally there are people who are extremely elderly and young children, for whom it is totally inappropriate to expose them to repetitive loud music during sleeping time. With the current residents in the area and the intended new residents of the near 600 new apartments, this would impact very badly on the wellbeing of a large number of Birmingham residents.

8. **PLANNING PERMISSION** – we are led to believe that a sign has been erected that has not been approved by planning permission. This raises our concern that the potential licensee is not adhering to the law and therefore have concerns that future behaviour may also display this attitude.

Dear Sir,

I wish to comment on the application by Haus Lounge Ltd Number 180424 for a new premises licence at 89 Holloway Head.

As close neighbour to the building, a new night club will have a terrible impact on the area as we discovered with the previous owners. The area is being actively redeveloped as a residential area and a new nightclub on this site is wholly inappropriate. The principal problems are noise, traffic, litter and criminal activity. The proposed opening times are completely insensitive to those who try to sleep nearby.

The council has been happy to grant planning permission to build flats for hundreds of people within 100 metres of this venue. It beggars belief that this is an appropriate location for a new nightclub when there are so many other empty spaces away from residents. It runs contrary to sensible planning.

Yours sincerely

Dear Birmingham City Council,

**OBJECTION TO PREMISES LICENCE FOR HAUS LOUNGE LTD, 89 HOLLOWAY ROAD, B1 1QP**

We reside in Concord House located opposite the proposed Haus Lounge. We strongly object to the application for the Premises Licence with proposed hours for the sale of alcohol and 'Regulated Entertainment':

10pm - 3am Monday to Thursday  
10pm - 4.30am Friday - Saturday  
10pm - 7am Saturday - Sunday

This is a residential area with new developments currently being built with 111 new apartments in Chapmans's Passage/Upper Gough Street and 485 apartments and Girl Guide Headquarters in Holloway Head. The previous club in this location has a history of anti-social behaviour such as drugs, cars beeping horns in early hours of the morning and drunk people leaving the club shouting and fighting. This anti-social activity has caused many issues for the local residents with the police being called out to manage the disturbances.

We hope you will strongly consider the negative impact this club will have on all the local residents and deny this application.

Best wishes,

Subject: Licensing application - Haus Lounge, 89 Holloway Head . Application no 180424

I wish to object strongly to the above application. I own a residential property in Concord House, yards from Haus Lounge. We have previously had numerous problems with antisocial behaviour, noise and drug issues when the premises was known as King VN Nightclub. Thankfully the license was revoked by BCC due to class A and B drug problems.

I understand the new application will also allow opening to 7 am. In respect of residents close by having to work this will inevitably have a serious effect on our ability to sleep.

I hope the council will refuse this application and respect the rights of local residents.

Dear Sir/Madam,

On behalf of myself and my church Chinese Evangelical Church 14 Upper Gough St. B1 1JG, I am writing to express our strong objection to the above application. Recent development around the area is mostly residential with a feeling of peace, convenient access to Birmingham City Centre and Mailbox and vibrant lifestyle. We understand the Birmingham City Council wants to redevelop Birmingham to make it a clean and safe place for proper businesses to thrive and people to want to live here. Such kind of nightclub in this new residential area deter people in choosing to live here and the crime rate normally increase. In the past, we saw rubbish was dumped outside the club and made the appearance of the area really unruly and cheap.

I hope I made myself clear that I and our church strong disagree the application.

Your faithfully,

Treasurer

**Subject:** Re: Objection to Nightclub License Application (Application No. 180424) – Haus Lounge

Dear Sir/Madam,

I am writing to formally object to the application for a nightclub license submitted by Haus Lounge (application number 180424). As the chairperson of the Birmingham Chinese Evangelical Church located nearby, I have several serious concerns about the potential impact this establishment would have on our community.

Firstly, the introduction of a nightclub in this location is likely to cause significant parking disorder. The existing infrastructure is already struggling to accommodate the current volume of vehicles, and the addition of a nightclub would exacerbate this issue. Residents and visitors frequently struggle to find parking spaces, and this problem will only worsen with the increased traffic a nightclub would attract.

Secondly, there is a considerable risk of nuisance to residents. The noise generated by nightclub patrons, especially during late hours, would significantly disturb the peace and quiet of our neighborhood. This disturbance would be particularly detrimental to families with young children and the elderly, whose well-being depends on a tranquil living environment.

Additionally, nightclubs are often associated with increased crime activities. The presence of a nightclub can lead to higher instances of vandalism, theft, and other criminal behaviors. This is a considerable concern for residents who value the safety and security of our community.

Moreover, the proposed location for Haus Lounge is alarmingly close to a residential area. The proximity of a nightclub to homes is inappropriate and incompatible with maintaining the residential character and tranquility of our neighborhood. The negative impact on residents' quality of life cannot be overstated.

Finally, the introduction of a nightclub is likely to encourage anti-social behavior. This includes public drunkenness, disorderly conduct, and other activities that would degrade the overall environment of our community. Such behavior is not only distressing for residents but also detrimental to the image and desirability of our area.

In light of these concerns, I urge the Birmingham City Council Licensing Department to reject the nightclub license application for Haus Lounge. The potential negative impacts on parking, noise levels, crime rates, and overall community well-being are too significant to ignore.

Thank you for considering my objections. I trust that the council will make a decision that prioritizes the interests and safety of the local residents.

Yours faithfully,

I am writing to formally object to the application for the new nightclub license 180424 for "Haus Lounge."

As a regular attendee of the Birmingham Chinese Evangelical Church located at 14 Upper Gough Street, B1 1JG, and a resident of Cremorne road, Sutton Coldfield, B75 , I have deep concerns regarding this proposal. My family and I have been active members of this church community for the past 7 years. During the operation of the previous nightclub, King VN, we endured significant criminal activity, which severely affected our community. Thankfully, this operation was eventually shut down by the police and your council, bringing much-needed relief and safety to the area.

The approval of this new application threatens to reintroduce similar issues, posing a substantial risk to our congregation, particularly to the youth who meet in the vicinity during the evenings.

I earnestly request that your team rejects this application, as the proposed location is not appropriate for a nightclub or strip club, especially in close proximity to our church community.

I am a regular church member at Birmingham Chinese Evangelical Church at 14 Upper Gough Street, B1 1JG. My husband and my sons also go there every week. And the traffic about this area has been terrible too. There is also traffic jam and lack of parking space since the parking area opposite to the church has been demolished and a new building is building at the moment. The traffic would be even worse after more people move in, and with new night club, the situation would be even worse.

Dear Birmingham City council,

I am writing to object the application of new nightclub license 180424 for a new night club "Haus Lounge"

My family is a regular church attendant at the BCEC, Birmingham Chinese Evangelical Church at 14 Upper Gough Street, B1 1JG, and we live in Sara Close, Sutton Coldfield, B74

My family has been attending this church for the last 3 years, every Sunday morning and bi weekly Sat evening. As a father of family of 4, with 2 young kids at 6 and 9. A night club is such a residential area will cause us great concern on criminal activities that possibly caused by night club, like drug, drunk and fighting

I sincerely request your team to reject this application as it is not a suitable place for a night club/ strip club to operate amongst resident and church congregation location.

Kind Regards

**Subject:** Object to the granting of a License Haus Lounge Application Number 180424

Hi,

I am a regular church goer to Birmingham Chinese Evangelical Church (BCEC), 14 Upper Gough St., B1 1JG. I'm writing to object the granting of a new nightclub License to Haus Lounge on the corner of Marshall Street and Holloway (Application number 180424).

The new nightclub is at the same location as the previous nightclub King VN, which was shut down by the Police and Birmingham City Council due to criminal activity. If the new nightclub opens at the same location, it could have negative impact on the BCEC as in the past the previous nightclub had been the source of considerably anti social behavior, with traffic, car parking on pavements, fights, drug dealing and noise complaints.

I go to BCEC with my family (with 2 young kids) every week and hence the new nightclub application concerns me a lot in terms of safety around the church. I sincerely to seek your serious review of the new nightclub license application and I'm objecting this application as a member of the neighbor community.

Thanks!

Best regards,

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/Immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
